While responding to the complaint on that structure, it was also observed that the vacant structure at 508 W 22<sup>nd</sup> Street was in a dilapidated state and showed evidence of a rotten roof, open ceiling, and damaged siding.

A hold was placed on the utilities and an initial notice was mailed to the listed property owner on September 2, 2013. Staff never received plans or estimates for repairs, so the Chief Building Official requested that the property be scheduled for consideration by the Commission.
