Executive Summary

AP-05 Executive Summary - 24 CFR 91.200(c), 91.220(b)

1. Introduction

The U.S. Dept. of Housing and Urban Development (HUD), through a consolidation process, brings together requirements of the National Affordable Housing Act of 1990 and the Housing and Community Development Act of 1992 into one plan called the Consolidated Plan for Housing and Community Development. Referred to as the "Consolidated Plan," it combines the former Comprehensive Housing Affordability Strategy (CHAS) with the planning and application requirements of four entitlement grant programs. The Community Development Block Grant and HOME Grant provide Bryan with annual financial resources to achieve strategies developed in the planning process. Following is a list and brief description of the four entitlement programs involved in the consolidation process.

- Community Development Block Grant (CDBG) is a formula-based program designed to develop viable urban communities by providing adequate housing, a suitable living environment, and expanding economic opportunities for persons of low and moderate income.
- Emergency Solutions Grant (ESG) is a formula-based program targeted at improving the lives and safety of persons who are homeless or at risk of becoming homeless.
- HOME Investment Partnerships Program (HOME) is a formula-based program for expanding and improving the supply of decent, safe and affordable housing for very low and low income persons.
- Housing Opportunities for Persons with Aids (HOPWA) is a formula-based program targeted at improving housing for persons suffering from AIDS.

The City of Bryan does not receive the HOPWA nor ESG grants. The local non-profit homeless shelter provider, Twin City Mission - as the local lead Continuum of Care agency - traditionally applies for ESG funds through the Texas Department of Housing and Community Affairs. The City became a Participating Jurisdiction with HUD in 1995, which allows the City to receive HOME funding on an annual basis. Currently, the City uses CDBG funds to help the homeless and persons with HIV/AIDS, and through working with local partners Project Unity and Twin City Mission who have been recipients of HOPWA and ESG.

The 2019 Annual Action Plan (AAP) is a coordinated approach to address Bryan's housing and community development needs. It is the fifth and final AAP to be developed by the City under the current 5-Year Consolidated Plan. The goal of this collaborative planning process is to integrate economic, physical and human development needs in a comprehensive and coordinated manner so that families, neighborhoods, and community interests can work and continue to improve quality of life for all Bryan citizens.

This approach eliminates duplications in preparing separate grant reports and requiring multiple planning, development and citizen participation meetings throughout the year. It also utilizes a single application and a single computerized reporting process. Ultimately, the Consolidated Plan allows the City of Bryan, its partners, providers and citizens the opportunity to create a unified vision for the community.

The 2019 AAP covers the time period from October 1, 2019 through September 30, 2020 and describes how federal resources will be used during this period to address community needs. The City has been notified by the U.S. Department of Housing and Urban Development (HUD) that the following funds will be available:

- \$848,059 in Community Development Block Grant Funds (CDBG)
- \$494,864 in CARES Act Grant Funds (CDBG-CV) as amended
- \$603,226 in CARES Act Grant Funds (CDBG-CV3) as amended
- \$339,499 in Home Investment Partnership Funds (HOME)

The City will also generate approximately \$19,000 in CDBG program income during the 2019 program year. The primary sources of program income are loan repayments through CDBG housing activities. Housing program income is utilized for housing activities. Although there may be crossover from one program year to the next, most anticipated projects are expected to be completed within the program year. The City also anticipates \$65,000 in HOME program income generated from housing activities.

The 2019 AAP has several purposes:

- Review community needs and priorities for addressing those needs as identified in the 2015-2019
 5-Year Consolidated Plan (CP),
- Report objectives and outcomes identified in the CP,
- Describe activities to be undertaken during the 2019 program year, using federal dollars to address those needs, and
- Report amount and type of private funds that will be leveraged through the use of these federal dollars.

The 2019 AAP also serves as the City's application to HUD for these funds. The objectives and activities established in this plan also provide a framework for assessing the City's performance in achieving its overall community development goals.

2. Summarize the objectives and outcomes identified in the Plan

This could be a restatement of items or a table listed elsewhere in the plan or a reference to another location. It may also contain any essential items from the housing and homeless needs assessment, the housing market analysis or the strategic plan.

Following are the adopted goals, objectives, strategies and performance goals as outlined in the City of Bryan's 2015-19 CP:

Homelessness

- Provide technical assistance and/or funding to reduce homelessness through these agencies for an estimated 100 person over the next 5 years.
- Facilitate the funding process for eligible agencies that provide primarily homeless or at risk families/individuals shelter, self-sufficiency programs and case management. These programs will provide assistance to an estimated 100 persons annually.
- Coordinate efforts between groups to encourage 20 homeless persons annually to receive education on homeownership.
- Provide partners information through available avenues such as email, workshops and public meetings to increase financial capacity with a goal of 1-2 resources provides annually.
- Obtain information to be utilized locally by identifying 3-4 homeless coalitions annually to obtain information on successful models that encourage financial and administrative capacity of the organization.

Other Special Needs

- Provide funding and technical assistance through the City's Housing Assistance programs, including: minor repair program; major rehabilitation/reconstruction program; housing development program; and coordination with nonprofit housing developers and organizations for safe affordable housing.
- Partner, through funding and/or technical assistance, with agencies providing supportive social and health services to special needs populations including the: elderly; disabled (mental/physical and developmental); HIV/Aids patients; and those with alcohol/drug addictions.
- Coordinate efforts to address, through technical assistance, housing needs of specific special needs populations, such as mentally disabled, those outside the City's funding process, and with local partners seeking to provide housing and supportive services.
- Provide technical assistance and/or funding to agencies which provide services to children with disabilities.

 Assist public housing residents through technical assistance with their housing and supportive service needs to achieve self-sufficiency to reduce dependency on federally assisted public housing.

Affordable Housing

- Assist with 20 annual minor repairs, including volunteer sweat Equity (provide supplies only)
 and/or minor repairs that include both labor/materials for electrical, mechanical, and/or
 plumbing upgrades or other approved minor renovations that address health and safety of the
 home environment.
- Partner with developers to initiate new affordable housing production encouraging decentralization of low- to moderate-income neighborhoods by providing support services for a minimum of 3 developers annually.
- A minimum of 15 homes will have been assisted through the major rehabilitation/reconstruction housing assistance program for the 5-year period.
- Partner with existing city departments, including code enforcement, fire, development services, and police to provide education and information to residents regarding code issues. Fund, when appropriate, the demolition of 2 houses bi-annually, or 4 over the 5-year period.
- Provide a Request-for-Proposal process at least every 2 years to increase the availability of new construction by existing eligible CHDO's.
- Provide 10 first time home buyers down payment assistance through the Home Buyer's Assistance program annually or 50 for the 5-year period.
- Attend meetings of other entities such as Bank on Brazos Valley, Habitat, and Project Unity's
 Community Partnership Board, to provide technical assistance on how to obtain down payment
 assistance, communicate financial requirements and coordinate efforts. Attend 4 meetings
 annually to provide other providers information or provide low and moderate income individuals
 education on home buying or financial coaching.
- Attend 4 meetings annually or 20 meetings for the 5-year period with other entities to encourage financial capacity and homeownership.
- Guidance and information provided to 3 developers annually or 15 for the 5-year period to encourage rental rehabilitation and new production.
- Seek new production or rental rehabilitation of 2 units bi-annually or 4 for the 5-year period.
- Collaborate with at least 2 non-profits annually or 10 for the 5-year period that provide rental vouchers or seek to provide rental assistance to low- and moderate-income persons.
- Provide technical assistance for funding resources and/or application processes for a minimum of 2 financial resources annually or 1 for the 5-year period.
- Provide technical assist to nonprofits and/or developers for 1 new housing development for the 5-year period.

Non-Housing Community Development Needs

- Allocate 15% of CDBG annually to provide technical assistance and/or potentially fund up to 12
 eligible agencies through a joint process with the City of College Station (Bryan funds
 approximately 6 agencies annually). Estimated targeted population 3,500 clients served annually.
- Provide a minimum of 2 workshops annually for potential sub-recipients and quarterly monitoring for funded agencies.
- 3,500 unduplicated clients annually who will receive services from these service providers.
- Provide for an annual public facility grant process for eligible nonprofit agencies to seek funding to increase access to services. An estimated 1,000 clients to benefit from a funded public facility project, 1 public facility project targeted for the 5-year period.
- Information will be provided annually to an estimated three (3) different service providers seeking public facility funding.
- Quarterly monitoring will be conducted during the funded year and annually for 5 years after the
 end of the contract year for funded public facility projects, with an estimated 1,000 unduplicated
 served per project.
- An annual public facility process will be available for CDAC to consider grant applications and staff
 recommendations depending on eligibility of the project and funding availability. Estimated 1
 park improvement or recreational facility for the 5-year period.
- Provide technical assistance to nonprofits seeking outside funding to increase access to services for low and moderate income and special needs populations utilizing local parks.
- Technical assistance provided annually to at least 2 organizations that provide neighborhood clean-up, provide crime awareness and education to persons residing in low- and moderate-income areas or spot slum/blighted areas.
- Consider funding for 1 public infrastructure project for the 5-year period.
- Provide assistance to 1 economic development activity annually through local fairs, workshops, think tanks, or meetings to increase job opportunities and financial education. If gap financing is provided to development of small business create 1 new job for every \$35,000 expended.
- Provide technical assistance to non-profit and for-profit providers who assist job seekers and provide training and education to improve job and financial life skills by workshops, meetings, and fairs at least 2 annually.

3. Evaluation of past performance

This is an evaluation of past performance that helped lead the grantee to choose its goals or projects.

As an Entitlement City and Participating Jurisdiction for many years, the City of Bryan has developed programs, procedures, and processes to effectively direct grant resources to identified needs. Under the direction of the Community Development Advisory Committee (CDAC) and the Bryan City Council, and in

consultation with HUD's Office of Community Planning and Development Office in Houston, the City has adopted a formalized process by which annual goals and objectives are achieved.

Previous program experiences allow staff to identify and replicate successes in promotion of CDBG and HOME grant goals and objectives. Accordingly, the following program accomplishments for the most recently completed five year Consolidated Plan period (2010-14 CP) have provided guidance to Council and staff in choosing goals and projects found in the current Consolidated Plan.

Decent Housing

- 100 homeowners received minor home repairs
- 15 owner-occupied units rehabilitated or reconstructed
- 5 rental units constructed
- 50 down-payment assistance loans provided
- 100 educated on purchasing homes through other entities
- 15 developer provided technical assistance on rehabilitation or new construction of rental properties
- 15 developers provided technical on new construction for owner occupied and rental properties
- 2 agencies provided technical assistance in increasing rental housing vouchers assistance
- 500 homeless persons provided housing and supportive services

Suitable Living Environment

- 3,500 persons annually or 14,000 for the 5-year period assisted by public service agencies
- 15 persons annually or 75 for the 5-year period with special needs assisted with housing and supportive services
- 10 to 15 (annually) agencies assisted with education to potential sub-recipients of grant funding
- 60 public service agencies assisted with expansion or increased access
- 1 non-profit agency assisted with a public facility project
- 1 city park improvement project
- 1 city infrastructure improvement project

Expanded Economic Opportunities

- 15 businesses assisted (technical assistance) with economic development and job creation
- 3 organizations annually or 15 over the 5-year period that provide financial literacy/coaching serving 100 clients per annually will receive technical assistance.
- 3 annually or 15 organizations that provide job training, life skills, or assist in increasing living wage serving 1,000 over the 5-year period will receive technical assistance.

Following are the most recent accomplishments reported in the City's 2017 Consolidated Annual Performance and Evaluation Report (CAPER):

Housing

- Rehabilitation, reconstruction, and minor repair completed on 52 private residential structures.
- 12 clients received homebuyer counseling and down-payment assistance for home purchases.
- Provided technical assistance to 8 different private developers (6 for-profit and 2 non-profit) of affordable housing. Technical Assistance was provided to Habitat for Humanity who built and sold multiple homes, and Elder-Aid, a city certified CHDO, who also received funding for development of housing for senior citizens.
- Assisted Bryan Housing Authority by reviewing their Budget and Annual Plan for consistency with the City's Consolidated Plan.
- Assisted the Brazos Valley Coalition for the Homeless (BVCH) on the Continuum of Care and assisted other agencies through BVCH.
- Assisted Brazos County Home Repair Coalition Area and with the Decent, Affordable Safe Housing (DASH) Committee to eliminate substandard and/or dilapidate houses and promote new affordable housing development.

Public Services

These agencies, funded by the City in this reporting period, met the objective category of suitable living environment and outcome category of availability/accessibility:

Bryan Parks and Recreation Summer Camp - served 481 clients.

Family Promise Support Services - served 132 clients.

Twin City Mission, The Bridge Case Management - served 698 clients.

Catholic Charities of Central Texas - served 371 clients.

Brazos Valley Rehabilitation Center Case Management - served 219 clients.

Public Facilities and Code Enforcement

- B-CS Community Health Center (a past Section 108 facility) previously funded by the City, reported approximately 12,500 clients served.
- Code enforcement efforts by the City (general funds) resulted in 3,835 code enforcement actions.

Economic Development

• The City and other agencies provided workshops and individual counseling on economic development programs and other economic assistance such as the City's Economic Development

Office, the Brazos Valley Council of Governments, and the Brazos Valley Small Business Development Center, to assist business owners with development and financing.

Fair Housing

- The City's Community Development Services Department (CDS) participated in multiple public
 activities to promote Fair Housing and Equal Opportunities, to include public hearings, radio and
 television advertisements, and Fair Housing presentations to citizens. Provided for citizen input
 through 4 public hearings at 2 separate advisory committee meetings.
- Provided FHEO information at 18 unique events, including: regional health and program fairs; internet/webpage PSAs; public hearings; interfaith community presentations; online surveys; and other city and non-profit informational functions.

Other

- Staff provided technical assistance to multiple (non-PSA funded) agencies in advancement of community development goals and objectives
- Prepared and submitted the 2018 Annual Action Plan
- Revised and updated the City's Fair Housing Plan

4. Summary of Citizen Participation Process and consultation process

Summary from citizen participation section of plan.

Planning for the 2019 Annual Action Plan (AAP) began early in the program year when the Community Development Advisory Committee (CDAC) held numerous public meetings (October 11, 2018, November 8, 2018, March 21, 2019, April 10, 2019, May 21, 2019 and June 27, 2019) in order to develop Bryan's 2019 AAP. Two of the public meetings (March 21st and June 27th) included public hearings, presentations and discussion on the CDBG and HOME grant allocations for the proposed 2019 AAP and those same meetings also included public hearings to provide information and receive comments related to Fair Housing and Affirmative Marketing issues in Bryan. The June 27, 2019 meeting began a 30-day public comment period, which ended July 29, 2019. There were also multiple Joint Relief Funding Review Committee (JRFRC) meetings held jointly with the City of College Station to provide information, receive and review applications, and accept public input related to public service funding in the community. Public service applications were solicited and received between January 18, and March 8, 2019. Pre-proposal workshops were held on January 18 and February 1, 2019 and another seven public JRFRC meetings were held on the following dates: March 28, 2019, April 4, 2019, April 11, 2019, April 22, 2019, May 3, 2019, May 9, 2019, and May 15, 2019 to review and recommend funding to public service agency programs. See amended listings in "Attachments/Appendices" with CARES Act related amendment public notices, surveys, new articles, and other public outreach efforts added in 2020 and 2021 to inform the public and receive comment on the use of CDBG-CV and CDBG-CV3 funds received for use addressing the Coronavirus Pandemic locally.

This document updates and commits to the 5-Year CP which includes an assessment of housing and homeless needs, a housing marketing analysis, a 5-year strategic plan, and monitoring standards and procedures to ensure compliance with program requirements. The CP's Strategic Plan describes priorities and strategies (measurable goals) for addressing community needs concerning affordable housing, homelessness, needs of special populations, and non-housing community development needs. The 2015-19 CP was adopted by the City of Bryan Council on July 28, 2015. On April 11, 2019, during a public meeting, staff and CDAC reviewed the estimated general project allocation recommendations for the 2019 AAP. Subsequently, at its June 27, 2019 meeting, the CDAC held public hearings for the 2019 AAP, provided for the beginning of a comment period, and reviewed the draft 2019 AAP. It was determined that the 2019 AAP, and all described therein, be forwarded to the Bryan City Council for action. The Bryan City Council approved the 2019 AAP at its July 9, 2019 regular meeting.

A list of proposed activities was published in the *Bryan/College Station Eagle* on June 11, 2019, exceeding the 15-day notice requirement for the public hearing held on June 27, 2019. The June 27th public meeting began the required 30-day comment period. Citizen comments on the proposed 2019 AAP were accepted through July 29, 2019 (see Attachments).

Public service announcements (PSAs) were also provided to and published by the 211-Texas non-emergency help-line, and the Community Partnership Board (representing over 80 local service providers). Additionally, PSAs were linked to on the City of Bryan's website, the CDS Dept. webpage, on the city's informational television station (Channel 16), and on social media like YouTube. Finally, similar information was also forwarded to local radio and television stations to be aired in their community information slots.

Citizen Participation Plan

The City of Bryan, in accordance with 24 CFR 91, has an established Citizen Participation Plan to provide citizens with opportunities to provide input on local needs and participate in the development of the 5-Year Consolidated Plan and the Annual Action Plan (see Attachments).

5. Summary of public comments

This could be a brief narrative summary or reference an attached document from the Citizen Participation section of the Con Plan.

March 21, 2019 Public Hearing Comments

Lauren Burge (BV Foodbank–via email) said the Foodbank strongly supports earmarking 15% of grant for public services and that funds enable nonprofits to meet needs. She reported funds supplement other dollars, maximizing effectiveness and that the allocation process is rigorous, fair, and based on need and merit. She reported that CDBG public service funds are supporting the Food Bank's *Together We Grow*

program, to empower unemployed or underemployed to set goals to move from food insecure to secure. CDBG makes this possible. She then thank CDAC and staff for past support.

Bill Kelly (MHMR Authority of BV–via email) thanked the City for its participation in CDBG funds for community needs. He encouraged the City to continue to continue allowing 15% of funds to be designated for public service programs and noted the funding is important as nonprofits see funding declines in other sources. He said without the funding, programs needed by citizens would either have to be reduced or eliminated altogether.

John Paci (Catholic Charities of Central Texas, CCCT-via email) reported CCCT supports the City allocating 15% CDBG funds to public services, as funding is crucial to vulnerable populations. Using CDBG funds, CCCT has provided assistance to hundreds of local households to help them remain in their homes with utilities connected. CCCT's experience assisting lower-income families demonstrates a continued need for rental and utility assistance.. CCCT commends the City's commitment to make the community livable for all persons and for investing in local agencies meeting urgent needs.

Alina Fifer (BV Rehabilitation Center—via email) thanked the leadership and staff of both cities for their commitment to improve lives of citizens through sound and careful decisions, well planned processes, and excellent stewardship of resources. She said, as a CDBG grant recipient, the BV Rehabilitation Center sees decisions in action daily, improving lives of citizens, thanks to the important work carried out by the cities.

Lynne Yeager (Prenatal Clinic) thanked staff and CDAC for making the public service agency process possible. She asked CDAC to recommend 15% of the grant for public service programs and then described the uses of CDBG funds in providing services to Prenatal Clinic clientele, saying the services were critical to patients and that the Prenatal Clinic appreciated the CDAC's consideration.

Thomas Sanders (Bryan Parks and Recreation) said the City's Summer Parks Program use CDBG funds to serve disadvantaged youth, providing positive roll-models and team building activities. The program coordinates with BISD to provide free lunches, and recreational activities and is promoted to lower-income neighborhoods with activities in 5 parks. Mr. Sanders commended CDAC and recommended 15% of CDBG be available to public service programs. He thanked CDS Dept. management and staff for past assistance and support.

Darius McCoy (Bryan Citizen) commented that housing and employment opportunities were difficult to obtain for citizens with felony convictions.

Dorothy Nevill (Twin City Mission - via email for March 2019 public hearings - received late, presented at CDAC's April 10, 2019 meeting) thanked CDAC for their service and recommended 15% of CDBG funds for local agencies. She said CDBG funds TCM's case management for emergency shelter clients (70 to 75 nightly). Clients achieve self-sufficiency by case management and client assistance (i.e., obtaining birth

certificates, driver's license, medications). Ms. Nevill said staff are trustworthy and capable and always available to help with application and compliance processes.

Online 2019 Needs / Public Comment Survey

Online 2019 Needs / Public Comment Survey Results:

The highest rated survey results for housing and non-housing needs included: need for special needs housing (elderly, disabled, etc.); homeowner housing repair assistance; clearance/demolition; infrastructure improvements (streets, sidewalks, drainage); health services; social services; and technical assistance to businesses for job creation. The next highest rated survey results included: emergency transitional and permanent/long-term housing for the homeless; homebuyer assistance; park improvements; non-profit public facility improvements, and; code enforcement. There were no responses to Fair Housing questions.

June 27, 2019 Public Hearing Comments

Bill Kelly (MHMR Authority of BV – via email) thanked the City and CDS Office for applying for CDBG funds and expressed support for the 2019 AAP and its funding recommendations. He encouraged continued participation in CDBG and recommended 15% of CDBG funds be designated for Public Services. Mr. Kelly stressed the importance of CDBG funding to local non-profit programs and that, otherwise, services needed by citizens would be reduced or eliminated. He also thanked the CDAC and JRFRC committee members for their dedication and efforts.

