STAFF REPORT**

**November 28, 2011**

**Case #1779 – 1506 N Sims Avenue**

**LEGAL DESCRIPTION:** Lots 2-3 in Block 52 of Oak Grove Park Subdivision

**STRUCTURE(S):**

- single-family residence
- multi-family residence
- mixed use
- commercial
- accessory structure(s)

**PROPERTY OWNER(S):** Texas LS Investments LLC

**LIENHOLDER(S)/  
MORTGAGEE(S):** none

**IMPROVEMENT VALUE(S)  
(AS APPRAISED BY THE  
BRAZOS COUNTY  
APPRAISAL DISTRICT):** \$9,383 (2011 tax year)

**BACKGROUND:** Code Enforcement received a citizen concern about the un-secured condition of the main structure on this property in August 2011. The structure was consequently inspected by Building Official and determined to be dangerous. Staff met with the property owner and a contractor, Preferred Construction, who proceeded to secure the main structure and demolish two accessory structures on the property.

**BUILDING AND STANDARDS COMMISSION  
STAFF RECOMMENDATION**

**November 28, 2011**

**Case #: 1779**

**Building Address: 1506 N Sims Avenue**

**Record Owner(s): Texas LS Investments LLC**

**The City's Chief Building Official has requested this Commission hearing to discuss the building on this property, and all legal notices of the hearing were provided to record owners, lienholders, and mortgagees. They were also notified that if they wanted to repair the building they needed to meet with City staff and come to the hearing with a detailed plan for repairs, including cost estimates. Based on the surveys, reports, photographs, and other evidence provided to the Commission, the City recommends that the Commission find the building unsafe based on the standards set forth in Bryan Code of Ordinances Section 14-224 subsection(s):**

- 1)  The building, structure, or any part thereof is likely to partially or fully collapse.
- 2)  The structure or any part thereof was constructed or maintained in violation of any provision of the City's Building Code, or any other applicable ordinance or law of the city, county, state or federal government.
- 3)  One or more walls or other vertical structural members list, lean, or buckle to such an extent that a plumb line passing through the center of gravity falls outside of the middle third or its base.
- 4)  The foundation or the vertical or horizontal supporting members are twenty five percent (25%) or more damaged or deteriorated.
- 5)  The non supporting coverings of walls, ceilings, roofs, or floors are fifty percent (50%) or more damaged or deteriorated.
- 6)  The structure has improperly distributed loads upon the structural members, or they have insufficient strength to be reasonably safe for the purpose used.
- 7)  The structure or any part thereof has been damaged by fire, water, earthquake, wind, vandalism, or other cause to such an extent that it has become dangerous to the public health, safety and welfare.
- 8)  The structure or any part thereof has inadequate means of egress as required by the City's Building Code.
- 9)  The structure does not have adequate light ventilation, or sanitation facilities as required by the City's Building Codes and Plumbing Code.

**The City further recommends that the Commission find that:**

- the building is occupied and poses a hazard to health, safety, or general welfare of the occupants and/or the general public and must be vacated.
- the accessory structure(s) is/are occupied and pose a hazard to health, safety, or general welfare of the occupants and/or the general public and must be vacated.
- the building is unsecured and must be boarded up and/or fenced in such a manner to prevent unauthorized entry by a person, including a child, through missing or unlocked doors or windows or through other openings into the building.

- the accessory structure(s) is/are unsecured and must be boarded up and/or fenced in such a manner to prevent unauthorized entry by a person, including a child, through missing or unlocked doors or windows or through other openings into the structure(s).
- the building may feasibly be repaired so that it is no longer in violation of City ordinances.
- the building may not be feasibly repaired in compliance with City ordinances.**

**The City recommends that the Commission issue an order to the owner, lienholder, or mortgagee to:**

- vacate the building within \_\_\_\_ days.
- secure the building  and accessory structure(s) from unauthorized entry within 30 days.
- demolish/remove the building within 30 days.**
- demolish/remove or  repair the building  and accessory structure(s) within \_\_\_\_ days, in accordance with the schedule below:

## B. FINDINGS

01. The structure or a part thereof has been damaged by fire, water, earthquake, wind, vandalism, or other cause to such an extent that it has become dangerous to the public health, safety, and welfare. I estimate that 100% of the structure is considered a loss.
02. The structure or a part thereof has deteriorated to such an extent that it has become dangerous to the public health, safety, and welfare.
03. The structure or a part thereof does not have adequate means of egress as required by the City's building code, and poses a danger in case of fire or panic.
04. The structure or a part thereof lacks necessary fire-resistive construction, and the threat of a fire in the structure poses a risk to inhabitants, neighboring structures, and fire department personnel.
05. Obsolete, damaged, or deteriorated electric wiring, gas connections, heating apparatus, or other mechanical infrastructure present a risk of fire.
06. The proximity of the structure or a part thereof to other structures on this or neighboring properties constitutes a fire hazard for the other structures.
