Description

Freedom Boulevard is a concrete roadway that is experiencing significant concrete panel movement causing poor ride quality. This project would reconstruct the divided roadway with raised medians and include landscaping and sidewalk amenities. The road section would be 20 feet of pavement in each direction with dedicated left turn lanes. Did some Concrete Rehab 2013.

Justification

Concrete pavement condition is poor and the roadway is a major collector shown on the Thoroughfare plan.. This roadway serves a major retail center containing Lowe's and Wal-Mart and multiple restaurants and smaller retail center.