Kate Mason (Unlimited Potential – via email) said that the UP program is appreciative of the commitment by the cities of Bryan and College Station to make 15% of CDBG funds available for public service agencies serving low-income citizens and that, as a funded agency, wished to express gratitude for the funding for the coming fiscal year.

Lauren Burge (BV Food Bank – via email) expressed gratitude for the City's CDBG funds and that the BV Food Bank strongly supports continuing 15% allocations of CDBG funds for Public Services. She said funds enable non-profits to provide needed local programs by supplementing other dollars and maximizing effectiveness of programs. Ms. Burge said the allocation process is rigorous, fair, based upon need and merit, and that 2019 CDBG funds will allow the Food Bank's *Together We Grow* program, to help local citizens move from food insecure to food secure.

Lynne Yeager (Prenatal Clinic) reminded attendees that the clinic occupies a CDBG funded facility and that it allows hundreds of patients to be served during approximately 4,000 visits annually. CDBG allows medical supplies, procedures, and laboratory services to be made available to lower-income clients and

that CDBG is important delivery of these services. Ms. Yeager also recommended 15% of CDBG funding be allocated to local public services agency programs.

Alina Fifer (BV Rehabilitation Center) said that the Rehabilitation Center has received CDBG funds for several years and that fewer lower-income clients would be able to benefit from their care and services without the grant funds. She also noted that, without CDBG grant funds, many local non-profit programs would not be as available to the low-income community. Ms. Fifer finalized her comments by recommending that the City continue to make 15% of CDBG funds available for local non-profit programs and she thanked the City and CDAC members for their efforts.

Carolyn Brown (Brazos County Health District) indicated that this is the Brazos County Health District's first time to received CDBG funds. The District identified a need for family planning services and noted that approximately 50% of their clients have no health insurance. Ms. Brown thanked city staff and CDAC committee members for their efforts and for the recommended CDBG funding.

Manuelita Meyers (Catholic Charities of Central Texas) said that CDBG funds are crucial to local agencies in their efforts to assist vulnerable populations and that CCCT receives thousands of calls annually from local families needing housing and utility bill assistance. She noted that for families to meet their potential, basic needs like housing must first be met. This improves their ability to focus on employment and other needs. Ms. Meyers said CCCT is honored to be recommended for PY2019 CDBG funds and commended the City for its commitment to the community and its citizens.

Public Comments Received During the 30-Day Public Comment Period

Charlotte Allen (Bryan Citizen) wanted funds set aside for those in Wheeler Ridge affected by the tornado in May 2016. She indicated that many people were still struggling with repairs not covered by insurance or FEMA. She said she was not aware of anyone receiving help from FEMA and that she was personally turned down by SBA for a low cost loan for needed repairs.

James Johnson (Bryan Citizen and CDAC member – at June 9, 2019 Council "Hear Citizens") said grant funds have made a significant difference in the community and asked that Council be proactive in support of the 2019 AAP. He said that Council's efforts will stop proverbial mole-hills from becoming mountains requiring more resources, time, energy and effort to deal with later. Mr. Johnson closed his remarks by again asking Council to support the proposed 2019 AAP.

Andy York (Bryan/College Station Habitat for Humanity – at June 9, 2019 Council "Hear Citizens") thanked the City of Bryan's Community Development Services Department for its efforts and the proposed 2019 AAP budget. He reported that resulting efforts change lives and make a difference for Bryan citizens, resulting in better living conditions and more affordable housing.

Ginny Smith (Bryan Citizen and CDAC member – at June 9, 2019 Council "Hear Citizens") said she had the pleasure of serving on CDAC and was impressed at CDAC's efforts ensuring grant funds are carefully used to benefit Bryan residents and the various local agency programs supported by these funds (MHMR of BV, Unlimited Potential, BV Food Bank, and Prenatal Clinic listed as examples). Ms. Smith then asked that Council approve the proposed 2019 AAP.

6. Summary of comments or views not accepted and the reasons for not accepting them

All comments received during public meetings, public hearings, and during the 30-day public comment period were accepted and are summarized in this section.

7. Summary

The 2019 Annual Action Plan (AAP) addresses needs and priorities as set forth in the 2015-19 Consolidated Plan. Public input received during the AAP planning process has been used by staff, the city's advisory committees, and by the Bryan City Council in development of the 2019 AAP. Through this plan, the City of Bryan will continue to provide for decent housing, a suitable living environment, and expanded economic opportunities for its citizens.

NOTE: See CARES Act and COVID-19 necessitated additional public hearing, surveys, outreach, and comments received in the 2019 AAP Attachments to satisfy the **PY2019 Bryan CARES Act Substantial Amendment of June 2020 and Modifications of January 2021**, which was adopted to address corona virus impact locally.

On April 16, 2020 and May 6, 2020 the CDAC provided online, virtual public forums for discussion and public hearing of the Community Development Services Department's consideration of substantially amending its 2019 AAP to address local needs resulting from the COVID-19 pandemic using CDBG-CV funding. Similarly, hearings were held to, later, use CDBG-CV3 funding awarded later in 2020. Virtual hearings were announced on the City of Bryan's Community Development Services Department homepage, the City's YouTube and Facebook pages, on local television and radio, in the local newspaper, and various other venues like United Way of the Brazos Valley and the local Community Partnership Board.

Comments and survey results for the first allocation of CARES Act funding (CDBG-CV) and were considered as part of the planning and amendment processes and amendment recommendations for the 2019 AAP. On May 18, 2020 the Bryan City Council held a virtual public meeting where the Bryan 2019 AAP CARES Act Substantial Amendment was approved and adopted. The City Manager was designated the authorized signature authority for all related and required documents.

Later in December of 2020, the second allocation of CARES Act funding for the City (CDBG-CV3) were announced considered as part of the planning and amendment processes and amendment recommendations for the 2019 AAP and virtual public hearings were held on November 19 and December 10, 2020 to inform the public and to receive public input on use of CDBG-CV3 funds. On January 12, 2021 Council again met and the additional CDBG-CV3 for the Bryan 2019 AAP CARES Act Substantial Amendment was approved and adopted. The City Manager was, again, designated the authorized signature authority for all related and required documents.

Narrative (optional)

The City of Bryan is a Home Rule City with a Council/Manager form of government. The lead entity responsible for overseeing the development and process of the Consolidated Plan (CP) is the City of Bryan Community Development Services Department (CDS). The CDS Manager reports to the Deputy City Manager. The Deputy City Manager reports directly to the City Manager. The City Manager, or his appointed designee, through Resolution is designated by the City Council as the city's Certifying Officer for Community Development activities. As needed, the CDS office coordinates with other various city departments in the process of administering grant funded activities.

AP-10 Consultation - 91.100, 91.200(b), 91.215(l)

1. Introduction

Similar to its efforts for the 2015-19 CP, the City of Bryan Community Development Services (CDS) Department utilized an inclusive approach to solicit participation by local and regional providers of housing, health, and human services assistance. Multiple online and in-person comment and survey opportunities were available, as well as public meetings, public hearings, and workshops, in which agencies, elected officials, coalition members, city departments and other stakeholders could provide input into the City's 2019 AAP. Consultation took place with multiple offices and agencies on: needs, goals, objectives, funding allocations, and Fair Housing activities, as well discussions with providers addressing: homelessness, public and subsidized housing, HOPWA needs, lead-based paint issues, and regional needs.

Provide a concise summary of the jurisdiction's activities to enhance coordination between public and assisted housing providers and private and governmental health, mental health and service agencies (91.215(I))

The City of Bryan CDS Department regularly involves local public and assisted housing providers and private and governmental health, mental health and service agencies in its AAP planning process. Additionally, the Bryan City Council delegates to the Community Development Advisory Committee (CDAC), the responsibility to review, advise and recommend funding allocations and program details to Council and staff. The CDAC is an advisory committee comprised of seven council appointees that hold regular public meetings and required public hearings for federally funded activities. To maximize access to Bryan's lower-income communities, CDAC regularly schedules meetings in a variety of lower-income neighborhoods.

The Cities of Bryan and College Station (neighboring cities) also jointly manage the Joint Relief Funding Review Committee (JRFRC), a citizen committee appointed by both city councils, to better prioritize needs, evaluate agency programs, and recommend allocation of grant funds — all in an effort to promote efficiencies and eliminate duplication among health and human service providers.

The City is also represented on the Brazos Valley Coalition for the Homeless (BVCH) by having CDS staff serve on the coalition. Participation in the homeless coalition's annual Point-in-Time homeless count and other related HMIS (Homeless Management Information System) actions enhance success of delivered services. CDS staff also coordinates regularly with the local public housing affiliate, to include review of the public housing authority's budgets, construction efforts and applications for Certifications of Consistency with City of Bryan annual and 5-year planning goals. The CDS Office also reviews and support various grant and other funding applications initiated by the Bryan Housing Authority.

City staff serve on and/or is active in multiple other private and governmental entities that serve lower-income populations, to include: United Way of the Brazos Valley, Bank on Brazos Valley, and the Community Partnership Board which represents approximately 80 local housing, health and human services providers. The City of Bryan Community Development Services Department prepared and made available public service announcements about the 2019 AAP specifically for United Way of the Brazos Valley's 211-Texas Resource Coordinator and for the Community Partnership Board's agency members. The public service announcements provided information on the city's 2019 AAP and on upcoming public hearings, and invited participation and public input at the hearings.

City staff regularly reviews and provide consultation, analysis and, when appropriate, support to various types of affordable and accessible housing, to include proposed Housing Tax Credit projects, Habitat for Humanity programs and developments, and CHDO projects within the city limits of Bryan.

Describe coordination with the Continuum of Care and efforts to address the needs of homeless persons (particularly chronically homeless individuals and families, families with children, veterans, and unaccompanied youth) and persons at risk of homelessness.

Over approximately seventeen years, several area agencies including Bryan's CDS Department, have worked to address homeless needs. The city's CDBG funds are available, through an annual application process, to meet health and human service needs, including those addressing homelessness. Additionally, the City coordinates with Twin City Mission and Project Unity in support of applications for ESG and HOPWA funds to meet homeless needs locally. The City is also a member of the Brazos Valley Coalition for the Homeless (BVCH).

In 2001, initial efforts on a Homeless Gap Analysis took place between BVCH and its member agencies serving the area homeless. Through a data gathering process, statistics were used to help identify service "gaps". Based on the results and with assistance from Enterprise Foundation, homeless priorities were updated. Afterwards a workshop was held to strengthen and streamline the Continuum of Care (CoC) system using feedback from HUD on the 2000 CoC application.

Subsequently, BVCH has conducted regular homeless surveys to gather information on needs with which to do gap analysis updates. In 2005, BVCH performed their first "Point-in-Time" count. During development of the 2015-19 CP, the City solicited information from local agencies at two city-sponsored workshops to ascertain needs for persons at risk of homelessness. Agencies were asked multiple questions related to homeless needs. The most underserved groups, as reported by providers, were the low-income, mentally disabled and homeless. Agencies reported housing as the highest rated primary need, transportation as the highest personal need, mental health care as the most pressing health care need, and drug/alcohol abuse assistance as the top family need. Several of these also tend to be indicative of a risk of homelessness.

The 2019 Point-in-Time Count (PIT Count) continued to reflect some of the agency workshop results. Of the 123 person identified as homeless during the 2019 homeless survey, 102 were sheltered and 21 were unsheltered. Other than unemployment (typically the highest rated reason for homelessness), substance abuse disorders, serious mental illness, and domestic violence (respectively) were frequently reported contributing factors of homelessness among the sheltered and unsheltered homeless persons.

In the 2019 PIT Count, of the 123 homeless identified (sheltered and unsheltered) a total of 82 were sheltered adults and 19 adults were unsheltered. There were also 20 sheltered and 2 unsheltered children. This represents an approximate 38% decrease of identified sheltered and unsheltered homeless persons from 2018 to 2019. Of the total homeless count for both sheltered and unsheltered: 60% were male, 40% female, and 0.8% transgender; 48% were White, 47% Black, 2.5% American Indian/Alaskan Native, and 2.5% Asian. 11% reported being Hispanic/Latino. 7% were adults with serious mental illnesses and 6% were adults with substance use disorder.

Describe consultation with the Continuum(s) of Care that serves the jurisdiction's area in determining how to allocate ESG funds, develop performance standards for and evaluate outcomes of projects and activities assisted by ESG funds, and develop funding, policies and procedures for the operation and administration of HMIS

While the City of Bryan does not receive ESG funds, multiple agencies, to include the City of Bryan, participate in service delivery to ensure needs are addressed locally. Participating agencies include, but are not limited to: Bryan Public Housing Authority, United Way, The Brazos Valley Community Action Programs, Project Unity, BCS Habitat for Humanity, Bryan Housing Authority, Twin City Mission, Elder-Aid, No Limits, Emanuel Baptist Church, Family Promise, the Brazos Valley Council of Governments, Mental Health Mental Retardation Authority of Brazos Valley, the Salvation Army, and the Texas Department of Housing and Community Affairs. Following are actions taken to address CoC needs locally through the Brazos Valley Coalition for the Homeless (BVCH) planning sessions.

- <u>Services and Assistance to Homeless and Special Needs Populations</u>: See services and direct assistance provided to homeless and special needs populations.
- <u>Increase Permanent Housing (PH) Options</u>: Contact agencies with an interest in applying for PH funding and coordinate training on PH funding sources.
- Address Chronic Homelessness: Create addition beds locally for the chronically homeless.
- <u>I&R for Services</u>: Increase support, case management, and public service referrals provided to clients in PH.
- <u>Eliminate Obstacles</u>: Develop a support team of Coalition members to reduce obstacles to clients' success in PH.
- <u>Evaluate Programs</u>: Evaluate temporary housing programs and contact agencies working with homeless and special needs persons, focusing on maintaining current successful practices.

- <u>Ensure Quality Case Management</u>: Ensure that case management services and follow-up support are strong enough to help temporary housing participants obtain and maintain PH.
- <u>Employment and Job Skills</u>: Continue coordination with Workforce Board to address employment needs of homeless and special needs populations. Host job/skills training workshops.
- <u>Assist Families with Children</u>: Collaborate to expand housing opportunities to homeless families with children. Foster programs specifically targeting this population.
- Expand HMIS and Satisfy Reporting: Expand HMIS through expansion grant funds. Satisfy CoC HMIS requirements by following HMIS policies, monitoring compliance, and reporting requirements in SuperNOFA and Annual Homeless Assessment Report (AHAR).
- <u>HEARTH Compliance</u>: Incorporate Homeless Emergency Assistance and Rapid Transition to Housing (HEARTH) Act changes into by-law and committee responsibilities.
- <u>Point in Time Homeless Count</u>: Coordinate with agencies to plan for and conduct bi-annual Point-In-Time Homeless population and subpopulation count.
- <u>Timely CoC Reporting</u>: Provide for CoC quarterly achievement reports.
- Evaluated and revised policies, procedures, charter and by-laws: To ensure HUD CoC compliance.

Identify any Agency Types not consulted and provide rationale for not consulting

All agency types were included in consultation during development of Bryan's 2015-19 CP and 2019 AAP. CDS staff regularly consulted with offices and agencies of every type by participation in the CPB (Community Partnership Board) meetings which include approximately 80 local and regional agencies regularly meeting to address local needs. Specific agencies and organizations not consulted with in either workshops or one-on-one meetings, were invited to provide input and comment by participation in online survey opportunities and/or by correspondence (see list of contacted entities under AP-10 Consultation. In all, approximately 200 public and private entities were contacted during the consolidated planning process in an effort to receive comprehensive input regarding local needs and priorities.

Table 3 – Other local / regional / federal planning efforts

Narrative (optional)

In an effort to ensure a comprehensive analysis of local needs, as well as effective program goals and objectives meeting needs, the City involved all types of health and human service providers, government agencies, and private sector service entities in the Consolidated Planning process. Likewise, input and involvement of public and private stakeholders was also solicited in the development of the 2019 AAP, as were other relevant plans that provide guidance on local needs. Individual consultations, agency workshops, online surveys, mail-outs, public hearings and review of other available resources allowed the City to prepare strategies that serve both stakeholders and clients. The City of Bryan enjoys good working relations with local providers and fosters those associations by regularly scheduled forums and workshops. These regular meetings ensure goals are being carried out, grant program requirements are being satisfied, and needs are being met according to the Consolidated Plan and Annual Action Plan. Community Development staff is also involved in several local committees reviewing community needs such as the Brazos County

Health Committee Needs Update, Brazos County Housing Coalition, the Brazos Valley Coalition for the Homeless, Bryan Housing Infill Committee, Bank on Brazos Valley, United Way, and Bryan Business Council committees.

AP-12 Participation – 91.105, 91.200(c)

1. Summary of citizen participation process/Efforts made to broaden citizen participation Summarize citizen participation process and how it impacted goal-setting

The City's Citizen Participation Plan is designed to afford all citizens opportunity to comment on plans, programs, and projects. Policies addressed in the plan include: participation, minimum requirements, amendments, performance, public hearings, public access to records, technical assistance, use of plan, jurisdiction response, and definition of substantial change. Multiple opportunities allowed input regarding the Citizens Participation Plan, and policies and procedures during development of the 2015-19 Consolidated Plan (CP) which is the guiding document for the 2019 Annual Action Plan (AAP).

As a public forum for programs and to gain input on needs and priorities important to development of the 2019 AAP, the City's Community Development Advisory Committee (CDAC) held public meetings at 6:00 PM on: October 11, 2018, November 8, 2018, March 21, 2019, April 10, 2019, May 21, 2019 and June 27, 2019. The development of the 2015-19 CP involved several means of citizen participation, including: 3 different surveys (online, mailed and at workshops); public meetings and hearings; mailings to neighborhood associations and churches; newspaper notices; television and radio public service announcements; and website and YouTube informational postings. Likewise, development of the 2019 AAP involved an online survey opportunity, public meetings and hearings, newspaper notices, television and radio public service announcements; and, website and YouTube informational postings.

The March 21st and June 27th, 2019 meetings, both held at the Bryan Municipal Building included public hearings on the local needs and draft 2019 AAP Plan summaries, respectively, as well as on Fair Housing and Affirmative Marketing. All meetings were announced by notices in the local newspaper, radio, television, public service announcements to agencies, social media, and on the city's website. Public meetings agendas were also posted on the official legal notice internet and onsite publication boards.

The variety of outreach methods resulted in a broad range of input from citizens. Outreach included, but was not limited to: legal ads in newspapers, public services announcements on the city website, television, radio, YouTube, non-profit websites, and other media and venues. CDAC reviewed and sorted the input during its development of the 2019 AAP. The resulting plan containing recommendations regarding needs, priorities, and funding allocations were then forwarded to the Bryan City Council for approval. A 30-day public comment period ran from June 27th to July 29th, 2019. On July 9, 2019 the Bryan City Council held a public council meeting during which the 2019 AAP was approved.

Assistance was provided to agencies, developers and other inter-departmental offices wishing to apply for CDBG or HOME funds. A Joint Relief Funding Review Committee is established with Bryan's sister city, College Station, to more effectively provide training, application assistance, agency program review and funding for providers meeting local priority needs. Other inter-departmental offices or developers were provided technical assistance for project need and feasibility reviews as well as application assistance.

See amended listings in "Attachments/Appendices" with CARES Act related amendment public notices, surveys, new articles, and other public outreach efforts added in 2020 and 2021 to inform the public and receive comment on the use of CDBG-CV and CDBG-CV3 funds received for use addressing the Coronavirus Pandemic locally.

NOTE: In the following table, entries 18 through 31 are for added outreach to satisfy amendment requirements needed for CARES Act funds.

Expected Resources

AP-15 Expected Resources – 91.220(c)(1,2)

Introduction

In Program Year 2019, the City of Bryan anticipates receiving Community Development Block Grant (CDBG - \$848,059) and HOME Investment Partnerships Program (HOME - \$339,499) grant funding from the U.S. Department of Housing and Urban Development (HUD) and approximately \$19,000 of CDBG program income and an estimated \$65,000 in HOME program income. The City of Bryan also anticipates similar grant and program income amounts on an annual basis through the duration of the 2015-19 Consolidated Plan period. Annual allocations are based on a HUD-established formula. These resources, along with those from other public, private, and nonprofit partners, establish a multi-faceted approach to addressing the goals and objectives identified in this Strategic Plan.

The CDBG program provides communities with resources to address a wide range of unique community development needs by providing decent housing, a suitable living environment, and expanding economic opportunities for low- and moderate-income persons. Activities may include affordable housing services, homeownership assistance, acquisition, public facility/infrastructure improvements, clearance and demolition, public services, economic development assistance and other grant eligible activities.

The HOME program is dedicated solely to development of affordable housing opportunities for low-income households. The City of Bryan anticipates partnering with local non-profit and for-profit entities, to promote affordable housing for low-income persons locally. At least 15% of the grant must be set-aside to fund housing to be owned, developed, or sponsored by experienced, community-driven nonprofit groups designated as Community Housing Development Organizations (CHDOs).

