

**BUILDING AND STANDARDS COMMISSION  
STAFF REPORT**

**August 25, 2014**

**Case #2043 – 1205 Lincoln Street**

**LEGAL DESCRIPTION:** Castle Heights, Block 22, Lot 12-18

**STRUCTURE(S):**

- single-family residence
- multi-family residence
- mixed use
- commercial
- accessory structure(s)

**PROPERTY OWNER(S):** Algie Davis

**LIENHOLDER(S)/**

**MORTGAGEE(S):** none

**IMPROVEMENT VALUE(S)**

**(AS APPRAISED BY THE  
BRAZOS COUNTY**

**APPRAISAL DISTRICT):** \$19,030 (2014 tax year)

**BACKGROUND:**

On March 5, 2012 City staff noticed the structure was vacant and in need of repair. A letter was sent to the owner of record on March 9, 2012 notifying the owner that the structure should be secured, that the city was removing the meter and service drop due to damage to electrical service, that the city was placing a hold on utilities for repairs, and that the owner needed to contact the City about repairs needed in order to get utilities back on. To date, the owner has not contacted city staff and the structure remains unsecured and in need of repairs.

**BUILDING AND STANDARDS COMMISSION  
STAFF RECOMMENDATION**

**August 25, 2014**

**Case #: 2043**

**Building Address: 1205 Lincoln Street**

**Record Owner(s): Algie Davis**

**The City's Chief Building Official has requested this Commission hearing to discuss the building and one accessory structure on this property, and all legal notices of the hearing were provided to record owners, lienholders, and mortgagees. They were also notified that if they wanted to repair the buildings and/or accessory structure they needed to meet with City staff and come to the hearing with a detailed plan for repairs, including cost estimates. Based on the surveys, reports, photographs, and other evidence provided to the Commission, the City recommends that the Commission find the building unsafe based on the standards set forth in Bryan Code of Ordinances Section 14-224 subsection(s):**

- 1)  The building, structure, or any part thereof is likely to partially or fully collapse.
- 2)  The structure or any part thereof was constructed or maintained in violation of any provision of the City's Building Code, or any other applicable ordinance or law of the city, county, state or federal government.
- 3)  One or more walls or other vertical structural members list, lean, or buckle to such an extent that a plumb line passing through the center of gravity falls outside of the middle third or its base.
- 4)  The foundation or the vertical or horizontal supporting members are twenty five percent (25%) or more damaged or deteriorated.
- 5)  The non supporting coverings of walls, ceilings, roofs, or floors are fifty percent (50%) or more damaged or deteriorated.
- 6)  The structure has improperly distributed loads upon the structural members, or they have insufficient strength to be reasonably safe for the purpose used.
- 7)  The structure or any part thereof has been damaged by fire, water, earthquake, wind, vandalism, or other cause to such an extent that it has become dangerous to the public health, safety and welfare.
- 8)  The structure or any part thereof has inadequate means of egress as required by the City's Building Code.
- 9)  The structure does not have adequate light ventilation, or sanitation facilities as required by the City's Building Codes and Plumbing Code.

**The City further recommends that the Commission find that:**

- the building is unsecured and must be boarded up and/or fenced in such a manner to prevent unauthorized entry by a person, including a child, through missing or unlocked doors or windows or through other openings into the building.**
- the building may not be feasibly repaired in compliance with City ordinances.**

**The City recommends that the Commission issue an order to the owner, lienholder, or mortgagee to:**

- secure the building from unauthorized entry within 30 days.**
- demolish the building and accessory structure and remove the debris within 30 days.**

**The City recommends that the Commission orders that the City may:**

- disconnect water and electric utilities to the building; and**
- secure the structure, demolish the building and accessory structure, and remove the debris in accordance with Chapter 14 of the City of Bryan's Code of Ordinances if the owner, lienholder, or mortgagee fails to comply with the Commission's order.**
