Traffic Signal at Texas @ M.L.King **Project Name:**

Texas @ M.L.King

Unfunded

CIP Project: N/A

Council District:

Type / Source:

1,2 Traffic Signals / MP

2007 0

CIP Ranking:

Projected Cost Year: 2022 **Projected Cost:** \$506,000

Status:

Original Cost Year: 2007

Description

This project includes complete replacement of this traffic signal, including a new controller, cabinet, mast arms, LED signals, pedestrian facilities, signals, detection, communication, illumination, confirmation lights, and roadway geometric improvements.

Justification

Because of the current lane configuration and age of the signal, this intersection is extremely inefficient. Replacing the signal has been identified as a high priority. Adding new technology would greatly enhance safety and operations at this intersection,