NOTE: In the following table, CDBG-CV and CDBG-CV3 funds (CARES Act allocations) were added to satisfy amendment requirements needed by available CARES Act funding in the amounts of \$494,864 and \$603,226, respectively, to allow the City to address COVID-19 pandemic issues.

Table 5 - Expected Resources - Priority Table

Explain how federal funds will leverage those additional resources (private, state and local funds), including a description of how matching requirements will be satisfied

Federal funds will leverage additional resources through applicable property donations (city or other entities), non-profit resources such as sweat equity or funds available for partnerships such as Habitat for Humanity, or other non-profit developers for rehabilitation or construction of affordable housing. Additional leveraging sources include the down-payment assistance program leveraging an anticipated \$1.2 million annually. Local financial institutions provide permanent financing to homebuyer's receiving down-payment assistance. CDBG public service agencies provide private non-profit dollars into funded public service agency programs. The City uses general funds to improve parks, facilities and infrastructure in low/moderate income areas and does partner with the Community Development Services Department, when appropriate to leverage CDBG funds further.

Fifty percent of the City's PY2019 match requirement has been waived, therefore 25% of the HOME grant's project expenses (excluding administration and CHDO) must be matched with non-grant resources. Housing project funds subject to match for PY2019 are \$254,624.25. The City will contribute 12.5 cents of match credit for every dollar of HOME funds expended, up to \$31,828.00 using some combination of the following eligible forms of match:

- Cash Contributions
- Foregone Taxes, Fees and Charges

- Donated Land or Other Real Property
- On-site and Off-site Infrastructure
- Proceeds from Affordable Housing Bonds
- Donated Site Preparation and Construction Materials
- Donated Use of Site Preparation and Construction Equipment
- Donated or Voluntary Labor and Professional Services
- Sweat Equity
- Supportive Services
- Homebuyer Counseling Services

If appropriate, describe publically owned land or property located within the jurisdiction that may be used to address the needs identified in the plan

The City currently has one single-family property potentially available for use meeting affordable housing needs as identified in this plan. The property may be considered for use in the future development of affordable housing if and when deemed appropriate.

Discussion

The City uses CDBG and HOME funds, and available leveraging dollars annually to address the needs summarized in the Needs assessment portion of the plan. The City will receive \$848,059 (plus anticipated program income of \$19,000) in CDBG and \$339,499 (plus anticipated program income of \$65,000) in HOME in the 2019 program year. Prior year's resources anticipated to be carried over and allocated from the 2018 program year are estimated to be approximately \$375,000 of CDBG funds and an additional \$600,000 estimated for prior years HOME funds. Partnerships are ongoing and the City continues to seek out new partnerships to provide additional leveraging and further goals toward community needs. Continued partnerships include non-profit and for-profit housing developers, the local home builders association, local housing committees, public service partnerships, United Way, continue to provide coordination of the City's Bank on Brazos Valley program and the Brazos Valley Coalition for the Homeless.

NOTE: As amended, an additional \$494,864 in CARES Act Grant Funds (CDBG-CV) was received late in PY2019-20 and another \$603,226 of CDBG-CV3 in PY2020-21 and will be used to address COVID-19 pandemic related needs locally as noted throughout this amended plan.

Projects

AP-35 Projects – 91.220(d)

Introduction

During the PY2019-20, the City of Bryan will administer approximately \$1,271,558 in federal grant funds and anticipated program income. The \$848,059 in CDBG grant funding, coupled with approximately \$19,000 of program income, will be allocated for a variety of local health and human service program activities promoting a suitable living environment, and enhancing availability/accessibility of services.

Those activities include: a recreation summer camp program for children; a shelter, casework, and supportive services program designed to help homeless families; a program serving foster youth and young adults transitioning out of foster care.; a financial stability program providing utility and rental assistance, as well as education, referrals and case management; a program providing testing, family planning, and education to medically indigent persons. In addition, some of the CDBG funding allocation and program income will be used to promote decent and affordable housing, including: major rehabilitation/reconstruction; new affordable housing construction; minor repair; and down-payment assistance, volunteer demolition, acquisition, and staff program delivery. In addition, some of the CDBG funding allocation and program income will be used to promote decent and affordable housing, including: major rehabilitation/reconstruction; new affordable housing construction; minor repair; and down-payment assistance.

The HOME grant funds, totaling \$339,499, plus another \$65,000 of projected program income, will also be allocated to several housing assistance activities promoting decent and affordable housing. Those activities include: major rehabilitation/reconstruction; new affordable housing construction; minor repair; and down-payment assistance. CHDOs will participate in the promotion of decent and affordable housing locally.

NOTE: As amended, an additional \$494,864 in CARES Act Grant Funds (CDBG-CV) was received late in PY2019-20 and will be used to address COVID-19 pandemic related needs locally as noted throughout this amended plan, including two new CDBG-CV funded projects, and two other new projects (Economic Development for COVID-19 Relief and Tenant Based Rental Assistance for COVID-19 Relief) funded by reallocated PY2019 CDBG and HOME funds, respectively, as noted in the following AP-18 Project Summary. Likewise, in PY2020-21, an allocation of CDBG-CV3 in the amount of \$603,226 to fund two new CDBG-CV3 projects (Public Service Agency assistance, and Economic Development assistance) and an additional allocation for the administration of CDBG-CV3 funded activities.

AP-50 Geographic Distribution – 91.220(f)

Description of the geographic areas of the entitlement (including areas of low-income and minority concentration) where assistance will be directed

CDBG and HOME funds are not allocated based on geographic areas. Funds are distributed throughout the community based on need. Because low-income, elderly, disabled, and special needs homeowners and renters reside throughout the city, housing assistance is available citywide. Homeless persons and those facing potential homelessness also reside throughout the city making the need for shelter and housing a citywide activity. Services provided for the homeless population are located city-wide to provide maximum accessibility.

In an effort to promote livability, public services, public facilities and housing projects are generally located so as to be accessible by various modes of transportation (walking, biking, driving) and are typically on or near public bus routes provided by the local transit authority (the District) as well as Texas A&M University's off-campus bus service. Major employment assistance providers like Texas A&M University, Blinn College , and the Workforce Commission are located on both, the District's and Texas A&M University's off-campus bus routes.

Assistance for special needs populations (elderly people, disabled persons, persons with drug/alcohol addictions, persons with AIDS/HIV) is provided citywide, as these populations exist throughout the city. Public services (such as Phoebe's Home, the Food Bank, and Elder-Aid) are also not limited geographically. These services are expected to be readily available and accessible to targeted audiences.

Public facilities and infrastructure improvements, such as park improvements, will be considered in the relevant service areas of the city where 51% or more of the population meets low- and moderate-income guidelines or where an organization's clients are at least 51% low to moderate income as defined by HUD. CDS staff participates on the city's Staff Infill Housing Committee to ensure that priority is assigned to livability issues when CIP projects are being considered.

Economic development activities are provided citywide (unless designated a spot slum/blighted location), recognizing that low-income individuals live throughout the city and that business location is often critical to its potential success.

Table 8 - Geographic Distribution

Rationale for the priorities for allocating investments geographically

Allocations for priority needs are not made on a geographical basis. Also see discussion above.

Discussion

Because housing, as well as health and human needs are found throughout the community, allocation of program funds are available citywide. As noted above, low-income, elderly, disabled, and special needs homeowners and renters reside throughout the city, therefore housing assistance is available citywide. Likewise, homeless persons and those facing potential homelessness also reside throughout the city making the need for shelter and housing a citywide activity and services provided for the homeless populations are located city-wide to provide maximum accessibility.

Affordable Housing

AP-55 Affordable Housing – 91.220(g)

Introduction

In the 2019-20 Program Year, the City of Bryan will provide volunteer rehabilitation/reconstruction assistance to a minimum of 3 homeowners through the Home Owner Housing Assistance Program and minor repair assistance to a minimum of 20 low-income owner-occupied dwellings. It is expected that 13 of these 23 homeowners will be elderly and/or disabled. It's anticipated that 10 lower-income, eligible applicants will purchase homes using the City of Bryan's Home Buyers Down-Payment Assistant Program. HOME set-aside CHDO funding will also be allocated in PY2019 to be available to an eligible CHDO for future affordable housing development.

Discussion

The above noted affordable housing activities are targeted toward low-income home owners and/or home buyers. While the City is not directly funding housing assistance to homeless populations, the local homeless shelter and services provider, Twin City Mission (TCM), will received continued funding from a variety of public and private grant and charitable sources. TCM also generates funds from its donation and thrift shop sales. The City partners with TCM as a member of the Brazos Valley Coalition for the Homeless.

AP-60 Public Housing – 91.220(h)

Introduction

While no CDBG or HOME funds will be allocated to the local public housing authority, the Bryan Housing Authority (BHA), plans continued improvements to its 300 duplex and townhome style subsidized rental units. A variety of support services are made available to the residents to promote a healthy affordable living environment for all tenants, young and old. BHA reports an occupancy of approximately 97% with elderly / disabled residents representing between 12-14% of the resident population. Regarding Section 8, Housing Choice Voucher (HCV) Program assistance, the Brazos Valley Council of Governments (BVCOG) is the regional administrator of the HCV program. In the 2018 program year, BVCOG anticipates making 1,500 to 1,700 Housing Choice Vouchers available monthly throughout the Bryan-College Station community and, likewise, provide various support programs for person applying for and utilizing rental assistance vouchers.

Actions planned during the next year to address the needs to public housing

The Bryan Housing Authority plans to continue to improve its 300 units of low income/subsidized housing. The Bryan Housing Authority has completed replacing all roofs on properties located on West MLK, Bryant, Gainer and Ravine, and we are currently in the process of replacing the roofing at the remaining two properties located at Jordan Loop and Eastside. BHA continues to do small projects and or preventative maintenance to improve the properties, update equipment, appliances and AC units with more energy efficient brands and/or products that offer long term cost savings. Bryan Housing Authority still averages a 97% occupancy rating and is still designated a high performing PHA.

BHA is currently utilizing a 2017 ROSS-Service Coordinator Grant and will be apply for the upcoming Ross 2020 when it is announced. Through this grant BHA continues to have a Service Coordinator to provide services to residents such has budgeting, homeowner ship training, parenting skills etc. as well as partnering with other agencies to provide training or information meetings. In addition we do have services geared to our youth such as 4H, Safe Sitter Classes, and Reading Programs in collaboration with BISD, Learn Eat Grow & Go a nutritional program, and youth gardening. It is our goal to continue to provide affordable, safe and decent housing for residents in our area. The City will continue to provide technical assistance to BHA and meet onsite at least once annually.

If the PHA is designated as troubled, describe the manner in which financial assistance will be provided or other assistance

Not applicable – Bryan Housing Authority is designated a high performing PHA.

Discussion

Upon request, the City of Bryan reviews BHA grant applications and provides the required Certification of Consistency for the U.S. Dept. of HUD. The BHA is an important partner in the delivery of affordable housing and related support services. BHA rental units and other program assistance provide the support and encouragement needed by residents wanting to achieve self-sufficiency. With BHA support and assistance from other programs and agencies, BHA tenants have the opportunity to achieve increased self-sufficiency for themselves and their families.

AP-65 Homeless and Other Special Needs Activities – 91.220(i) Introduction

In support of homeless and special needs activities, the City supports Twin City Mission and Project Unity on applications for ESG and HOPWA funds to meet homeless needs. The City of Bryan is also a member of the Brazos Valley Coalition for the Homeless (BVCH) and coordinates with BVCH on identifying local needs, specific to homelessness in Bryan. The City regularly coordinates with BVCH on its annual Point-in-Time Homeless Count as well as participates in regular coalition efforts to gather information with which to complete regular gaps analysis updates.

Describe the jurisdictions one-year goals and actions for reducing and ending homelessness including

Reaching out to homeless persons (especially unsheltered persons) and assessing their individual needs

The City will coordinate with Brazos Valley Coalition for the Homeless (BVCH) and other agencies on service delivery to ensure needs are addressed. Goals include those identified in the CoC's applications for funding, as well as the City of Bryan's CDBG – PSA funding objectives for: Family Promise of Bryan/College Station – shelter and case management program for homeless families which is expected to serve 145 unduplicated clients, and; Unlimited Potential (UP)'s – Home Base for Transitioning Foster Youth program which is expected to serve 20 unduplicated clients in the 2019-20 program year. Other area agencies addressing local CoC needs include: Twin City Mission, Bryan Public Housing Authority, B/CS United Way, The Brazos Valley Community Action Programs, Project Unity, BCS Habitat for Humanity, Elder-Aid, Emanuel Baptist Church, the Brazos Valley Council of Governments, Mental Health Mental Retardation Authority of Brazos Valley, the Salvation Army, and others.

Addressing the emergency shelter and transitional housing needs of homeless persons

Actions taken in the 2019-20 Program Year to address emergency shelter and transitional housing needs locally include:

<u>Point in Time Homeless Count</u>: The City will participate in BVCH's 2020 Point-In-Time Homeless population and subpopulation counts.

Address Chronic Homelessness: The City and BVCH will support homeless providers in efforts to provide

additional beds for the chronically homeless.

The City of Bryan will also fund:

- Family Promise of Bryan/College Station shelter and case management program for homeless families which is expected to serve 145 unduplicated clients, and;
- Unlimited Potential (UP)'s Home Base for Transitioning Foster Youth program expected to serve 20 unduplicated clients in the 2019-20 program year.

Helping homeless persons (especially chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth) make the transition to permanent housing and independent living, including shortening the period of time that individuals and families experience homelessness, facilitating access for homeless individuals and families to affordable housing units, and preventing individuals and families who were recently homeless from becoming homeless again

To address chronically homeless individuals and families, the City and its Homeless Coalition partners make intensive case management available to reduce recidivism by previously homeless persons. Other actions taken in the 2019-20 Program Year to help persons transition to permanent housing and avoid recidivism include:

<u>Family Promise of Bryan/College Station:</u> Through the city's public service agency funding allocation, the City will make \$27,000 available to provide a shelter and case management program for homeless families which is expected to serve 145 unduplicated clients, and;

<u>Catholic Charities Financial Stability Program</u>: Through the city's public service agency funding allocation, the City will make \$16,622 available to this agency to provide supportive services to low- and moderate income persons, to include formerly homeless and those at risk of homelessness due to financial difficulties. An estimated 450 unduplicated clients will be assisted through this program, and;

<u>Unlimited Potential (UP)'s – Home Base for Transitioning Foster Youth Program</u>: Through the city's public service agency funding allocation, the City will make \$9,336 available to Unlimited Potential (UP)'s program serving foster youth and young adults transitioning out of foster care. The program is expected to serve 20 unduplicated clients in the 2019-20 program year.

<u>I&R for Services:</u> The City will support, case management, and public service referrals provided to clients in public housing and will support homeless providers doing likewise for non-sheltered and sheltered persons.

<u>Ensure Quality Case Management:</u> The City will partner with the Brazos Valley Coalition for the Homeless (BVCH) to ensure case management services and support is adequate to help clients avoid homelessness and obtain shelter/housing.

<u>Employment and Job Skills</u>: The City and BVAH will coordinate with the Workforce Board to address employment needs of homeless.

Helping low-income individuals and families avoid becoming homeless, especially extremely low-income individuals and families and those who are: being discharged from publicly funded institutions and systems of care (such as health care facilities, mental health facilities, foster care and other youth facilities, and corrections programs and institutions); or, receiving assistance from public or private agencies that address housing, health, social services, employment, education, or youth needs.

Actions taken in the 2019-20 Program Year to help individuals and families avoid homelessness include:

<u>Assistance to Clients at Risk of Homelessness</u>: Through the city's public service agency funding allocation, the City will make \$16,622 available to Catholic Charities of Central Texas's Financial Stability Program to provide case management, referrals, and utility and rental assistance to clients with critical financial hardships. An estimated 450 unduplicated clients will be assisted through this program.

<u>Assistance to Persons Discharged from Government Institutions</u>: Through the city's public service agency funding allocation, the City will make \$9,336 available to Unlimited Potential (UP)'s program serving foster youth transitioning out of foster care. The program is expected to serve 20 unduplicated clients in the 2019-20 program year.

<u>Increase Permanent Housing Options:</u> The City will assist agencies in applying for additional funding to maintain or develop existing or new affordable housing. The City will review BHA applications and reports and provide Certificates of Consistency as requested.

<u>Eliminate Obstacles</u>: The City will continue assisting local providers in identifying and addressing obstacles in local assistance delivery systems and programs.

<u>Evaluate Programs:</u> The City will assist agencies in evaluating temporary housing and contact agencies working with homeless providers to focus on maintaining successful practices.

<u>Assist Families with Children</u>: The City, in partnership with the BVCH, will promote housing opportunities to homeless families with children, or those at risk of homelessness.

<u>Ensure Quality Case Management</u>: The City will partner with the BVCH to ensure case management services and support is adequate to help clients avoid homelessness and obtain shelter/housing.

Discussion

The City's collaboration with the BVCH member agencies ensures a comprehensive approach to identifying and meeting Continuum of Care (CoC) needs locally. Many local health and human service providers provide services directly addressing homelessness, as well as the ancillary issues and needs of homeless individuals and families. Collectively, homeless clients have the means to receive shelter and services, and to be counseled as they plan their transition from homelessness to permanent affordable housing and increased self-reliance.

Regarding ensuring that individuals are not discharged from public institutions into homelessness, area facilities and institutions have policies to guard against that possibility. Following are those safeguards:

<u>Foster Care</u>: Case managers within the Texas Department for Family and Protective Services (TDFPS) ensure a plan is in place for each youth leaving the system, including naming a destination or facilitate transition to private supervision. The plan takes the well-being of the youth into account and follow-up interviews take place to ensure shelter, family and stability. For foster care youth who age-out of the foster care system, TDFPS ensures access to educational and vocational opportunities, financial options and available mental health and substance abuse services. Additionally, in PY2019, the City is providing CDBG funds to the *Unlimited Potential* program which provides case management and support services to youth aging out of the foster care system and young adults that have aged out of the foster care system.

<u>Health Care</u>: Area hospitals have policies ensuring persons being discharged receive case management on placement needs so as to ensure patients will not be discharged into homelessness but, instead, to emergency or transitional facilities. Homeless and social service providers regularly collaborate with discharge staff to identify patient needs and ensure that patients are not discharged into homelessness.

Mental Health: By networking with family, community agencies, and with the patient, MHMR of Brazos Valley works to ensure patients have a place to reside prior to being discharged. This plan includes where the patient will live, whether with family, in a basic care or adult foster care facility, or other care facility. Other local, state or governmental agencies are also consulted to ensure ongoing stability and support services

<u>Corrections Facilities</u>: The Federal Bureau of Prisons has a pre-release program with discharge planners to ensure inmates have a smooth transition into communities. Parole officers or case managers provide personalized plans to assist inmates with specific needs and provides information on local agencies and service providers. The Texas Department of Criminal Justice utilizes a similar protocol for the discharge of Texas prison inmates. Likewise, the Texas Youth Commission discharges youth in accordance with the

Texas Administrative Code which ensures effort is made to release youths back to the homes from which they came. County jails, while not having formal policies, attempt to avoid inmates being discharged into homelessness. Inmates without families are offered transportation to a local shelter, another community, or taken to the local Salvation Army office for assistance in finding shelter, food, clothing, and other supportive needs. The local MHMR Authority collaborates with area correctional entities to establish a comprehensive Jail Diversion plan for mentally ill clients so as to help them avoid homelessness.

AP-75 Barriers to affordable housing – 91.220(j)

Introduction:

The City of Bryan has reviewed its own policies and procedures for potential barriers to the development, maintenance, or improvement of affordable housing locally. The purpose of development regulations is to protect the health, safety, and welfare of the public. While promoting affordable housing, a balance must be established between societal and environmental goals and housing affordability. *In analyzing the effects of local public policy as potential barriers to affordable housing in Bryan, no significant barriers are found to exist*. No local or other barriers to affordable housing were identified in the City of Bryan during the program year.

Strong efforts continue locally to encourage development and preservation of affordable housing. A shortage of affordable undeveloped property, along with rising construction material and labor costs, are the main hindrances to development of affordable housing locally. Additionally, clouded or fragmented title to property often renders otherwise potentially affordable housing developments infeasible. City of Bryan Community Development staff work regularly with property owners, taxing entities, for- and notfor profit developers (i.e. Habitat and CHDOs) and internal city departments on strategies to facility and expedite new affordable housing locally.

Actions it planned to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment

Locally, construction or renovation of housing is inexpensive in terms of development and inspection fees, meaning municipal costs do not inhibit development of affordable units. Development standards facilitate both market and affordable units. The City will regularly analyze its development standards to identify potential barriers to production of affordable housing. The City avoids duplication between jurisdictions and ordinances are enforced solely by the City, eliminating redundant, time-consuming steps that add costs. Additionally, zoning allows for minimally sized lots which accommodate development of affordable housing.

