

Capital Improvement Program

Project: SP_19_002

Project Name: Midtown Quiet Zone & RR Crossing Improvements

CIP Project: TBD

Location: Carson St & Dodge St

Council District: 1, 5

Type / Source: Special Projects

CIP Ranking: 10

Projected Cost Year: 2048

Projected Cost: \$1,400,000

Original Cost Year: 2018

Status: Unfunded

Description

This project is a continuation of the downtown quiet zone improvements and includes the implementation of railroad crossing safety measures and additional signalization per UPRR requirements.

Justification

Implementation will enable trains to go through the Midtown area without blowing whistles ahead of the intersections with Carson St and Dodge St. This will create a more pleasant and friendlier environment for living and entertainment in the Midtown as it undergoes major revitalization efforts.
