**BOWIE SCHOOL RENOVATION
CHAPTER 380 ECONOMIC DEVELOPMENT AGREEMENT**

This Chapter 380 Economic Development Agreement (this "Agreement") is entered into by and between the CITY OF BRYAN, TEXAS, a home-rule municipal corporation organized under the laws of Texas (hereinafter referred to as "City"), and BRV PARTNERS, L.P., a Texas limited partnership (hereinafter referred to as "Developer").

WHEREAS, the City of Bryan, Texas ("City") is a home rule municipality which is duly incorporated and chartered under the constitution and laws of Texas; and

WHEREAS, the Texas Constitution prohibits any City, or other political subdivision, from lending its credit or granting public money to any individual, association or corporation whatsoever without a valid public purpose for doing so; and

WHEREAS, the Texas Constitution specifically states that economic development programs created pursuant to Chapter 380 of the Texas Local Government Code serve the public purpose of alleviating poverty, joblessness, economic blight, and provide other intangible benefits incidental to the development of the local economy; and

WHEREAS, the City and the community at large have gone through numerous efforts to restore Downtown Bryan and the vicinity in order to increase residential, retail and commercial activity, add property value to enhance tax revenue, and to improve the overall atmosphere of the City; and

WHEREAS, Developer acquired property formerly comprising Bowie Elementary School at the intersection of W. 26th Street and S. Sims Avenue which includes the former school building which is presently in a decaying and unusable condition; and

WHEREAS, Developer's proposed plans for the property at the intersection of 26th Street and Sims Avenue will remove urban blight and provide development that accomplishes the City's goals for the downtown Bryan vicinity as per its comprehensive plans; and

WHEREAS, the City Council determines that this Agreement will encourage similar development and removal of urban blight, thus raising property values and increasing the customer base for downtown stores and restaurants and finds that it is in the City's best interest to enter into this agreement to assist in the rehabilitation, renovation and adaptive reuse of the former school building and grounds; and

NOW, THEREFORE, for and in consideration of the premises and mutual covenants and promises hereinafter set forth, the Parties agree as follows:

Article I. Definitions

Wherever used in this Agreement, the following terms shall have the meanings ascribed to them:

"Ad Valorem Tax Revenues" means the amount of Real Property Taxes collected by the City on the Property, a portion of which will be repaid to Developer in the form of Chapter 380 Payments.

"Affiliate" means any person or entity which directly or indirectly controls, is controlled by or is under common control with Developer, during the term of such control. A person or entity will be deemed

to be “controlled” by any other person or entity if such other person or entity (a) possesses, directly or indirectly, power to direct or cause the direction of the management of such person or entity whether by contract or otherwise, (b) has direct or indirect ownership of at least fifty percent (50%) of the voting power of all outstanding shares entitled to vote at a general election of directors of the person or entity or (c) has direct or indirect ownership of at least fifty percent (50%) of the equity interests in the entity.

“Bankruptcy or Insolvency” shall mean the dissolution or termination of a Party’s existence as a going business, insolvency, appointment of receiver for any portion of the Property owned by Developer or a material part of a Party’s property and such appointment is not terminated within ninety (90) days after such appointment is initially made, any general assignment for the benefit of creditors, the filing of a voluntary petition for bankruptcy protection by a Party, or the commencement of an involuntary bankruptcy proceeding against such Party, and such proceeding is not dismissed within ninety (90) days after the filing thereof.

Such amount shall be calculated based upon the Incremental Taxable Value for each year of the Agreement, unless otherwise provided herein.

“Commencement of Construction” means that: (i) the plans have been prepared and all approvals thereof required by applicable governmental authorities have been obtained for construction of the Project; and (ii) all necessary permits for the construction of the Project, pursuant to the plans therefor have been issued by all applicable governmental authorities.

In recognition of the fact that the Chapter 380 Payments by necessity are calculated and paid after taxes have been assessed and paid to the City, and therefore always run in arrears, the term of this Agreement shall be deemed to be extended for the time necessary to make any payments otherwise due and payable to Developer which extend beyond the original term of the Agreement.

“Facility” shall mean the former school building located on the Property.

In no event shall Force Majeure include Developer's financial inability to perform or Developer's inability to perform as a result of changes in market conditions.

“Incremental Taxable Value” means the Taxable Value for the Property as of January 1st of a given year less the Base Year Taxable Value.

“Maximum Reimbursement Amount” means an amount equal to the sum of ONE HUNDRED SEVENTY-FIVE THOUSAND DOLLARS (\$175,000.00).

2.7 Developer agrees to pay all ad valorem taxes and assessments owed to City prior to such taxes and/or assessments becoming delinquent. Developer shall have the right to contest in good faith the validity or application of any such tax or assessment and shall not be considered in default hereunder so long as such contest is diligently pursued to completion. In the event that Developer contests such tax or assessment, all uncontested taxes and assessments shall be promptly paid to City prior to delinquency. If Developer undertakes any such contest, it shall notify City and keep City apprised of the status of such contest. Should Developer be unsuccessful in any such contest, Developer shall promptly pay all taxes, penalties and interest resulting therefrom.

Article III. City Obligations

3.1 During the term of this Agreement, the City agrees to waive, as Fee Waiver Incentives, up to \$25,000.00 in permit fees for the Project charged for building, electrical, mechanical, or plumbing permits. This waiver shall not include any fees, deposits, or charges not listed above.

3.2 City will provide the Cash Incentive.

a. Subject to the terms and conditions of this Agreement, and provided that the Taxable Value for the Property is at least THREE MILLION DOLLARS (\$3,000,000.00) additional value above Base Year Taxable Value beginning January 1st following the First Year of Cash Incentives and as of January 1st of each year thereafter this Agreement is in effect, City hereby grants an annual Cash Incentive to Developer in the following amounts expressed as a percentage of tax revenue actually received by the City attributable to the Incremental Taxable Value in the calendar year immediately preceding the year in which a Chapter 380 Payment is requested.

c. City will remit the annual Cash Incentive to Developer within 60 days of Developer's written request for that year's Cash Incentive along with copies of tax receipts showing that Developer's tax payments are current (Payment Request).