Building fees are kept reasonable and are generally less than those recommended by national advisory boards. For example, the model codes recommend a plan review fee and a permit fee, but Bryan has chosen not to collect plan review fees or building impact fees. The City continues to assess fees and processes to ensure affordable housing is not hindered and allows flexibility in zoning and building requirements when appropriate. Bryan uses a single fee based on square footage. Building, plumbing, mechanical, and electrical permit cost are added together for a new home. In Bryan, the valuation is simply \$66 per square foot with one permit cost. Further, permit fees for City-sponsored affordable housing development are waived for participating non-profit developers, and outstanding city liens are

also waived for nonprofit developers acquiring property which has outstanding liens for code enforcement actions. Local development expenses are minimal in terms of housing construction and renovation costs. Goals will include collaborative efforts with private and public entities so that resources can be leveraged and benefits maximized.

Affordable rental units, to include HTC (Housing Tax Credit) projects and privately owned properties, have been supported by the City in the past to promote development of affordable units. When appropriate, the City will continue to review proposed private and public affordable rental developments. Special needs housing is also a need as local housing providers struggle with limited funding. The BVCH (Brazos Valley Coalition for the Homeless) applies for available HUD Continuum of Care (CoC) funds and MHMR of the Brazos Valley is also seeks new sources of funds. Local organizations and churches have also established programs to meet these needs.

In spite of funding challenges, assistance for the elderly, disabled, HIV clients, and homeless continue. The City maintains partnerships with other inter-local agencies and interested citizens to encourage the development of accessible, special-needs housing. The city also continues to provide funding and technical assistance to its CHDOs to build additional local capacity for development of affordable and special needs housing. In terms of other supportive assistance, the Brazos Valley Council of Governments' (BVCOG) Housing Choice Voucher (HCV) program continues to administer the Family Self-Sufficiency (FSS) program. Depending on funding, HCVP will provide rental and utility assistance to approximately 1,500 - 1,700 monthly to households in the BVCOG service area, the majority of which are in Bryan – College Station. The Bryan Housing Authority manages 300 affordable duplex and townhome style units at five locations in Bryan to also address affordable housing needs.

The City established an inter-department group - Bryan's Staff Housing Infill Committee - that identifies obstacles and explores ways to enhance local development, including infill housing, infrastructure, demolition, and other affordable housing initiatives.

Discussion:

Locally, a demand for higher cost housing continues, diverting resources from affordable single-family development and limiting opportunities for lower-income buyers. The City, and partnering agencies, coordinate to address the need for decent, safe, and affordable housing locally. Technical assistance and homebuyer counseling, and down-payment assistance is provided by the City and local partners. The Bryan and College Station Community Development Offices, Brazos Valley Affordable Housing Corporation, Habitat for Humanity, Brazos Valley Community Action Agency, and the city's CHDOs coordinate to streamline and promote programs assisting lower-income renters, homebuyers, and owners. Staff continues to encourage new and creative ways to ameliorate barriers to affordable housing.

AP-85 Other Actions – 91.220(k)

Introduction:

The City partners with public and private organizations to enhance the effectiveness of programs delivering housing and social service assistance. A comprehensive network of planning entities and providers ensure that needed and attainable goals are established and resources are leveraged in meeting goals. Duplication of services is avoided by the city's lead on certain assessment and planning efforts. Examples include the city's participation in the Joint Relief Funding Review Committee (JRFRC), which serves both the cities of Bryan and College Station. Likewise, the city's participation in the Community Partnership Board (CPB) – representing approximately 80 agencies, the Brazos Valley Coalition (BVCH) for the Homeless, and United Way of the Brazos Valley, all demonstrate the high level of coordination within the local housing and social service providers.

Actions planned to address obstacles to meeting underserved needs

As identified in the 2015-19 CP, an ongoing obstacle to meeting housing and non-housing needs is lack of funding. Accordingly, the City, and its many public and private partners, developed and maintain collaborative associations to ensure effective delivery of service. The CPB agencies meet regularly to ensure cross-agency communication and to eliminate duplication in services. Likewise, the BVCH brings together Continuum of Care (CoC) providers in an effort to leverage funding and program capacity. The City has also created a portfolio of loans from past CDBG and HOME program activities that are now producing program income that allows additional affordable housing program accomplishments each year. United Way of the Brazos Valley, through its three main initiatives (health, education, and financial stability) focuses on strengthening and maintaining effective inter-agency relationships, to include its partnership with the City of Bryan.

Actions planned to foster and maintain affordable housing

The City commits to increasing affordable housing in 2019-20 through its Entitlement City" and "Participating Jurisdiction" designations and CDBG and HOME grant allocations. HOME funds specifically target housing activities for low-income persons.

CDBG and HOME funds will be used to address needs identified in the 2015-19 CP through some or all of the following activities:

Home Owner Housing Assistance - volunteer rehabilitation of substandard low-income owner-

- occupied homes, including minor assistance.
- Home Buyers Program includes counseling, down payment, and technical assistance to homebuyers.
- Public Facility Improvements in low- to moderate-income areas, including infrastructure improvements or repairs to streets, sidewalks, fire safety, and/or park equipment.
- Infrastructure and Technical Assistance for development of mixed-income subdivisions located in low to moderate-income neighborhoods.
- Community Housing Development Organization (CHDO) funds for qualified organizations to undertake affordable housing activities.
- Technical Assistance to assist private investors of rental rehabilitation or new construction.
- Volunteer Demolition to facilitate the removal of dangerous and/or dilapidated structures and,
- Acquisition to facilitate development of additional affordable housing and/or economic redevelopment.

PY2019-20 funds are allocated for down-payment assistance, major and minor repair assistance, housing development and other affordable housing activities, including program delivery costs when applicable. Approximately \$79,000 of program income is also anticipated (\$19,000 from CDBG and \$65,000 from HOME). It is expected that these funds will leverage approximately \$1,200,000 in other non-grant funds.

The City will continue developing relationships with non-profit housing and service providers to improve the quality and quantity of affordable housing and to retain housing affordable to low-income families. These housing partners include:

- BCS Habitat for Humanity Habitat serves local families earning up to 60% of the median income and are in need of quality affordable housing.
- Twin City Mission, Emanuel Baptist Church, and Family Promise permanent, transitional, and temporary housing options for homeless persons.
- Brazos Valley Council of Governments Housing Choice Vouchers (HCV) program funds provide monthly rental payment assistance to approximately 900 Bryan households.

Actions planned to reduce lead-based paint hazards

Bryan has emphasized lead-based paint (LBP) counseling and awareness in all its programs. All Down-payment and Closing Cost assistance for pre-1978 properties in the homebuyer program requires LBP counseling as well as testing and remediation. The City also maintains a continued focus on the hazards of lead-based paint and the need for lead-based paint testing of potential rehabilitation projects. Additionally, the City has continued to work with public service agencies caring for or providing services to children to reduce lead-based hazards in the community. The city's Community Development Services Department has staff members with years of experience and training related to the identification, planning, and remediation of lead-based paint hazards. Housing program activities have policies and procedures in place to, not only remediate lead-based paint hazards in existing structures, but to also

promote and facilitate the development of new, affordable and safe housing units that will benefit the lower-income community for decades to follow.

The following strategies related to City of Bryan Community Development programs and projects are ongoing:

- Provide public information and education regarding lead-based paint,
- Integrate lead hazard evaluation and reduction activities into all housing activities,
- Provide training and certification opportunities for Community Development staff to manage lead-based paint impacted projects.

Actions planned to reduce the number of poverty-level families

In Program Year 2019-20, the City continues its antipoverty strategy that previous plans promoted. That strategy has the following components:

- Expand the inventory of safe, decent, affordable dwellings available to low-income residents.
- Fund public service activities that enhance quality of life and encourage self-sufficiency for low-income residents.
- Create jobs for low-income residents by providing technical assistance to businesses creating jobs available to low-income persons, with an emphasis on living wage jobs.
- Fund activities allowing children to develop their maximum potential and leave the poverty environment.

To advance goals outlined in the 2015-19 Consolidated Action Plan, the City of Bryan will fund the following activities:

The \$848,059 CDBG grant funding, coupled with approximately \$19,000 of program income, will be allocated for affordable housing programs and a variety of local health and human service program activities promoting a suitable living environment, and enhancing availability/accessibility of services.

Those activities include: a recreation summer camp program for children; a shelter, casework, and supportive services program designed to help homeless families; a program serving foster youth transitioning out of foster care.; a financial stability program providing utility and rental assistance, as well as education, referrals and case management; a program providing clinical social work support to rehabilitation patients, and; a prenatal care program providing testing and education to medically indigent persons. In addition, some of the CDBG funding allocation and program income will be used to promote

decent and affordable housing, including: major rehabilitation/reconstruction; new affordable housing construction; minor repair; and down-payment assistance, volunteer demolition, acquisition, and staff program delivery.

The HOME grant funds, totaling \$339,499, plus another \$65,000 of projected program income, will also be allocated to several housing assistance activities promoting decent and affordable housing. Those activities include: major rehabilitation/reconstruction; new affordable housing construction; and down-payment assistance. CHDO set-aside funds will allow the city's CHDO to participate in the promotion of decent and affordable housing locally. In this reporting period, CHDO funds will be allocated to a certified local CHDO for development of affordable housing in the next program year.

The City will, where appropriate, partner in agency efforts to assist the unemployed/under-employed and will support local job training, job creation and economic development efforts by local agencies, to include: Brazos Valley Council of Governments - Workforce Solutions, Blinn College, BCS Small Business Development Center, BCS Chamber of Commerce, the Research Valley Partnership, and the Texas A&M University System's RELIS Campus vocational training programs.

Actions planned to develop institutional structure

The City will continue its partnerships, developed over years, to enhance the identification of needs and delivery of services. The City's Community Development Services Department partners with multiple organizations in assessing and meeting local needs. The local institutional delivery system is well coordinated to address homeless, housing, non-housing and special needs. The private and public organizations listed in Section SP-40 of the 2015-19 Consolidated Plan coordinate with the City, and other entities, in the identification, needs assessments, and delivery of program assistance. Additionally, The Cities of Bryan and College Station (neighboring cities) jointly manage the Joint Relief Funding Review Committee (JRFRC), a citizen committee appointed by both city councils, to better prioritize needs, evaluate agency programs, and recommend allocation of grant funds – all in an effort to promote efficiencies and eliminate duplication among health and human service providers. The City also is member of the Community Partnership Board, a coalition of approximately 80 agencies service the health and human services needs of Bryan-College Station. Collectively, the local institutional delivery system is well coordinated and very effective in addressing local needs, providing information and referral services, and minimizing duplication of services.

Actions planned to enhance coordination between public and private housing and social service agencies

The Community Development Services (CDS) Department of the City of Bryan is the lead agency for the Consolidated Plan and all subsequent Action Plans. CDS staff will work closely with all housing and social services providers through the 2019-20 Action Plan to achieve stated goals and objectives.

Housing Agencies: CDS staff will, as appropriate, work with the Bryan Housing Authority, Brazos Valley Development Council, Texas Department of Housing and Community Affairs, HUD, the Brazos Valley Community Action Agency, Habitat for Humanity, Brazos Valley Affordable Housing Corporation, the Brazos Valley Coalition for the Homeless, Brazos Valley Council of Governments, Rebuilding Together of Bryan/College Station, and other public and private entities to enhance program delivery. The City of Bryan will continue seeking qualified organizations to assist in becoming new CHDOs.

Social Service Coordination: Bryan and College Station, Texas, both Entitlement Communities and Participating Jurisdictions, operate the Joint Relief Funding Review Committee, whose task is to review all CDBG public service program funding applications and provide the respective city councils with recommendations for the use of funds. This eliminates duplicate requests and provides a quality review of needs and resources for the larger Bryan-College Station community. Staff will also continue to work with individual agencies and coalitions to enhance communication and service delivery. Bryan will provide technical assistance to public service agencies by providing review of grant applications, sources of funding streams, and workshops. Additional technical assistance is provided one-on-one.

The City of Bryan will continue to partner with and/or serve on United Way's 2-1-1 information and referral system committee. Needs and gaps continue to be those identified previously by the Information and Referral Advisory Committee. Resulting goals enhance coordination between public and private housing and social service agencies, and include:

- Create greater awareness of available information and referral services;
- Coordinate existing services and maintain a comprehensive central database of health and human services information;
- Coordinate funding sources to streamline funds into a collaborative network; and
- Provide educational presentations on the viable usage of 2-1-1.

The City's CDS Staff will also serve on the Unity Partners Executive Board as part of the Social Inclusion Team, which strives to incorporate local demographics into goals and objectives for low- and moderate-income families. The community-wide organization provides a forum for area non-profit providers to cooperate on reducing duplication of services, gain strength through collaborative grant writing efforts, attend workshops and seminars, and provide case management for families to encourage self-sufficiency.

CD staff also serves on United Way's I&R Committee, Brazos Valley Coalition for the Homeless, and chairs United Way's Financial Initiative. Additionally, CD staff manages the city's general fund financed "Bank on Brazos Valley" program and serves on Texas A&M University's Cultural Diversity Committee.

Discussion:

Meeting obstacles, foster and maintaining affordable housing, reducing lead-based paint hazards, developing institutional structure, and enhancing coordination between local public and private housing and social service agencies are all advanced by the City's comprehensive network of partner agencies. Agency resources are leveraged and duplication of services is avoided through a high level of coordination within the local housing and social service community. Through these partnerships, 2015-19 Consolidated Plan priorities and 2019-20 Annual Action Plan goals will be achieved.

HOME Investment Partnership Program (HOME) Reference 24 CFR 91.220(I)(2)

1. A description of other forms of investment being used beyond those identified in Section 92.205 is as follows:

It is anticipated that approximately \$1,200,000 in other, non-HOME funds will be leveraged during the program year. A listing of other potential funding match or leveraging sources include:

- Down Payment Assistance down payment, closing cost and /or principal buy-down assistance using municipal funds in an effort to assist low income homebuyers.
- Property Donations donation of City-owned property to facilitate affordable housing projects. Value not yet established.
- Non-profit Resources volunteer help (sweat equity), and other documented non-profit contributions will be leveraged to accommodate affordable housing options. Value not yet established.
- General Fund Match other eligible construction costs, program delivery expenses, and administrative costs required for completion of HOME program projects and eligible as HOME Program match amounts.

Fifty percent of the City's PY2019 match requirement has been waived, therefore 25% of the HOME grant's project expenses (excluding administration and CHDO) must be matched with non-grant resources. Housing project funds subject to match for PY2019 are \$254,624.25. The City will contribute 12.5 cents of match credit for every dollar of HOME funds expended, up to \$31,828.00 using some combination of the following eligible forms of match:

- Cash Contributions
- Foregone Taxes, Fees and Charges
- Donated Land or Other Real Property
- On-site and Off-site Infrastructure
- Proceeds from Affordable Housing Bonds
- Donated Site Preparation and Construction Materials
- Donated Use of Site Preparation and Construction Equipment
- Donated or Voluntary Labor and Professional Services
- Sweat Equity
- Supportive Services
- Homebuyer Counseling Services

2. A description of the guidelines that will be used for resale or recapture of HOME funds when used for homebuyer activities as required in 92.254, is as follows:

Corresponding with HOME funded Homebuyers Assistance of \$14,999 or less per purchase/client, the City will require a deferred loan with a 5-year owner-occupancy requirement and secured by a note and recorded deed of trust. Recapture of the amount of assistance provided with HOME funds will be required upon resale, failure to maintain as homestead, or transfer of ownership during the affordability period; to the extent proceeds are available from any sale. The HOME investment subject to recapture is based on the amount of HOME assistance that enabled the homebuyer to buy the dwelling unit. This is also the amount upon which the affordability period is based. This includes any HOME assistance that reduced the purchase price from fair market value to an affordable price, but excludes the difference between the total actual cost plus the market cost of producing the unit and the market value of the property (i.e., the development subsidy). The recaptured funds must be used to carry out HOME eligible activities.

3. A description of the guidelines for resale or recapture that ensures the affordability of units acquired with HOME funds? See 24 CFR 92.254(a)(4) are as follows:

Where acquisition is used in support of program efforts to develop new affordable housing for future homebuyers, the resale/recapture and affordability guidelines listed above will govern. For non-down-payment activities where acquisition is involved, resale provisions restricting rents to affordable levels and occupancy to eligible households will be required through a recorded Land Use Restriction Agreement (LURA). Likewise, HOME Program required resale/recapture requirements for new developments will have a term of twenty years, and rehabilitated rental developments will have a term of five to fifteen years based upon the amount of the HOME subsidy in the development – all enforced by a recorded LURA.

Additionally, the City acknowledges the 2013 HOME Final Rule, which provided new regulations for projects receiving HOME funding. The City has current policies and procedures to address these requirements and has adopted the following HOME Appropriations requirements:

- HOME funds used for projects not completed within 4 years of the commitment of funds will be
 considered terminated and all HOME project funds repaid to the city's HOME Investment Trust Fund.
 The City may request a 1 year extension by submitting information about the status of the project,
 steps taken to overcome obstacles, proof of adequate funding to complete the project, and a schedule
 with milestones for completion of the project for HUD's review and approval.
- No HOME funds may be committed to any project involving acquisition, construction, or rehabilitation
 of rental or homebuyer projects, unless the participating jurisdiction certifies that it has conducted an
 underwriting review, assessed developer capacity and fiscal soundness, and examined neighborhood
 market conditions to ensure adequate need for each project.

- Any homeownership units funded with HOME funds which cannot be sold to an eligible homeowner within 6 months of project completion shall be rented to an eligible tenant.
- No HOME funds may be awarded for development activities to a community housing development organization that cannot demonstrate that it has staff with demonstrated development experience.
- 4. Plans for using HOME funds to refinance existing debt secured by multifamily housing that is rehabilitated with HOME funds along with a description of the refinancing guidelines required that will be used under 24 CFR 92.206(b), are as follows:

The City does not plan to use HOME funds to refinance existing debt on multi-family housing.

The City of Bryan has adopted housing program guidelines to support the development and maintenance of safe, efficient, accessible and affordable housing for its lower-income citizens. While incorporating provisions to guide the acquisition, construction and/or rehabilitation of affordable housing, the guidelines also ensure that CDBG and HOME requirements are satisfied. The City's goal is to ensure that local and federal funds are used as efficiently and effectively as possible, and that recaptured and/or leveraged resources are reinvested to further promote affordable housing locally.

City of Bryan 2019 AAP - Public Hearings Held and Public Participation and Comments Received

On March 21, 2019 and June 27, 2019 the CDAC provided a public forum for discussion of the Community Development Services Department's ongoing programs and to gain community input on client needs for housing and non-housing activities. Staff presentations during the public hearings included overviews of CDBG and HOME eligible programs specific to the city's grant programs and the proposed 2019 Annual Action Plan (AAP) priorities and funding allocations. Presentations regarding Fair Housing, Affirmative Marketing, and the Analysis of Impediments were also provided as part of the hearings.

All comments were considered as part of the planning process and funding recommendations for the 2019 AAP. On July 9, 2019 the Bryan City Council held a public meeting where the 2019 AAP was approved and adopted. The City Manager was designated the authorized signature authority for all related and required 2019 AAP documents.

Citizen / Stakeholder Comments Received Regarding the 2019 AAP Follow:

Online 2019 Needs / Public Comment Survey

The highest rated survey results for housing and non-housing needs included: need for special needs housing (elderly, disabled, etc.); homeowner housing repair assistance; clearance/demolition; infrastructure improvements (streets, sidewalks, drainage); health services; social services; and technical assistance to businesses for job creation. The next highest rated survey results included: emergency transitional and permanent/long-term housing for the homeless; homebuyer assistance; park improvements; non-profit public facility improvements, and; code enforcement. There were no responses to Fair Housing questions.

March 21, 2019 Public Hearings:

Lauren Burge (BV Foodbank–via email) said the Foodbank strongly supports earmarking 15% of grant for public services and that funds enable nonprofits to meet needs. She reported funds supplement other dollars, maximizing effectiveness and that the allocation process is rigorous, fair, and based on need and merit. She reported that CDBG public service funds are supporting the Food Bank's *Together We Grow program*, to empower unemployed or underemployed to set goals to move from food insecure to secure. CDBG makes this possible. She then thank CDAC and staff for past support.

Bill Kelly (MHMR Authority of BV-via email) thanked the City for its participation in CDBG funds for community needs. He encouraged the City to continue to continue allowing 15% of funds to be designated for public service programs and noted the funding is important as nonprofits see funding declines in other sources. He said without the funding, programs needed by citizens would either have to be reduced or eliminated altogether.

John Paci (Catholic Charities of Central Texas, CCCT-via email) reported CCCT supports the City allocating 15% CDBG funds to public services, as funding is crucial to vulnerable populations. Using CDBG funds, CCCT has provided assistance to hundreds of local households to help them remain in their homes with utilities connected. CCCT's experience assisting lower-income families demonstrates a continued need for rental and utility assistance.. CCCT commends the City's commitment to make the community livable for all persons and for investing in local agencies meeting urgent needs.

Alina Fifer (BV Rehabilitation Center—via email) thanked the leadership and staff of both cities for their commitment to improve lives of citizens through sound and careful decisions, well planned processes, and excellent stewardship of resources. She said, as a CDBG grant recipient, the BV Rehabilitation Center sees decisions in action daily, improving lives of citizens, thanks to the important work carried out by the cities.

