Description

Construct 6' wide sidewalks w/ 4' buffer along one side of Esther between Twin Blvd and E. 29th Street; and on one side of Twin Blvd between Esther and Texas. Provide bike lanes (or shared use path) along Esther from Twin to Bennett.

Justification

There are no existing sidewalks along Esther, and lot of neighborhood children use Esther to either walk to school or wait for the school bus. Additionally, Blinn students use the route to walk to class. Since there are no sidewalks, it forces pedestrians to use the street which is a safety hazard. Additionally, vehicles park along Esther near the Blinn area which is also a safety hazard for pedestrians.
