Develop the remaining 60 Acres of the BRAC property - The complex would provide 8 baseball fields, 3 football fields, and 4 soccer fields for different levels of play, concessions, playground, parking and associated facilities.

Justification

The City of Bryan is in need of a regional sports complex for our local teams and to be able to host regional and possibly State wide tournaments in the area. This not only provides quality facilities for our local citizens but has the potential to generate tax revenue from others outside the city that might come to our area for hosted venues.