Lynne Yeager (Prenatal Clinic) thanked staff and CDAC for making the public service agency process possible. She asked CDAC to recommend 15% of the grant for public service programs and then described the uses of CDBG funds in providing services to Prenatal Clinic clientele, saying the services were critical to patients and that the Prenatal Clinic appreciated the CDAC's consideration.

Thomas Sanders (Bryan Parks and Recreation) said the City's Summer Parks Program use CDBG funds to serve disadvantaged youth, providing positive roll-models and team building activities. The program coordinates with BISD to provide free lunches, and recreational activities and is promoted to lower-income neighborhoods with activities in 5 parks. Mr. Sanders commended CDAC and recommended 15% of CDBG be available to public service programs. He thanked CDS Dept. management and staff for past assistance and support.

Darius McCoy (Bryan Citizen) commented that housing and employment opportunities were difficult to obtain for citizens with felony convictions.

Dorothy Nevill (Twin City Mission - via email for March 2019 public hearings - received late, presented at CDAC's April 10, 2019 meeting) Ms. Nevill thanked CDAC for their service and recommended 15% of CDBG funds for local agencies. She said CDBG funds TCM's case management for emergency shelter clients (70 to 75 nightly). Clients achieve self-sufficiency by case management and client assistance (i.e., obtaining birth certificates, driver's license, medications). Ms. Nevill said staff are trustworthy and capable and always available to help with application and compliance processes.

June 27, 2019 Public Hearings:

Bill Kelly (MHMR Authority of BV – via email) thanked the City and CDS Office for applying for CDBG funds and expressed support for the 2019 AAP and its funding recommendations. He encouraged continued participation in CDBG and recommended 15% of CDBG funds be designated for Public Services. Mr. Kelly stressed the importance of CDBG funding to local non-profit programs and that, otherwise, services needed by citizens would be reduced or eliminated. He also thanked the CDAC and JRFRC committee members for their dedication and efforts.

Kate Mason (Unlimited Potential– via email) said that the UP program is appreciative of the commitment by the cities of Bryan and College Station to make 15% of CDBG funds available for public service agencies serving low-income citizens and that, as a funded agency, wished to express gratitude for the funding for the coming fiscal year.

Lauren Burge (BV Food Bank– via email) expressed gratitude for the City's CDBG funds and that the BV Food Bank strongly supports continuing 15% allocations of CDBG funds for Public Services. She said funds enable non-profits to provide needed local programs by supplementing other dollars and maximizing effectiveness of programs. Ms. Burge said the allocation process is rigorous, fair, based upon need and merit, and that 2019 CDBG funds will allow the Food Bank's *Together We Grow* program, to help local citizens move from food insecure to food secure.

Lynne Yeager (Prenatal Clinic) reminded attendees that the clinic occupies a CDBG funded facility and that it allows hundreds of patients to be served during approximately 4,000 visits annually. CDBG allows medical supplies, procedures, and laboratory services to be made available to lower-income clients and that CDBG is important delivery of these services. Ms. Yeager also recommended 15% of CDBG funding be allocated to local public services agency programs.

Alina Fifer (BV Rehabilitation Center) said that the Rehabilitation Center has received CDBG funds for several years and that fewer lower-income clients would be able to benefit from their care and services without the grant funds. She also noted that, without CDBG grant funds, many local non-profit programs would not be as available to the low-income community. Ms. Fifer finalized her comments by recommending that the City continue to make 15% of CDBG funds available for local non-profit programs and she thanked the City and CDAC members for their efforts.

Carolyn Brown (Brazos County Health District) indicated that this is the Brazos County Health District's first time to received CDBG funds. The District identified a need for family planning services and noted that approximately 50% of their clients have no health insurance. Ms. Brown thanked city staff and CDAC committee members for their efforts and for the recommended CDBG funding.

Manuelita Meyers (Catholic Charities of Central Texas - CCCT) said that CDBG funds are crucial to local agencies in their efforts to assist vulnerable populations and that CCCT receives thousands of calls annually from local families needing housing and utility bill assistance. She noted that for families to meet their potential, basic needs like housing must first be met. This improves their ability to focus on employment and other needs. Ms. Meyers said CCCT is honored to be recommended for PY2019 CDBG funds and commended the City for its commitment to the community and its citizens.

Public Comments Received During the 30-Day Public Comment Period

Charlotte Allen (Bryan Citizen) wanted funds set aside for those in Wheeler Ridge affected by the tornado in May 2016. She indicated that many people were still struggling with repairs not covered by insurance or FEMA. She said she was not aware of anyone receiving help from FEMA and that she was personally turned down by SBA for a low cost loan for needed repairs.

James Johnson (Bryan Citizen and CDAC member – at June 9, 2019 Council "Hear Citizens") said grant funds have made a significant difference in the community and asked that Council be proactive in support of the 2019 AAP. He said that Council's efforts will stop proverbial mole-hills from becoming mountains requiring more resources, time, energy and effort to deal with later. Mr. Johnson closed his remarks by again asking Council to support the proposed 2019 AAP.

Andy York (Bryan/College Station Habitat for Humanity – at June 9, 2019 Council "Hear Citizens") thanked the City of Bryan's Community Development Services Department for its efforts and the proposed 2019 AAP budget. He reported that resulting efforts change lives and make a difference for Bryan citizens, resulting in better living conditions and more affordable housing.

Ginny Smith (Bryan Citizen and CDAC member – at June 9, 2019 Council "Hear Citizens") said she had the pleasure of serving on CDAC and was impressed at CDAC's efforts ensuring grant funds are carefully used to benefit Bryan residents and the various local agency programs supported by these funds (MHMR of BV, Unlimited Potential, BV Food Bank, and Prenatal Clinic listed as examples). Ms. Smith then asked that Council approve the proposed 2019 AAP.

All comments received were accepted and used in development of the 2019 AAP, particularly regarding program priorities and funding allocations. Only comments outside the scope of City or CDBG and HOME

Bryan CARES Act 2019 Annual Action Plan Amendment for CDBG-CV

Public Participation and Comments Received by:

(virtual hearings, online surveys, and media / marketing outreach)

On April 16, 2020 and May 6, 2020 the CDAC provided online, virtual public forums for discussion and public hearing of the Community Development Services Department's consideration of substantially amending its 2019 AAP to address local needs resulting from the COVID-19 pandemic. Virtual hearings were announced on the City of Bryan's Community Development Services Department homepage, the City's YouTube and Facebook pages, on local television and radio, in the local newspaper, and various other venues like United Way of the Brazos Valley and the local Community Partnership Board.

Staff presentations during the public hearings included overviews of CDBG and HOME eligible programs specific to the city's grant programs, the 2020-24 Consolidated Plan development, the proposed substantial amendment to the 2019 Annual Action Plan (AAP), and potential uses of re-budgeted PY2019 funding allocations. Presentations regarding Fair Housing, Affirmative Marketing, and the Analysis of Impediments were also provided as part of the hearings.

Comments and survey results were considered as part of the planning and amendment processes and amendment recommendations for the 2019 AAP. On May 18, 2020 the Bryan City Council held a virtual public meeting where the Bryan 2019 AAP CARES Act Substantial Amendment was approved and adopted. The City Manager was designated the authorized signature authority for all related and required documents.

Citizen / Stakeholder Comments Received Regarding the Bryan 2019 AAP CARES Act Substantial Amendment Follow:

April 16 and May 6, 2020, Virtual Public Hearings:

There were over 850 viewers for these two virtual, online public hearings with comments received during the public hearing comment periods listed below. Sixty citizens responded to the City of Bryan COVID-19 Impact Survey. Of the ten need options listed, those ranked as "important" or "most important" by at least 70% of the respondents were, in order: food distribution, food delivery, testing and diagnosis, increased health services, economic assistance for businesses and employees, and rental assistance. For detailed survey results see the COVID-19 Impact Survey results table following:

Comments received in response to April 16 and May 6, 2020, Virtual Public Hearings:

Jeannie Mansill, (Project Unity – via email) indicated that, based on their assessment, the top five community needs are related to: employment, education, housing, support services, and prevention of child abuse and neglect.

Comments received in response to May 2019 COVID-19 Impact Survey:

Food, meal assistance

Many times the folks that access food at community centers and food banks, are at-risk AND don't have the stamina to stand outside in the elements - 6ft apart. That involves a lot of extra time and walking.

Only necessary if family/neighbors/friends/community volunteers cannot fill need.

The Food Bank does a great job.

Very important to help our citizens with vulnerabilities.

This helps the people who are not home bound but still have needs.

Yes for those quarantined but not to medical vulnerabilities because you'd be feeding most of the people because most have major medical vulnerabilities.

Training, equipment, support for healthcare workers

Health workers were already lacking in numbers. However, working conditions should also be addressed to retain them.

I know several health care workers on reduced hours.

Job training for health workers - we are treating the disease not the cause.

Facilities for healthcare

Local hospitals have easily dealt with the situation so far.

I've never considered this option before but since we don't have an official "end" and the likelihood of an insurgence this may be needed.

Identify an on-demand biocontainment facility (such as the old Med hospital). this can be done by repurposing existing venues in times of crisis rather than spending limited resources on capital projects.

Just use a vacant building. It doesn't have to be crazy special because we are hoping it is temporary.

Rental or mortgage assistance

Landlords need money and people need a place to live. This may be an opportunity to convince landlords that working with Housing Choice Vouchers is a good thing!

This is not sustainable for extended time period – rental mortgages.

Unemployment benefits provide income – mort and rent assist.

Mortgage assistance least important - they signed the notes for the big house/cars etc.

Business support, job training

People need to work in jobs that are not temp jobs.

I'm worried that the amount being paid for unemployment is greater than employees earn from working.

Creating jobs are important, but not as important as safety and wellness of the citizens.

Is not the role of the city government.

Lift the restrictions and jobs will be coming back.

Healthcare supplies, equipment, testing, etc.

I would say specifically Personal Care Attendants to help people be able to stay in their own homes instead of congregate living.

Without personal safety equipment people are dying.

Some of us delivering essential services cannot get in the supply chain for masks, disinfectants, etc.

Testing is needed to properly manage the pandemic and should be offered free of charge.

Help with services for people who are vulnerable to be able to get prescription medications. Encourage stores to expand pick up options temporarily.

Healthcare workers still haven't been offered testing. How can we commit the most and best of ourselves, unreservedly, if we are constantly neurotic about whether we are taking it home to our spouse and kids?

The current health systems in the area could likely do testing more effectively and efficiently.

We are doing this already.

Personal protective equipment availability is most important. We still do not have a 90-day supply of PPE should there be additional waves. I've used the same three surgical masks since March 26th.

General comments

I hope Bryan is looking to help stimulate the local economy by using the CARES Act funds to give residents another stimulus check.

From my comments, I am not in favor of doling out more money so many have to pay for it later or it may never be paid. The flu will always affect the elderly, the obese, the diabetics, the people with heart conditions etc. This is no exception.

We need to be equipped to handle the next health issue.

The Regional Advisory Council is toothless--titles and authority without power. Make it more robust to centralize and coordinate area resources. The Brazos Valley needs a biocontainment playbook and facility. If we have an identified local, we can share staffing resources to man it.

We need this to keep from spreading in different places.

Government need to think very carefully before opening the cities up. The lives of citizens are more important than citizens lifestyles.

Whatever the city can do to reduce regulatory and tax burdens on businesses that are starting to rebuild their businesses and staff at this time would be of the greatest value to the community. The more the government gets out of the way, the faster business and employment will grow.

Need to chart cases on google map like app so citizen know what places to avoid visit.

Week of April 23-30 we had 16 new cases. Week of May 1-7 (first week of eased restrictions) we had 39 new cases. Am wondering if a volunteer task force could be assembled to conduct periodic welfare checks on elderly/shut ins? Make sure they are ok/give them info on free delivery services. Good job with televised Health department updates.

Consider closing back down for longer.

Lower income individuals should be the target beneficiaries of everything that is done.

As a recent Public Health graduate, I am proud the way Bryan and College Station have worked together to flatten the curve. I know it will get worse but my public health services should be in place before college students come back into town.

Cross-privilege staff to share the work burden on rotating shifts

Stockpile a 90-day supply of supplies and centralize distribution to the area biocontainment facility. We need to go back to less than 25% capacities. Our numbers are rising and people are not wearing masks. Couples bringing their little kids into the store with no masks and touching everything. Employees everywhere feel unsafe.

No new programs, hemorrhaging money. Open businesses and let's get to work! - jobs buisnesses

Mental wellness is being completely overlooked. People suffering from mild cases of anxiety are overwhelmed. Kids are anxious and overwhelmed. The press conferences from elected officials I will equate to parents scolding children. For children to watch, it increases anxiety levels. Facts and requests should be delivered in a calm and compassionate way.

I believe in 2 weeks we will see an explosion in cases by opening up. People are acting normal as before; but it will never be 'normal' again for some time.

Bryan 2019 Annual Action Plan Amendment Modifications for CDBG-CV3

Public Participation and Comments Received by: (virtual hearings, online surveys, and media / marketing outreach)

Citizen / Stakeholder Comments Received Regarding the CDBG-CV3 Follow:

On November 19 and December 10, 2020 the CDAC provided public forums for discussion of the Community Development Services Department's ongoing programs and to gain community input on client uses of the CDBG-CV3 allocation to address local needs caused by the Coronavirus Pandemic.

Following are comments received related to local needs identified by citizens and agencies, and the subsequent programs proposed by the City using CDBG-CV3 funds addressing those local needs.

Citizen / Stakeholder Comments Received Regarding the CDBG-CV3 funds for the 2019 AAP Follow:

Virtual Public hearing on November 19, 2020:

Tara Dupper (Bryan Independent School District - via email) -Said during the pandemic BISD has seen an increase in the need with rent and utilities with many households facing eviction notices or utility cut off notices Their food pantry has been actively used with families seeking referrals to additional food pantries. Others with loss of income, but unable to show COVID related income loss are struggling to find resources or employment to meet their needs.

Lynn Yeager (the Prenatal Clinic - via Zoom) said families are struggling with access to health care and public transportation, and that many who are unable to show a link with COVID are facing evictions and terminations of utilities. Ms. Yeager said she was proud of the City for its efforts to provide assistance.

Jeannie Mansill-(Project Unity – via Zoom) said they were overwhelmed with the needs and have spent 100% of their previous allocation of funding for the Bryan residents, with the most needed assistance requested was for rental assistance. Ms. Mansill thanked the City for providing funding assistance.

John Paci (Catholic Charities of Central Texas – via Zoom) reported rent and utility assistance as the highest demands. They also see non-COVID related families with housing and utility needs with families at risk of evictions and likely needing future assistance as well. Mr. Paci said CCCT stands ready to help.

Pat Morse (Brazos Valley Center of Independent Living – via Zoom) reported not applying for CDBG grant in several years, with the last application to obtain a vehicle. She reported families without direct impact

with COVID but still struggling to meet needs. The majority of their funding requests is for rent and utilities."

Tilly Flores (United Way – via Zoom) reported that families main income earners are not able to return to work and that, with childcare providers being closed, parents are having to stay home to care for children, thereby facing evictions due to loss of income. She said any funds are greatly appreciated.

Theresa Mongapora (Brazos Valley Foodbank – via Zoom) indicated that the Food Bank was discussing the possibility of doing a food delivery program for Bryan residents and that the program would include case management for citizens and would require acquisition of a vehicle and driver.

Virtual Public hearing on December 10, 2020:

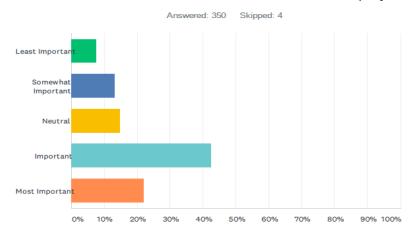

Paul Turney (Brazos Valley Affordable Housing Corp. - via email) recommended forming a HOME Consortium with the seven counties of the BVCOG planning region and addressing these concerns in a collaborated regional approach.

Lynn Yeager (The Prenatal Clinic – via email) said Clinic has provided medical care and health education to low-income women for 35 years, and that Bryan clients represent 69% of those served. The Clinic has seen a significant increase in the need for their services, both from direct and indirect COVID 19 impact. More than ever, funds are needed by organizations that support vulnerable populations. Ms. Yeager said they are appreciative of the City's commitment to non-profit agencies by providing the maximum allowed allocations to public service organizations in the annual plans.

Theresa Mangapora (Brazos Valley Foodbank – via Zoom) said the Food Bank was appreciative of the recommendation of the allocation for public service agency program assistance. Due to COVID19, increased needs are greater in the community for the food bank. The maximum amount would be welcomed as the needs are great and the food bank is trying to fill gaps to meet needs.

2020 CDBG- CV3 Online Survey Question Comments

NOTE: Comments are listed as received without corrections to grammar or spelling.

QUESTION 1: Provide an Economic Development program to enable business job creation/retention for low/moderate income employees.

If can be down to actually help those that actually need it the most.

Must be accountability to assure that funds are used for employee wages.

You need to be able to track this and make sure it is being used for that purpose.

The low/moderate income needs increasing for employees.

No funds to the Super park.

Yes! Helping people in business stay open while helping people work to make money!

Businesses that are following mask mandates and social distancing guidelines should be helped. Those that are not should not be rewarded for not following the rules.

you should focus on saving those small business which are unique to the BCS area instead of coprorations and franchises. Hint: a lot of business in Downton are struggling right now.

Helping people work and make an income is the best way to keep our city healthy

job creation should not focus on creating more low-income jobs. focus should be on creating jobs that facilitate upward mobility.

This is very vague. Job creation/retention is very important, but an Economic Development Program doesn't give us a clear idea how the money will be used.

Need more clarification what this entails - is this jobs to be created for low / moderate pay? If yes - then no - I don't support

Bring real jobs (100k+) for TAMU graduates!!! Pfeizer, Merck, Apple, Amazon, IBM. What is wrong with you people?!! Bring those jobs and other lower pay jobs will follow.

Free housing for homeless children and families it's a lot of kids homeless

Texas is a right to work state.

I've been here 2 months with a Masters in HR and the job market is below average. Educate businesses on how to create jobs in simplifying the jobs from within while increasing production and performance.

This doesn't get funding to the people that need help.

There are enough low paying jobs in the area if people want to work. Doing something towards retention might be helpful but ultimately they will find themselves back in the same condition once the additional money goes away.

QUESTION 2: Deliver meals on wheels to quarantined individuals or those with medical vulnerabilities.

We already have this in our community and it seems to work well.

Should be based on need but not too stringent to qualify and easily accessible to those who need it.

There are many churchs and private orgs that do this, instead of govt

There have been several meal assistant events locally where no one showed up to receive free hot meals

In black and white situations sure. Problem is many people will claim a grey area.

I think this is where local churches and volunteers can be utilized to make more money available for assistance.

Sure

Doesn't include everyone

Quarantine should be medically documented - no free rides

Lots of elderly people are not getting the right meals a day

I have an autoimmune disease and can work. However, I try to limit my exposure. So, I feel like this is important to those that need it.

It's important for the elderly and/or disabled.

Already done.

I think this is one of the things that MUST be done. We need to care for our elderly and shut in.

QUESTION 3: Provide rent assistance..

Would like to see more funds go toward this and less for business assistance. Need accessibility to improve.

People should not be at risk of losing their shelter during a pandemic.

I do not believe in any hand out system. I believe in offering ways to earn additional benefits within a person's abilities.

No nationwide helps has been provided. The eviction moratoriums do not pay rent and will affect landlords and the property tax base. We need rent relief now.

you don't give rent assistance to white families and will give it to minority single mothers on welfare who don't deserve it.

Rent assistance helps low/come renters and the rental property owners in our city

During Covid, citizens aren't expecting a handout, just a leg up. Two months rent, mortgage or utility big would definitely help.

Does this go through HUD?

Everyone should get rental assistance for 2 months

only support if money is paid directly to landlords not to renters to blow on other items

Yes lots of people trying to catch up on the rent and needs help paying off the remaining money

I watched the Houston police evict family and feel that this could be avoided during this pandemic. It's not their fault entirely.

Bryan and college station utilities is a extortionists dream

Provide free rent for couple of months or extend the payment option after 2-3 months so that it will gove them grace period but this will apply if they are having jobs.

Everyone is inquiring about rental assistance and a change in career due to COVID-19.

Must prove job loss or reduction in hours directly related to Covid 19 and only the difference should be granted.

Only if you lost your job

This is tough because there are no evictions happening right now and at some point that money has to be paid or we will have a LOT of homeless people. If it is offered I would like to see it offered to the elderly and disabled first. I also think if you offer rental assistance that it should not be paid out to the individual, it should be paid out to the leasing company or landlord.

QUESTION 4: Provide utility bill assistance.

Air conditioning critical in this environment for health and safety.

Funds should also be used to clear the accounts of people whose utilities have been shut off during the pandemic. Shutting off utilities during a pandemic is dehumanizing.

Utilities is fine but if they have cable tv they should not get assistance.

Or weatherization activities to provide more than a "stop-gap" solution

I do not believe in any hand out system. I believe in offering ways to earn additional benefits within a person's abilities.

Short term assistance to help struggling families keep the lights on is important for those affected by COVID.

