

This program was created to facilitate the needs of community members and to assist the Code Enforcement Departments of Bryan and College Station with minor Code Violations. Applicants should have their applications in by the 10<sup>th</sup> of each month to be considered for that month's project. Only one project per month will be awarded and will alternate between the two cities. We are currently seeking Civic Groups to adopt monthly projects. For more information on the Community Cares Program, please contact Amy Reed at [amyreed@keepbrazosbeautiful.org](mailto:amyreed@keepbrazosbeautiful.org) or 979-775-3569.