Utility assistance can help offset rent and other bills.

make it easily accesible to anyone who applies

More internet service options, basic electricity packages

It would be HUMANE to ask BTU not to cut off electricity to anyone; a/c is a necessity; not a luxury.

At least two months assistance for every citizen would be a tremendous help.

I feel each utility customer should receive assistance got two bill cycle

paid directly to BTU or Atmos not to the individual

If someone has been out of work all this time, I believe that this is very important. I was laid off for 6 months prior to the pandemic and am still financially recovering. However, I also did not have the additional \$600 a week. If I did, I would be fine. Also, unemployment should cover 100% of loss income.

The average utility bill in this town is \$350. That is outrageous.

Many elderly cannot pay these bills .

Unless you provide funds as grants, proportionally regardless of economic status, none should be provided to anyone.

Providing assistance will allow the individual to focus on gaining employment or attending a workforce program.

Same comment as #3

Only if you lost your job

People have to have utilities, when people don't pay, eventually those that do absorb the loss.

QUESTION 5: Provide broadband service assistance to low/moderate income households.

Internet service maybe not broadband service.

Could be helpful for people needing to look for work and manage affairs and for kids with school work.

This is incredibly important for families whose children are being schooled remotely.

Primarily important while school-age children need computer support for their classroom activities

I believe this is already being done where ISD students require it.

only as important as how long students are banned from attending school

Just until schools re-open and only for those truly without another way to work around, like sending there kids to school.

This is important to help limit unnecessary outings by letting residents shop from home, work from home and choose virtual learning.

sudenlink sucks

For online education

Only to at risk families with students/parents working from home.

Specially for households with kids at school age

We need an alternative to Suddenlink for the entire area. Please get rid of their monopoly

suddenlink is horrible

this would enable more children from low-income households to attend school remotely

Only for school age children and college students

Many elderly do not have internet. School aged children should all have internet for school .

Especially with all the kids doing virtual. If family members are immune comprised, by having access to internet, the family has more options to protect their people.

Kids need the Internet due to virtual school no parent should have to leave home ensuring the child is educated virtually.

Use CBRS (partner with TAMU for use of FCC PAL license) to facilitate municipal LTE coverage for home broadband and other CoB functions

Especially those with school aged children

Kids that come from low income homes need to learn just as much any other kids.

Internet is NOT a necessity. A person won't die without broadband.

QUESTION 6: Provide mortgage assistance.

Only if refinancing/2nd mortgage is unavailable to applicants

Mortgage assistance should be prioritized for homeowners who live in their properties.

Important- IF- we allow people to not pay their rent or continue limiting evictions. You cannot tell a rental owner that they have to go without income without providing government assistance. So if the govt. allows people to not pay, they need to foot the bill.

mortgages are a privledge

Mortgage delay opportunities

People need assistance to stay home if they are quarantined or laid off. Keeping your house is of upmost importance

Are least two months assistance would definitely make things a little easier for all citizens.

Mortgage companies should do this

Only to small locally owned business not to individuals or chains

I think the more we give to people the more they expect.

I lost my house in the 2008 crisis. I feel that just like that, this is not their fault.

Extend the grace period for the payments. This will work only if they have jobs.

Houses will flop and communities will become deserted losing value. A lot of home owners are transitioning to an apt for financial reasons.

Only if you lost you job

I do not think payments should be made to individuals but should rather be made directly to the lending company. This will help insure it is spent on what it is allocated for. I had to defer 2 payments during COVID and just getting that caught back up would be a huge help but I would never want the money to go to me. I am paying interest on what was deferred so paying it back would help me save money on the life of my mortgage.

QUESTION 7: Provide food for pantry distribution.

We already have a good system of this in our community

For people with covid and those unemployed.

Like utilities and rent, we should be trying to meet people's basic needs right now.

Lots of other food support options

Again, in black and white situations and with some commitment from the recipient. Like looking for work, remotely if needed. Maybe the govt. could pay these people to do contact tracing.

Again I think this can be done by private entities and faith organizations through donations

feel that this has been addressed...but, if gaps exist this would be important

make it available for those who need it and ban illegals and welfare recipients from abusing it

I see people comment they have relied on the food panty for 10 years. Its not supposed to be a long term fix, only when actually in need

For only those who need it. I know individuals who take advantage of this and shouldn't.

This is a deep issue even working families are in need of food.

People have to eat in order to survive.

QUESTION 8: Job training to expand the number of health care workers available to treat disease.

Could be done with/under question 1, do not necessarily need this specific program for this community.

There seems to be a surplus of health care workers right now.

This could serve a dual purpose. You create a job for someone while increasing a needed person in the community.

unsure of this need...seems as if many healthcare workers are being furloughed or hours cut that might be available to fill gaps

We're in the middle of a pandemic. This be should be prioritized.

sure. create more jobs. make it so people who have never worked healthcare can get basic certifications

In the future

Important but unfortunately it may be too late to start this.

You couldn't pay me enough to work in healthcare now.

Each hospital should already have something like this in place. It's almost been a year. CHI always have learning opportunities like HIPPA and what to do with bodily fluids. This should not be any different.

This benefits both the economic and medical health and stability of our community.

Yes, encourage individuals out of work into areas where there may be a high need for personnel.

This does not seem to be something achievable with the available funds given many health care workers who car "treat" are licensed and require years of school.

We have enough. We need to stop believing the MSM that the sky is falling. Pay the ones we have a competitive wage and bring back to work those that were laid off during the pandemic.

QUESTION 9: Provide equipment, supplies, and materials to carry out a public service.

This is very vague.

Would it be possible to elaborate on what this public service might be? I do not want funds to be used to increase policing when other public services would be more useful, such as mental and physical health care and PPE for residents who are not able to get it at their workplaces.

This is very vague. Examples would help.

What kind of public service? Injecting us with vaccines? No thanks.

If necessary

I'm not sure what this refers to

Depends on what the "public service" is

Not sure what this means.

Are there shortages still? I feel like the economy is picking up and, the hospitals are being paid for the COVID patients either by the state or their insurance.

Please widen the highway

It depends on what you mean by public service. I believe that we should ensure our Law Enforcement, Fire and EMS providers and MENTAL HEALTH PROVIDERS are taken care of in every aspect.

QUESTION 10: Increase capacity and availability of targeted health services for infectious disease.

People who are uninsured and get COVID need access to care without being saddled with large debt.

We did not reach full capacity so why would we need more?

Hospital and health services responsibility

With Covid creating a new normal for us all, this is of utmost importance!

We're in the middle of a pandemic. This should be a priority.

Like what?

Not at the forefront

I think this is somewhat important. You never know what biological warfare is next.

Do we do that now for HIV/AIDS, Tuberculosis, Hepatitis or Influenza?

QUESTION 11: Provide testing, diagnosis, and other services at a fixed location.

Having to hunt for something and pay for it can be very hard for some people.

People who are uninsured need an alternative to the emergency room. Health For All will not take them.

People should not be expected to dip into their savings to fulfill public health best practices. It is in all of our best interests for people to be able to easily seek a diagnosis for a pandemic disease without incurring cost.

We already have so many private medical facilities that are performing tests and services, I do not see why this money should be used here.

Absolutely. If this is testing for COVID, this should be a priority.

who cares. Covid is overblown and everybody knows it.

For COVID

need more transparency in reporting. Need media to ask hard queiston not "throw softballs" at press conferences. I get my facts from TexAgs not the local media on this issue - tired of fear mongering

I think it should be available at all hospitals. That's what they're for.

Folks need a place they know they can go...

Seems like we are pretty much doing that now. We have "COVID" locations in the health care field that you are sent to in order to be tested if you want to have any type of procedure done at CHI..

QUESTION 12: Construct or rehabilitate a facility to establish an infectious disease treatment clinic.

Not enough money to undertake this as well as assisting people in more immediate need.

Not enough money to undertake this as well as assisting people in more immediate need.

This is a limited time issue. Why would you invest in a long term "solution" that will require upkeep?

rehab....but is covid-related hospitializations a real driving factor, or is lagging hospital/city policy forcing need for this capacity

I don't think that the government needs to replace our healthcare systems but definitely encourage and help it grow without healthcare system abuse ie. overcharging individuals or the government.

We have existing facilities already

We have existing facilities already

Sure go ahead. Better to have it and not need it than need it and not have it.

Not now

Only if hospitals starting reaching capacity

Plenty of empty buildings to rennovate, no need to build a new one

Would be a good approach

There's infectious disease doctors here. If they are already at the hospital, the individual should remain where they are instead of moving them to another location and exposing more people. This spreads it.

We already have enough facilities... Utilize what we have..

QUESTION 13: Open-Ended Responses

All of the options on the previous list are worthy uses of funds. Some are just more worthy than others.

Poorly designed scale on your response format. As you've designed it, "Neutral" should be treated as no response and not scored higher or lower than responses on either side of it.

Programs in support of children, particularly those who suffer from abuse and neglect, should be a priority if those uses are CDBG eligible

I think our community is doing a good job!

No fund to be used in Super Park.

any decision should be data driven, not theoretical. Are hospitalkzations and deaths really in excess to previous years or more dangerous than extant morbidities like heart disease and cancer. Is our fear of the prospect of covid-related effects creating our own self-fulfilling prophecy policy? I.e. are people being diverted/prohibited from conducting regular business and access to healthcare bc of an imagined or exagerated covid risk?

COVID-19 testing and isolation are #1 priorities, there are too many incentives to keep people from working. we are having trouble hiring enough people that really want to work.

Money should be prioritized to expand medical infrastructure and capacity to test, diagnose, and long term treat disease and illness for all in the community. Prioritizing assistance to low income or delinquent bill payers should be come after boosting medical capacities and general infrastructure of utilities, medicine, and services provided by the city.

Make getting help the grant money a lot more simple the app process is way too long and wants way too much information. Would really help mid to low employee retention

Not clearly addressed in the questions, but prevention is the key. Community education and commitment to do the work to keep this virus at bay. I am in Europe right now and people are mostly living as normal, you just have a mask at all times and respect others and the rules. The only way to do this is as a community who cares about each other.

I would like to see a public address from a Mayor or local public official. Local support could help a lot of people. This is a rare global pandemic and I think the mayor could say a few words for the people of this city who have, and continue to be in, isolation while under great stress from the drastic adjustments of constant worry and uncertainty. It is hard to depend on the federal government for understanding right now. We can strengthen our local communities during this time.

Get people back to work

Start stressing the importance of getting flu shots now to prevent hospitals reaching capacity. Funding for free flu clinics with a reserve for free COVID 19 vaccinations when it becomes available.

I think it's very important to help families with financial assistance to deal with the expense of medical bills or medical needs of the patients that are recovering from the corona virus.

With number of hospitals and clinics, St Joseph Urgent Care/?Hospital by Lowe's off Feeder Road in CS, there is plenty of possible space to utilize for a COVID-19 CAMP. No need to build something with this \$

I think it is very important that these funds go directly to those in need and to boost the economy, and are not spent on overhead or on the treatment of a non serious virus.

The community-based needs are vast in our community, with those at lowest socio-economic levels having greatest need. I view anything that can be done to benefit this group as an INVESTMENT in future well-being of the larger community and economy.

I feel every family just need a little help. If we would receive rental and utility assistance for two months most people would not feel so strained

Provide mental health facilities.

Please help locally owned already established small businesses as much as possible.

Preventing spread of the disease should be the first priority. Free covid testing and treatment is most important.

At this point in the covid19 environment, the funds should be used to shore up peoples current situation FIRST. Job training is important but if those types of jobs are scarce the funds expended are not used as effectively.

Make sure services go to Black and Latinx populations who are disproportionally affected by the virus. Things like eviction prevention through rent assistance and providing adequate internet connectivity so their children can do virtual learning

Health,healthcare workers & healthcare availability is very important. A centralized location or several locations where health services can be delivered is important. We have to move to open up the economy,create jobs,provide relief to job creators & employers,& get consumer spending going again,so that the local economy is strong,there are opportunities afforded,& the unemployment rate can be brought down to a reasonable level. Bryan,College Station,Brazos County,Texas A&M & Blinn College need to act as a unified force & unit,instead of all trying to go it alone & act independently of each other.

Help people who have lost a love one due to the coronavirus.

Hoping some funds can help with increase in demand for social workers licensing and helping kids affected by this

Daycare and Preschool

Use the money wisely

Daycare and Pre-k assistance. These cost money and it's hard to find a job if you cannot afford it. Also, pre-k should be free like all other public school. Also, when I was on unemployment prior to the pandemic, there was such a long waiting list that I was not able to qualify for the assistance that I needed. This should be just as important as unemployment. If a school setting was available from birth (public school & free), we all would be educating our children sooner and investing in our future generations.

Find a way to charge a reasonable power fee that doesn't equate half of the rent cost per month.

Help businesses employee local residents so they can provide for themselves long term.

Make wearing a mask outside in a public space mandatory.

By now, everyone should have made pandemic related changes in lifestyle. I have been living on my personal savings, and have not received any financial support, period. Funds should be used to support the population equally, and not as 'welfare'. My vote will be based on your decisions, Bryan is not a charity.

Money needs to go to the school district

Testing center and food distribution needed

Some of these can be providing provision with volunteers doing the work such as meals on wheels and food pantries so helping those financially should be value effective.

Créate more jobs locally.

Need for work for training (telecom, fiber optics, wireless)

You didn't even consider mental health services. That is an extremely important area even before COVID but especially now with the closure of rock prairie behavioral health. Hire social workers to assist law enforcement on mental health and domestic violence calls.

Please consider training/resources even grants to help health care workers further their education at the end of the day they are the ones who are risking their life's to take care of us and we often forget they are also humans and have families to take care of

Property tax refund would benefit the most people in one simple process.

Our biggest issue was finding out our foster son had been exposed and we all had to immediately quarantine with no notice. Our church brought dinner for us that night, but we needed more groceries and meals because we weren't allowed to leave, had no notice, and suddenly we're all home needing three meals and snacks every day until we could test the child and wait out his negative result. It was quite an ordeal we did not plan for. We had to designate an adult (my husband) to be the person who leaves for drive-thru pickups only and have him the lease involved in childcare duties. It's too expensive to have someone bring food for everyone three times a day. Meals for quarantined individuals so they can remain quarantined is necessary.

Please address property tax. There are many small landlords who haven't received rent for 6+ months, and are scrambling to make enough to cover taxes due in December.

OPEN BACK UP and stop being greedy because there is Federal Money on the table. People have worked their asses off to make this one of the best damn places to live and keeping the small business shut down or making them jump through hoops to be open is KILLING them.. Help the mom & pops.. The community is watching.. Roll back the mask order mandate. THEY AREN'T HELPING AND ANYONE WITH ANY SENSE KNOWS IT!!!! Do people really think the citizens of this area don't see what is going on? Governments should be in place to serve the PEOPLE that put them there. STOP BEING GREEDY AND OPPORTUNISTIC. How about yall take some of this money and pay our PROPERTY TAXES since they keep going up.... Oh the tax rate went down, but the value of my home went up \$35K? During a PANDEMIC??? And why am I have to pay BISD School Tax when #1 School has been closed and now that it is reopening there is a choice they can make on whether to attend and #2 I don't even have KIDS in school. AND STOP FIXING THE SAME ROADS OVER AND OVER.... And one last thing, if yall are so worried about our community and our opinion why are yall building that BS golf and recreation thing? Spend it on upgrading the older parts of the city and infrastructure...

Rental assistance will be most important for addressing evictions. Disease programming is less important considering the other agencies and organizations in the are like TAMU extension etc.

<u>Substandard Condition but Suitable for Rehab:</u> By local definition, dwelling units that do not meet standard conditions but are both financially and structurally feasible for rehabilitation. This does not include units that require only cosmetic work, correction of minor livability problems, or maintenance work.

CITY OF BRYAN CITIZEN PARTICIPATION PLAN

The City of Bryan Community Development Services (CDS) Department's *Citizen Participation Plan* is designed to afford all citizens of Bryan, including low- and moderate-income citizens, the opportunity to comment on the Consolidated Plan, Annual Action Plans, Consolidated Annual Performance and Evaluation Reports, and community development procedures, and specific project goals and funding. Citizens and organizations can provide comments on activities to the Community Development Office, 1803 Greenfield Plaza, P.O. Box 1000, Bryan, TX 77805. The phone number for CDS is 979-209-5175. A messaging service is available for calls after normal business hours and messages may be sent to the CDS Dept. at:

CommunityDevelopmentWeb@bryantx.gov

SECTION I. ENCOURAGING PARTICIPATION

The City of Bryan will, as necessary, amend the citizen participation plan to comply with provisions of this section.

The City of Bryan Citizen Plan will provide for and encourage citizens to participate in the development of the Consolidated Plan, Annual Action Plans, any substantial amendments to the plans, and the end-of-year Consolidated Annual Performance and Evaluation Reports.

The *Citizen Participation Plan* will encourage participation by low- to moderate-income persons, particularly those living in slum and blighted area and in areas where CDBG and/or HOME grant funds are proposed to be used, and by residents of predominantly low- and moderate-income neighborhoods, as defined by the community development target areas. The City of Bryan will also take whatever actions are appropriate to encourage the participation of all its citizens, including minorities and non-English speaking persons, as well as persons with disabilities (see *SECTION V. PUBLIC HEARINGS* following).

The City of Bryan shall encourage, in conjunction with consultation with public housing authorities, the participation of residents of public and assisted housing developments, in the process of developing and implementing the Consolidated Plans and Annual Action Plans, along with other low-income residents of targeted revitalization areas in which the developments are located. The City of Bryan shall make an effort to provide information available at the annual public hearings required under the Consolidated Plan public participation requirements.

The City of Bryan will provide citizens with a reasonable opportunity to comment on this citizen participation plan and on substantial amendments to the citizen participation plan, and will make the citizen participation plan public; The City of Bryan Citizen Participation Plan will be in a format accessible to persons with disabilities, upon request.

SECTION II. MINIMUM REQUIREMENTS

The City of Bryan Citizen Participation Plan will require that, before the City of Bryan adopts Consolidated Plans or Annual Action Plans, it will make available to citizens, public agencies, and other interested parties information that includes the amount of assistance the City of Bryan expects to receive and the range of activities that may be undertaken, including the estimated amount that will benefit persons of low- and moderated-income.

Page 1 of 5

The City of Bryan Citizens Participation Plan will also set forth the City of Bryan's plans to minimize displacement of persons and to assist any persons displaced. The City of Bryan Citizen Participation Plan ensure the City informs the public on when and how the jurisdiction will make this information available.

The City of Bryan Citizen Participation Plan requires the City of Bryan to publish the proposed Consolidated Plans or Annual Action Plans in a manner that affords citizens, public agencies, and other interested parties a reasonable opportunity to examine its contents and to submit comments. The City of Bryan Citizen Participation Plan sets forth how the City of Bryan will publish plans and reports and give reasonable opportunity to examine the contents of the proposed plans and reports.

The City of Bryan will provide a reasonable number of free copies of the plans and reports to citizens and groups request such. The City of Bryan Citizen Participation Plan will provide for at least one public hearing during the development phase of the Consolidated Plans or Annual Action Plans.

The City of Bryan Citizens Participation Plan shall require the City of Bryan to consider any comments or views of citizens received in writing, or orally at the public hearings, in preparing the final Consolidated Plans or Annual Action Plans. A summary of these comments or views, and a summary of any comments or views not accepted and the reasons therefore, shall be attached to the final Consolidated Plan or Annual Action Plan.

SECTION III. AMENDMENTS

The City of Bryan Citizen Participation Plan will specify the criteria the City of Bryan will use for determining what changes in the City's planned or actual activities constitute a substantial amendment to the Consolidated Plans or Annual Action Plans. It will include criteria for changes in the use of HOME and/or CDBG grant funds from one eligible activity to another.

The City of Bryan Citizen Participation Plan will provide citizens with reasonable notice and an opportunity to comment on substantial amendments. The City of Bryan Citizen Participation Plan will state how reasonable notice and an opportunity to comment will be given. The City of Bryan Citizen Participation Plan requires a period, not less than 30 days, to receive comments on the substantial amendment before an amendment is implemented.

The City of Bryan Citizen Participation Plan requires that the City of Bryan consider any comments or views of citizens received in writing, or orally at public hearings, if any, in preparing the substantial amendment of Consolidated Plans or Annual Action Plans. A summary of these comments or views and a summary of any comments of views not accepted and the reasons there of shall be attached to the substantial amendment to the Consolidated Plan or Annual Action Plan.

SECTION IV. PERFORMANCE REPORTS

The City of Bryan Citizen Participation Plan ensures citizens with reasonable notice and opportunity to comment on the Consolidated Annual Performance and Evaluation Report (CAPER). The Bryan Citizen Participation Plan states how reasonable notice and an opportunity to comment is provided. The Citizen Participation Plan provides a period of not less than 15 days to receive comments on the CAPER that is to be submitted to HUD before its submission.

Page 2 of 5

The City of Bryan Citizen Participation Plan requires the City of Bryan to consider any citizen comments or views received in writing, email, or verbally at a public hearing in preparation of the CAPER. A summary of these comments or views will be attached to the performance report.

SECTION V. PUBLIC HEARINGS

The City of Bryan Citizens Participation Plan requires at least two public hearings per year be held to obtain citizen's input and to respond to proposals and questions. Hearings will be conducted at a minimum of two different stages of the program year. The hearings will address housing and community development needs, development of proposed activities, and review of program performance. At least one of these hearings will be held before the proposed Consolidated Plan or Annual Action Plan is published for comment to obtain views of citizens on housing and community development needs, including priority on housing community development needs.

The City of Bryan Citizen Participation Plan will state how and when adequate advance notice will be given to citizens of each hearing with sufficient information published about the subject of the hearing to permit informed comment. The City of Bryan Citizen Participation Plan will provide that hearings be held at times and locations convenient to potential and actual beneficiaries and with accommodation for persons with disabilities. The City of Bryan Citizen Participation Plan will specify how it will meet these requirements.

In the event of local, state, or national environmental, economic, health, or other unforeseen disasters, pandemics or other catastrophes and in accordance to HUD guidance the City may elect to hold online and/or broadcast "Virtual Public Hearings" (VPH) to ensure opportunities for citizens to provide comment and input on Consolidated Plans, Annual Action Plans, Consolidated Annual Performance and Evaluation Reports, plan amendments, and any other publication requiring public input and/or review. Virtual public hearings can be used if 1) national /local health authorities recommend social distancing and limiting public gathers for public health reasons; and 2) virtual hearings provide for reasonable notification and access for citizens in accordance with the grantee's certifications, timely response for local officials to all citizens questions, issues, and public access to all questions and responses. The public will be notified of VPHs through the traditional public notice methods (newspaper notices, radio, television, internet, etc.), and accommodations for other means of participating and commenting will be provided for those lacking computer, internet, phone, or other equipment or service requirements. In these circumstances, the public notification will be abbreviated to a reasonable period of notification as determined by the City (72 hours) and a reasonable opportunity to comment of no less than 5 days.

The City of Bryan Citizen Participation Plan will identify how the needs of non-English speaking residents will be met in the case of public hearings where a significant number of non-English residents can be reasonably expected to participate.

SECTION VI. MEETINGS

The City of Bryan Citizen Participation Plan will provide citizens with reasonable and timely access to local meetings.

SECTION VII. AVAILABLILTY TO THE PUBLIC

The City of Bryan Citizen Participation Plan will provide that Consolidated Plans or Annual Action Plans, as adopted, substantial amendments and Consolidated Annual Performance and Evaluation Reports will be available to the public, including the availability of materials in a form accessible to persons with disabilities, upon request. The City of Bryan Citizen Participation Plan will state how these documents will be made available to the public.

SECTION VIII. ACCESS TO RECORDS

The City of Bryan Citizen Participation Plan will require the City of Bryan to provide citizens, public agencies, and other interested parties with reasonable and timely access to information and a record relating to the City of Bryan's Consolidated Plan and the City's use of assistance under the programs covered by this part during the preceding five years.

SECTION IX. TECHNICAL ASSISTANCE

The City of Bryan Citizen Participation Plan will provide for technical assistance to groups representative of persons of low- and moderate-income that request such assistance in developing proposals for funding assistance. Under any of the programs covered by the Consolidated Plan, with the level and type of assistance determined by the City of Bryan.

SECTION X. COMPLAINTS

The City of Bryan Citizen Participation Plan will describe the City of Bryan's appropriate and practicable procedures to handle complaints from citizens related to the Consolidated Plan, Annual Action Plan, substantial amendments, and Consolidated Annual Performance and Evaluation Report.

SECTION XI. USE OF PLAN

The City of Bryan will follow its citizen participation plan.

SECTION XII. JURISDICTION RESPONSE

The requirements for citizen participation will not restrict the responsibility for the development and execution of its Consolidated Plan.

SECTION XIII. BRYAN LOCAL DEFINITION OF SUBSTANTIAL CHANGE TO COMMUNITY DEVELOPMENT CONSOLIDATED PLAN OR ANNUAL ACTION PLAN

Amendments to Consolidated Plans or Annual Action Plans require notice to the public and opportunity for the public to comment.

Amendments are required whenever an activity is deleted or when one is added as required by HUD regulatory requirements,

Amendments are also required when there will be a <u>substantial change</u> in the purpose, scope, location or beneficiaries of an activity.

Page 4 of 5

For the City of Bryan CDBG and HOME grant programs, a substantial change is defined as one in which:

- 1. More than 15% if the CDBG or HOME annual allocation is directed to a different activity than originally allocated to in the Annual Action Plan.
- 2. A change in use of funds from operational to rehabilitation/construction/or vice versa.
- 3. A change in national objective being addressed.

Prior to amending its Consolidated Plan or Annual Action Plan, the City shall provide citizens with reasonable notice of, and opportunity to comment on, such proposed changes in its use of funds. The City will consider any such comments and, if it deems appropriate, modify the changes. The City will make available to the public, and will submit to HUD, a description of any changes adopted. A letter transmitting such description to the U.S. Department of Housing and Urban Development will be signed by the Mayor or his/her designee.

Community Development Services Department City of Bryan, Texas

Disaster / Pandemic Response Plan Summary

A *Disaster/Pandemic Response Plan* is adopted by the City outlining policies and procedures to allow the Community Development Services Department (CDS) to continue serving the public in the event of a local, or large scale emergency/disaster. Use of federal grant funding from the U.S. Dept. of HUD, will continue within the controlling regulations and governing statutes, and other amended or waived statutory requirements then in affect. CDS is prepared to respond to a Significant Business Disruption (SBD) — either internal or external, where internal SBDs affect only CDS's ability to communicate and do business, while external SBDs prevent the operation of all or a large portion of the entire City organization.

Required public notices, comment periods, amendment adoptions, and other submittal requirements will be made in accordance with HUD directives and/or waivers in effect at that time. As allowed by HUD, and directed by city management, a variety of *modified* grant management procedures may be enacted, to include but not limited to: use of electronic signature and submittal; amendments to Consolidated and/or Action Plans; abbreviated comment periods; modifications to proposal requirements; establishment of emergency program assistance; creation or elimination of programs; reallocation of funds; and virtual/online public meetings.

Additionally, and to ensure business continuity and safety for staff and the public, a variety of *contingency operating procedures* may be enacted by CDS or city management, to include but not limited to: limited public access to CDS office; closed, or relocated CDS office; staff working remotely; suspended program activities; and as also noted above, virtual/online public meetings.

Affirmative Marketing Policy and Implementing Procedures

Statement of Policy

In accordance with the regulations of 24 CFR 92.351 (a) of the Home Program and in furtherance of the City of Bryan's commitment to non-discrimination and equal opportunity in housing, the City of Bryan has established procedures to affirmatively market units constructed or rehabilitated through the City's affordable housing programs. These procedures are intended to further the objectives of Title VIII of the Civil Rights Act of 1968 and Executive Order 11063.

The City of Bryan believes that individuals of similar economic levels in the same housing market area should have available to them a like range of housing choices regardless of their race, color, religion, sex, and national origin.

The City of Bryan is committed to the goals of affirmative marketing which will be implemented in our affordable housing programs through a specific set of steps that the City and participating owners will follow. These goals will be reached through the following procedures:

1. <u>Informing the public, potential tenants, and owners about Federal Fair Housing Laws and Affirmative</u> Marketing Policies:

The City will inform the public, potential tenants, and poverty owners about this policy and fair housing laws.

The City will:

- Inform the general public by placing a special news release in <u>The Eagle</u>.
- Inform potential tenants or purchasers by providing informational materials about the program to the B/CS Association of Realtors for membership distribution.
- Inform owners, builders and developers by providing information materials to the Home Builders Association for membership distribution to those who may participate in the City programs. The City will provide a copy of the Affirmative Marketing Policy to all builders/developers participating in City housing programs.

2. Inform persons of all racial, ethnic and gender groups of unit availability

All housing developed through the City of Bryan's Affordable Housing Programs will be marketed using the following guidelines.

The City of Bryan will require participating property owners to contact city staff when they know a property is to become available. We will advise owners to give us this information as close as 30 days prior to the upcoming vacancy as possible.

The City will make information about available properties known by:

- Advertising to the general public in The Eagle which is the newspaper of general circulation.
- We will advertise after special outreach efforts to inform persons otherwise not likely to apply proves unsuccessful.
- Providing public notice at the Community Development Advisory Committee (CDAC) meeting.

3. Attract and solicit applications for assistance from persons not likely to apply without special outreach. In order to inform as well as solicit applications from persons in the housing market area who are not likely to apply for units without special outreach, the City has established procedures to reach this objective.

The City has identified African American and Hispanic households as two groups in the housing market area who would probably not apply for the units without special outreach. Having identified these two groups, The Community Development Services Department will undertake special outreach methods as follows:

- For the predominantly African American, the City of Bryan will contact the churches serving the African American community in the neighborhood of the development, and request that these organizations inform members of their organizations about the availability of newly-developed housing units and housing assistance programs.
- For the predominantly Hispanic group, the City of Bryan will contact churches serving the Hispanic community in the neighborhood of the development and the local LULAC group in order to request that these organizations inform members of their organizations about the availability of newly developed housing units and housing assistance programs.

4 Record Keeping

The City will keep records of the following:

- The racial, ethnic and gender characteristics of home buyers, homeowners and applicants for a minimum of 5-years following project completion.
- Copies of advertisements and dates of each contact in conducting special outreach.

We will also require that organizations receiving federal housing funds through the Community Development Services Department to keep a record of how available properties were marketed.

5. **Assessment and Corrective Actions**

Effectiveness of our affirmative marketing efforts will be addressed as follows:

a) To determine of good faith efforts have been made:

Compare the information contained on the records to be kept, as determined by Procedure
 4, with actions that were taken to carry out Procedures 2 to 3. If the required steps were taken, we will determine that good faith efforts have been made.

b) To determine results:

• Examine whether or not persons from the African American and Hispanic groups in our area applied for or became tenants or owners of units that were affirmatively marketed. If we find that they are represented, we will assume our procedures were effective.

If one or more such groups are not represented, we will review the procedures to determine what changes, if any, might be made to make the affirmative marketing efforts more effective. The City of Bryan will take corrective actions if owners fail to carry out procedures required under this plan. If, after repeated notification, the owners continue to fail to meet the affirmative marketing requirements, the City may disqualify an owner from future participation in any of the City of Bryan's housing programs.

The City of Bryan will carry out assessment activities and complete a written assessment of affirmative marketing efforts to be included in the annual performance report to HUD. This assessment will cover marketing relative to units constructed or rehabilitated and first made available for occupancy during that year.

Affirmative Marketing Techniques

Owners, builders and developers offering properties assisted by the City of Bryan Community Development Services Department are required to comply with the City's affirmative marketing requirement on all units sold under the program. The Department of Housing and Urban Development has set fourth guidelines and to assist in meeting affirmative marketing goals.

The following is a list of activities which must be carried out by assisted property owners, builders, developers, or agencies in order to insure compliance with federal regulations:

- Correspond with various community organizations, employment agencies, churches, etc. in order to accomplish special outreach to those not likely to apply for housing in the available properties.
- 2. Utilize the fair housing logo on all printed advertisements and prominently in the business office.
- 3. Provide a fair housing brochure to prospective tenants in order to inform them of fair housing laws and the City's Affirmative Marketing Policy.

The following is a list of local agencies which will be notified in the event assisted units become available under the City's Housing Assistance Programs:

SECTION 3 COMPLIANCE PLAN for Applicable City of Bryan Programs and Projects

Section 3 is a provision of the Housing and Urban Development Act of 1968. Section 3 is intended to ensure that when employment or contracting opportunities are generated because a federally-funded project necessitates the employment of additional persons or the awarding of contracts for work, preference must be given to lowand very low-income persons or business concerns residing in the community where the project is located. Section 3 applies to the department as a recipient of HUD funds for any projects, in which the HUD investment is \$200,000 or more, and contractors or subcontractors receiving \$100,000 or more in covered funds.

I. PURPOSE

The purpose of this Plan is to provide employment and business opportunity for businesses and lower income persons who are residents of the Bryan – College Station MSA referred to as the Section 3 Area under the Community Development Block Grant Program, by setting forth procedures to be implemented by contractors and subcontractors to assure compliance with Section 3 of the Housing and Urban Development Act, as defined in 24 CFR part 135 (for project receiving federal assistance of \$200,000 or more or contracts for covered projects receiving \$100,000 or more).

A. Definitions:

- Section 3-Covered Project A Section 3-Covered project involves the construction or rehabilitation of housing (including reduction of lead-based paint hazards), or other public construction such as street repair, sewage line repair or installation, updates to building facades, etc. which is funded by HUD, and in which contractors or subcontractors receive \$100,000 or more in covered funds.
- 2. Section 3 Resident A "section 3 resident" is: 1) a public housing resident; or 2) a low- or very low-income person residing in the metropolitan area or Non-metropolitan County in which the Section 3 covered assistance is expended.
- 3. Section 3 Business Concern Section 3 business concerns are businesses that can provide evidence that they meet one of the following: 51 percent or more owned by Section 3 residents; or at least 30 percent of its full time employees include persons that are currently Section 3 residents, or within three years of the date of first employment with the business concern were Section 3 residents; or provides evidence, as required, of a commitment to subcontract in excess of 25 percent of the dollar award of all subcontracts to be awarded to business concerns that meet the qualifications above.
- 4. Race and Gender Neutral Section 3 is both race and gender neutral. The preferences provided under this regulation are based on income-level and location. The Section 3 regulations were designed to encourage recipients of HUD funding to direct new employment and contracting opportunities to low-income residents, and the businesses that employ these persons, within their community regardless of race and/or gender.
- B. Numerical Goals: The department shall meet, and ensure that covered contractors and subcontractors meet the minimum numerical goals set forth at 24 CFR Part 135.30:
 - 1. 30 percent of the aggregate number of new hires shall be Section 3 residents; and
 - 2. 10 percent of all covered construction contracts shall be awarded to Section 3 business concerns.
 - 3. At least three (3) percent of the total dollar amount of all other section 3 covered contracts.
 - 4. In accordance with 24 CFR § 135.30, if these minimum requirements are not met, sufficient documentation must be kept to provide reasoning and justification for non-compliance. This documentation should include evidence of all Section 3 outreach efforts.
 - 5. In order to meet these goals, the department shall maintain a certification process for Section 3 business concerns.
- C. The following clause shall be included (verbatim) in bid documents and all contracts for projects in which the amount of federal investment exceeds \$100,000.

24 CFR § 135.38 Section 3 clause.

All section 3 covered contracts shall include the following clause (referred to as the section 3 clause):

A. The work to be performed under this contract is subject to the requirements of section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701u (section 3). The purpose of section 3 is to ensure that employment and other economic opportunities generated by HUD assistance or HUD-assisted projects covered by section 3, shall, to the greatest extent feasible, be directed to low- and very low-income persons, particularly persons who are recipients of HUD assistance for housing.

Page 5 of 12

- B. The parties to this contract agree to comply with HUD's regulations in 24 CFR part 135, which implement section 3. As evidenced by their execution of this contract, the parties to this contract certify that they are under no contractual or other impediment that would prevent them from complying with the part 135 regulations.
- C. The contractor agrees to send to each labor organization or representative of workers with which the contractor has a collective bargaining agreement or other understanding, if any, a notice advising the labor organization or workers' representative of the contractor's commitments under this section 3 clause, and will post copies of the notice in conspicuous places at the work site where both employees and applicants for training and employment positions can see the notice. The notice shall describe the section 3 preference, shall set forth minimum number and job titles subject to hire, availability of apprenticeship and training positions, the qualifications for each; and the name and location of the person(s) taking applications for each of the positions; and the anticipated date the work shall begin.
- D. The contractor agrees to include this section 3 clause in every subcontract subject to compliance with regulations in 24 CFR part 135, and agrees to take appropriate action, as provided in an applicable provision of the subcontract or in this section 3 clause, upon a finding that the subcontractor is in violation of the regulations in 24 CFR part 135. The contractor will not subcontract with any subcontractor where the contractor has notice or knowledge that the subcontractor has been found in violation of the regulations in 24 CFR part 135.
- E. The contractor will certify that any vacant employment positions, including training positions, that are filled (1) after the contractor is selected but before the contract is executed, and (2) with persons other than those to whom the regulations of 24 CFR part 135 require employment opportunities to be directed, were not filled to circumvent the contractor's obligations under 24 CFR part 135.
- F. Noncompliance with HUD's regulations in 24 CFR part 135 may result in sanctions, termination of this contract for default, and debarment or suspension from future HUD assisted contracts.
- G. With respect to work performed in connection with section 3 covered Indian housing assistance, section 7(b) of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 450e) also applies to the work to be performed under this contract. Section 7(b) requires that to the greatest extent feasible (i) preference and opportunities for training and employment shall be given to Indians, and (ii) preference in the award of contracts and subcontracts shall be given to Indian organizations and Indian-owned Economic Enterprises. Parties to this contract that are subject to the provisions of section 3 and section 7(b) agree to comply with section 3 to the maximum extent feasible, but not in derogation of compliance with section 7(b).

D. UTILIZATION OF SECTION 3 AREA RESIDENTS AND BUSINESSES

All contractors subject to this Section 3 regulation will provide a "Preliminary Statement of Work Force Needs" form, prior to the signing of a contract. This form shows the needed number and types of job classifications, current vacant positions and expected positions for new hires in the projected work force.

- Each applicant, recipient, contractor or subcontractor undertaking work in connection with a Section 3 covered project can fulfill the obligation to utilize lower income project area residents as trainees to the greatest extent in the various training categories and filling any vacant training positions with lower income project area residents except for those training position which remain unfilled after a good faith effort has been made to fill them with eligible income project area residents.
- 2. Each applicant, recipient, contractor or subcontractor undertaking work in connection with a Section 3 covered project can fulfill the obligation to utilize lower income project area residents as employees to the greatest extent feasible by identifying the number and types of positions not currently occupied by regular, permanent employees and establishing a goal of positions to be filled by lower income residents of the Section 3 covered project area and thereafter making a good faith effort to fill the identified positions.
- 3. In recruiting and filling vacancies, the City of Bryan, Texas will require contractors and subcontractors to attempt to recruit from the appropriate areas the necessary number of lower income residents through: local advertising media, signs placed at the proposed site for the project, and community organizations and public or private institutions operating within or serving the project area such as Employment or Workforce Commissions, Rehabilitation Commissions, Manpower Services, Community Action Agencies, Commission for the Blind, Veteran's Outreach Programs, etc. When lower income resident workers apply, either on their own initiative or on referral from any source, the contractor or subcontractor shall determine if the qualifications are satisfactory and if there are openings.

II. CONTRACTOR OR SUBCONTRACTOR AFFIRMATIVE ACTION PLAN

All competitive bidders and negotiated contractors, subject to 24 CFR Part 135 regulations (contracts over \$100,000) will submit to the City of Bryan utilization goals. Evaluation of each bid and negotiated contract will include the determination of responsiveness by evaluation of the proposed goals and provisions to achieve these objectives of Section 3 regulations. The following submittal, or similar, updated document, will be required of each construction contractor:

Section 3 Clause

- A. The work to be performed under this contract is subject to the requirements of Section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701u (Section 3). The purpose of Section 3 is to ensure that employment and other economic opportunities generated by HUD assistance or HUD-assisted projects covered by Section 3, shall, to the greatest extent feasible, be directed to low- and very low-income persons, particularly persons who are recipients of HUD assistance for housing.
- B. The parties to this contract agree to comply with HUD's regulations in 24 CFR part 135, which implement Section 3. As evidenced by their execution of this contract, the parties to this contract certify that they are under no contractual or other impediment that would prevent them from complying with the part 135 regulations.
- C. The contractor agrees to send to each labor organization or representative of workers with which the contractor has a collective bargaining agreement or other understanding, if any, a notice advising the labor organization or workers' representative of the contractor's commitments under this Section 3 clause, and will post copies of the notice in conspicuous places at the work site where both employees and applicants for training and employment positions can see the notice. The notice shall describe the Section 3 preference, shall set forth minimum number and job titles subject to hire, availability of apprenticeship and training positions, the qualifications for each; and the name and location of the person(s) taking applications for each of the positions; and the anticipated date the work shall begin.
- D. The contractor agrees to include this Section 3 clause in every subcontract subject to compliance with regulations in 24 CFR part 135, and agrees to take appropriate action, as provided in an applicable provision of the subcontract or in this Section 3 clause, upon a finding that the subcontractor is in violation of the regulations in 24 CFR part 135. The contractor will not subcontract with any subcontractor where the contractor has notice or knowledge that the subcontractor has been found in violation of the regulations in 24 CFR part 135.
- E. The contractor will certify that any vacant employment positions, including training positions, that are filled (1) after the contractor is selected but before the contract is executed, and (2) with persons other than those to whom the regulations of 24 CFR part 135 require employment opportunities to be directed, were not filled to circumvent the contractor's obligations under 24 CFR part 135.
- F. Noncompliance with HUD's regulations in 24 CFR part 135 may result in sanctions, termination of this contract for default, and debarment or suspension from future HUD assisted contracts.
 - G. With respect to work performed in connection with Section 3 covered Indian housing assistance, section 7(b) of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 450e) also applies to the work to be performed under this contract. Section 7(b) requires that to the greatest extent feasible (i) preference and opportunities for training and employment shall be given to Indians, and (ii) preference in the award of contracts and subcontracts shall be given to Indian organizations and Indian-owned Economic Enterprises. Parties to this contract that are subject to the provisions of Section 3 and section 7(b) agree to comply with Section 3 to the maximum extent feasible, but not in derogation of compliance with section 7(b).

2019 Fair Housing Narrative Statement

Overview

Through its 2019-20 Annual Action Plan (AAP), the City continues a commitment of preserving and maintaining the existing housing stock of affordable housing. A total of \$856,789.10 in grant funds (\$551,240.00 of CDBG and \$305,549.10 of HOME, including CHDO) is allocated for down payment assistance, major and minor repair assistance, housing development, and other affordable housing and related activities, including program delivery costs when applicable, with low to moderate income families targeted (see specific allocations) from a total grant allocation of \$848,059 (CDBG) and \$339,499 (HOME). It is expected these funds will leverage approximately \$1,200,000.00 in other funds. HOME funds are specifically allocated to affordable housing activities for lower-income households. This is the city's twentieth year to be designated a Participating Jurisdiction. 2019 CDBG and HOME funds will be used to address these needs and those identified in the 2015-19 (CP) Consolidated Plan through some or all of the following activities:

- <u>Home Owner Housing Assistance</u> rehabilitation of substandard, low-income owner-occupied homes including minor assistance.
- <u>Down Payment Assistance</u> closing cost, down payment and technical assistance to homebuyers.
- <u>Public Facility Improvements</u> in low to moderate-income areas, including infrastructure improvements or repairs to streets, sidewalks, fire safety, and/or park equipment.
- <u>Infrastructure and Technical Assistance</u> to the development of mixed income subdivisions located in a low to moderate-income neighborhoods.
- <u>Community Housing Development Organization (CHDO)</u> funds for qualified organizations to undertake affordable housing activities.
- <u>Technical Assistance</u> to assist private investors for rental rehabilitation or new construction.
- Volunteer Demolition to facilitate the removal of dangerous and/or dilapidated structures and to assist in the promotion of new affordable housing and/or economic redevelopment.
 - <u>Acquisition</u> to facilitate the development of additional affordable housing and/or economic redevelopment.

The City will also continue to develop relationships with non-profit housing and service providers to improve the quality and quantity of affordable housing stock locally and to retain, where feasible, housing affordable to low-income families including the following local non-profit housing partners:

• BCS Habitat for Humanity – BCS Habitat for Humanity began building homes in 1989 on scattered sites throughout Bryan and College Station. Scattered-site homes are planned as suitable property becomes available. BCS Habitat serves families in Bryan and College Station,

- Texas, who earn up to 60% of the median income and are in need of quality affordable housing.
- Twin City Mission, Emanuel Baptist Church, and Family Promise permanent, transitional, and temporary housing stock for the homeless.
- Brazos Valley Council of Governments Housing Choice Voucher Program for rental housing is authorized for approximately 1,900 vouchers. Available program funding will allow an estimated 1,500 to 1,700 households to receive voucher assistance in the upcoming program year.
- Brazos Valley Community Action Agency housing development, weatherization, and energy assistance programs.
- Elder-Aid housing repairs and elderly rental housing development as a City of Bryan CHDO.
- Brazos Valley Community Action Programs a certified CHDO for the City of College Station, and has applied (but not yet approved) to become a certified CHDO for the City of Bryan.
- Bryan Housing Authority managing 300 units of low-income rental housing.

Efforts will continue to identify additional providers such as CHDOs, housing tax credit developers, other non-profit / for-profit developers developing affordable housing, and to develop common resources.

Nexus to Affirmatively Further Fair and Affordable Housing

The City's Community Development Services Department (CDS) tracks staff time spent on FHEO activities so that an equivalent administrative or program delivery costs attributed to FHEO efforts can be quantified. Similar calculations are made regarding local public service and housing agency staff costs on FHEO related activities. The following table lists outreach efforts where FHEO related information was made available during the most recent twelve months to affirmatively further fair and affordable housing and equal opportunity.

Local FHEO activities that the city's CDS Office anticipates pursuing in the upcoming program year (PY2019-20) include the following:

- Provide notices and market affordable housing programs, properties, and services in Spanish language newspapers, radio, social media and/or television.
- Make Fair Housing and Affirmative Marketing information available to the public by holding multiple public hearings at public meetings during the program year.
- Hold all public meetings in ADA accessible facilities and ensure that housing projects comply with FHEO and ADA accessibility requirements.
- Make housing program information available to the disabled and non-English speakers by utilizing ADA accessible facilities and making translation and sign language services available.
- Make information on housing programs available to local churches, churches and civic groups that serve lower income persons and/or protected classes.
- Contact local mortgage lenders and making FHEO information available to them as they carry out CRA programs and activities.

- Market available affordable units to lower income persons and/or protected classes by providing information to local churches, civic groups and agencies that serve them.
- Host a Contractor's Breakfast promoting FHEO topics during the NCDA CDBG week.
- Distribute Fair Housing posters to partnering entities, such as: city funded Public Service Agencies;
 the Council of Governments, etc.
- Provide FHEO information and/or materials to local neighborhood associations.
- Partner with Texas A&M's Center on Disability and Development, Brazos Valley Council of Governments, City of College Station, Brazos Valley Affordable Housing Corporation, and others, in the promotion of Fair Housing.
- The City will dissimilate Fair Housing Brochures and/or literature to local Realtors through the local Realtors Association.
- Prepare and provide Fair Housing Information and materials to be made available at various events and locations.
- Hold presentations with public and private employers, in conjunction with HR orientations.
- Host Fair Housing events with other local public and/or private organizations.
- Development standards will be as accommodating as possible to facilitate development of both market and affordable residential units.
- The City will avoid duplication between local jurisdictions regarding development-related processes and procedures.
- The City's building fees will be kept as reasonable as possible to ensure that affordable housing is not hindered.
- The City will apply flexibility in zoning and building requirements when appropriate to promote fair and affordable housing.
- Permit fees for City-sponsored affordable housing development are waived for participating nonprofit developers, and outstanding city liens are also.
- Local development expenses are kept to a minimum in terms of housing construction and renovation costs.
- Technical assistance and home buyer counseling is being provided by the city and local agencies to promote programs assisting lower income home buyers.
- When appropriate, support affordable rental units, to include HTC (Housing Tax Credit) projects and privately owned properties to promote the development of affordable rental units.
- Continue partnerships with other inter-local agencies and interested citizens to encourage the development of accessible, special-needs housing, and provides funding and technical assistance to its CHDO's for development of affordable housing.
- Staff will continue to track time spent on FHEO activities to quantify time and funds expended.

Analysis of Impediments to Fair Housing

The City of Bryan's Community Development Office has prepared an Analysis of Impediments (AI) and maintains it on file in the Community Development Office for review. The AI was most recently updated in 2015, with the development of the 2015-19 5-Year Consolidated Plan, which includes a summary of the city's AI. No significant impediments to fair housing choice were found to exist which were created by City of Bryan ordinances, policies, or procedures.

In the five-year review period (2010-2014) leading up to development of the current Consolidated Plan, there were 15 discrimination complaints made, all but one of which related to discrimination in rental. Of the 14 rental cases, 13 were related to discrimination based on rental terms, conditions, acts, refusal, or facilities. The primary basis for discrimination complaints was race (35%), followed by disability (30%). There was one case regarding terms of sale which alleged discrimination based upon national origin. All cases were found to be without cause, withdrawn, conciliated, or administratively closed.

The number of discrimination complaints decreased from the 2005-2009 period, when there were 19 complaints in Bryan. The decrease represented a 21% decrease in discrimination complaints over the prior evaluation period. During the previous and current program years, there have been no fair housing complaints or lawsuits filed under the City's Fair Housing Ordinance, nor any others within the City of Bryan of which the City is aware. Likewise, no fair housing inquiries have been received from citizens during the program year.

Historically, both Black and Hispanic applicants experience higher refinance loan denial percentages as compared to their respective percentages of the population as a whole. Poor credit history rating remains the primary reason for loan denials for these minority populations. Home Mortgage Disclosure Act (HMDA) data indicates that the incidence of conventional loan denial is higher for Black applicants' than other racial groups and most often due to poor credit history ratings. Likewise, Hispanics have the highest incidences of government insured loan denials due to poor credit.

To address this issue, the City provides down-payment assistance and home buyer counseling and partners with other partners organizations offering similar services (i.e., Habitat for Humanity, BV Affordable Housing Corp., etc.). The City also partners with United Way to provide financial coaching through the Financial Fitness Center, as well as coordinating a local *Bank on Brazos Valley* program. This program is a collaborative effort among local financial institutions and other entities interested in furthering financial security of our most vulnerable populations.

While the City's 2019 AAP does not allocate funds for specific Fair Housing activities, the administrative budgets do facilitate activities promoting Fair Housing, to include: Fair Housing seminars; brochures and literature; public presentations and hearings on Fair Housing, responding to citizens' fair housing inquiries, and; development and maintenance of the city's Fair Housing Plan and Analysis of Impediments.

Furthermore, the City of Bryan has adopted a Fair Housing Ordinance. Complaints regarding violation of this ordinance can be filed in the City Attorney's Office or the Bryan Police Department. A copy of the ordinance can be obtained from the City Attorney's Office or the Public Library. The ordinance is found in the city's Code of Ordinances, Part II, Chapter 58, Article II, Division II, Sections 50-40 to 50-49. The City will review annually the number and type of complaints filed with the City Attorney. The City will also update, as needed, its Analysis of Impediments and continue to make it available for review.

In promotion of Fair Housing and to provide a nexus between the 2019 AAP and the issues and needs identified in the city's current Analysis of Impediments, see the following Fair Housing Action Work Plan.

Fair Housing Action Work Plan

This Fair Housing Work Plan provides a nexus between the City of Bryan Community Development Services Department (CDS) planned fair housing activities in the coming fiscal year (Program Year 2019), and the observations made in the City's 2015 Analysis of Impediments to Fair Housing Choice:

• **Observation 1:** There have been 15 discrimination complaints made during the 2010-2014 review period, all but one of which related to discrimination in rental. Of the 14 rental cases, 13 of these were related to discrimination based upon rental terms, conditions, acts, refusal, or facilities. The primary basis for discrimination complaints was race (35%), followed by disability (30%). There was one case regarding terms of sale which alleged discrimination based upon national origin. All cases were found to be without cause, withdrawn, conciliated, or administratively closed. The number of discrimination complaints decreased from the 2005-2009 period, when there were 19 complaints in Bryan. The decrease represents a 21% decrease in discrimination complaints over the prior evaluation period.

Recommendation: Continue fair housing educational and outreach activities through public service announcements to ensure a greater distribution of bilingual materials on the Internet (City website, YouTube), in the public library and through public service radio and television ads and outreach, especially on Spanish-language radio stations, that inform citizens on their rights and how to file complaints about housing discrimination. Provide educational information to City boards, such as the City's Community Development Advisory Committee, on fair housing education and outreach, provide information in community forums such as quarterly Partnership board meetings (whose 80 non-profits members serve primarily low/moderate income clients), health fairs and coalition groups such as the local Brazos Valley Coalition for the Homeless.

<u>Completion Date</u>: September 30, 2020 (ongoing, thereafter), with quarterly assessments. <u>Source of Funds</u>: Community Development Budget CDBG – Administrative and City of Bryan Public Communication General Funds.

• **Observation 2:** Most dilapidated housing is located in low to moderate income areas based upon housing condition data collected during development of the 2015-19 CP.

Recommendation 1: Continue rehabilitation and reconstruction programs and particularly target clusters of dilapidated housing in low-moderate income minority areas, as well as work to identify target areas where the City's Capital Improvements Project funding can be effectively leveraged with federal grant funds.

<u>Completion Date</u>: September 30, 2020 (ongoing, thereafter), with quarterly assessments. <u>Source of Funds</u>: Community Development Budget CDBG – Administrative and project funds.

Recommendation 2: Continue to market the housing rehabilitation and reconstruction programs, especially in low and moderate income areas through public service announcements outreach efforts in print media as well as the internet (City website, YouTube), radio, and television.

<u>Completion Date</u>: September 30, 2020 (ongoing, thereafter), with quarterly assessments.

<u>Source of Funds</u>: Community Development Budget CDBG – Administrative funds, and City of Bryan Public Communication General Funds.

Observation 3: A review of advertising indicates that local housing providers, lenders, and insurers
are generally diligent to include fair housing logos, disclosures, and diverse human models. However,
bilingual advertising of housing availabilities and mortgage loans is lacking in the area, even though
the Hispanic demographic is more than a third of the population of Bryan.

Recommendation 1: Continue to regularly review and evaluate advertising for housing providers, lenders, and insurers in the local area. Provide an annual forum for local housing providers and associated fields to provide an open dialogue on local fair housing issues and concerns, and encourage more extensive bilingual advertising by housing providers and lenders.

<u>Completion Date</u>: September 30, 2020 (ongoing, thereafter), with quarterly assessments.

Source of Funds: Community Development Budget CDBG – Administrative funds.

Recommendation 2: Continue fair housing educational and outreach activities targeted toward housing providers, lenders, and insurers through local associations to increase non-discrimination awareness by public service announcements, website education, and community meetings such as the City's Community Development Advisory Committee meetings.

Completion Date: September 30, 2020 (ongoing, thereafter), with quarterly assessments.

Source of Funds: Community Development Budget CDBG – Administrative funds.

 Observation 4: The City of Bryan zoning and land use policies discourage development of large, highdensity multifamily developments, particularly those concentrated in areas the City is interested in improving with retail or other economic development activity, or in maintaining neighborhood integrity. In addition, the City promotes scattered site, low-density low-moderate income housing rather than concentrated affordable housing. Such efforts are important to limiting the concentration of poverty in the City.

Recommendation 1: Continue to monitor development activity such as rezoning applications, building permits, and Housing Tax Credit development applications, and provide technical assistance to developers.

<u>Completion Date</u>: September 30, 2020 (ongoing, thereafter), with quarterly assessments. Source of Funds: Community Development Budget CDBG – Administrative funds.

Observation 5: Current limits on the numbers of occupants in a single family dwelling likely meet the
test of reasonableness under the Fair Housing Act, although some Residential Conservation District RNC zoning by individual neighborhoods (slightly more than 2,000 homes) allows only 2 unrelated adult
residents, maximum. This zoning classification could be found not to meet the test of reasonableness
under the Fair Housing Act.

Recommendation 1: Continue to monitor case law in relation to this zoning classification. <u>Completion Date</u>: September 30, 2020 (ongoing, thereafter), with quarterly assessments. Source of Funds: Community Development Budget CDBG – Administrative funds.

Recommendation 2: Continue to monitor proposed changes to City ordinances and provide feedback to relevant committees and staff members regarding potential conflict with any fair housing laws. Completion Date: September 30, 2020 (ongoing, thereafter), with quarterly assessments. Source of Funds: Community Development Budget CDBG — Administrative funds.

• Observation 6: While no local policies were identified as barriers to affordable housing, implementation of the Integrated Mortgage Disclosures under the Real Estate Settlement Procedures Act (Regulation X) and the Truth in Lending Act (Regulation Z) by the Consumer Financial Protection Bureau (CFPB) has the potential to negatively affect housing affordability and availability. Sections 1098 and 1100A of the Dodd-Frank Wall Street Reform and Consumer Protection Act (Dodd-Frank Act) revised rules which apply to most mortgage transactions. Real Estate industry professionals anticipate these requirements will significantly extend the time required to close for financed purchases, which will result in cash investor purchasers having an even greater advantage in the marketplace over financed homebuyers, especially in the lower-end housing price ranges. We are continuing to monitor and have anecdotally noted that, although closings are somewhat delayed, the lack of supply of affordable homes is of much greater impact to housing availability and affordability.

Recommendation 1: Continue to monitor past and recent implementations of the Integrated Mortgage Disclosures rules on affordable housing and loan availability for low-income homebuyers. Completion Date: September 30, 2019 (ongoing, thereafter), with quarterly assessments. Source of Funds: Community Development Budget CDBG – Administrative funds.

 Observation 7: According to HMDA data, Black applicants' incidence of conventional loan denial is higher than their percentage of their population as a whole and most often due to poor credit history ratings.

Recommendation 1: Continue to counsel minority Down Payment Assistance applicants regarding credit education and submission of loan applications only when likely to receive approval from the lender.

<u>Completion Date</u>: September 30, 2020 (ongoing, thereafter), with quarterly assessments. <u>Source of Funds</u>: Community Development Budget CDBG – Administrative funds, and HOME housing project funds (Down Payment Assistance).

Recommendation 2: Continue to promote Homebuyer Counseling Training to minority applicants <u>Completion Date</u>: September 30, 2020 (ongoing, thereafter), with quarterly assessments. Source of Funds: Community Development Budget CDBG – Administrative funds.

Recommendation 3: Continue to engage local mortgage lenders through local committees such as the *Bank on Brazos Valley* program, organizations, and other appropriate venues to promote lending to minority applicants.

<u>Completion Date</u>: September 30, 2020 (ongoing, thereafter), with quarterly assessments. Source of Funds: Community Development Budget CDBG – Administrative funds / General funds.

• **Observation 8:** Hispanics and Blacks have higher incidences of government insured loan denials due to excessive debt and inadequate collateral, respectively.

Recommendation 1: Continue to counsel minority Down Payment Assistance applicants regarding credit education and submission of loan applications only when likely to receive approval from the lender.

Completion Date: September 30, 2020 (ongoing, thereafter), with quarterly assessments.

<u>Source of Funds</u>: Community Development Budget CDBG – Administrative funds, and HOME housing project funds (Down Payment Assistance).

Recommendation 2: Continue to promote Homebuyer Counseling Training to minority applicants <u>Completion Date</u>: September 30, 2020 (ongoing, thereafter), with quarterly assessments. Source of Funds: Community Development Budget CDBG – Administrative funds.

Recommendation 3: Continue to engage local mortgage lenders through local committees such as the *Bank on Brazos Valley* program, organizations, and other appropriate venues to promote lending to minority applicants.

<u>Completion Date</u>: September 30, 2020 (ongoing, thereafter), with quarterly assessments. <u>Source of Funds</u>: Community Development Budget CDBG – Administrative funds / General funds.

Observation 9: Both Black and Hispanic applicants experience higher refinance loan denial
percentages as compared to their respective percentages of the population as a whole. Poor credit
history rating remains the primary reason for loan denials for these minority populations.

Recommendation 1: Continue to counsel minority Down Payment Assistance applicants regarding credit education and submission of loan applications only when likely to receive approval from the lender.

<u>Completion Date</u>: September 30, 2020 (ongoing, thereafter), with quarterly assessments. <u>Source of Funds</u>: Community Development Budget CDBG – Administrative funds, and HOME housing project funds (Down Payment Assistance).

Recommendation 2: Continue to promote Homebuyer Counseling Training to minority applicants <u>Completion Date</u>: September 30, 2020 (ongoing, thereafter), with quarterly assessments. <u>Source of Funds</u>: Community Development Budget CDBG – Administrative funds.

Recommendation 3: Continue to engage local mortgage lenders through local committees such as the *Bank on Brazos Valley* program, organizations, and other appropriate venues to promote lending to minority applicants

<u>Completion Date</u>: September 30, 2020 (ongoing, thereafter), with quarterly assessments. <u>Source of Funds</u>: Community Development Budget CDBG – Administrative funds / General funds.

• **Observation 10:** Data indicates that both Black and Hispanic applicants for home improvement loans experience high denial rates due, primarily, to poor credit history ratings.

Recommendation 1: Continue to counsel minority Down Payment Assistance applicants regarding credit education and submission of loan applications only when likely to receive approval from the lender.

<u>Completion Date</u>: September 30, 2020 (ongoing, thereafter), with quarterly assessments. <u>Source of Funds</u>: Community Development Budget CDBG – Administrative funds, and HOME housing project funds (Down Payment Assistance).

Recommendation 2: Continue to promote Homebuyer Counseling Training to minority applicants <u>Completion Date</u>: September 30, 2020 (ongoing, thereafter), with quarterly assessments. <u>Source of Funds</u>: Community Development Budget CDBG – Administrative funds.

Recommendation 3: Continue to engage local mortgage lenders through local committees such as the *Bank on Brazos Valley* program, organizations, and other appropriate venues to promote lending to minority applicants

<u>Completion Date</u>: September 30, 2020 (ongoing, thereafter), with quarterly assessments.

Affirmative Marketing Policy

In accordance with the regulations of 24 CFR 92.351(a) of the Home Program and in furtherance of the City of Bryan's commitment to non-discrimination and equal opportunity in housing, the City of Bryan has established procedures to affirmatively market units constructed or rehabilitated through the City's affordable housing programs. The City of Bryan believes that individuals of similar economic levels in the same housing market area should have available to them a like range of housing choices regardless of their race, color, religion, sex, and national origin. The City of Bryan is committed to the goals of affirmative marketing which will be implemented in our affordable housing programs through a specific set of steps that the City and participating owners will follow. These goals will be reached through the following procedures:

- Informing the public, potential tenants, and owners about Federal Fair Housing Laws and Affirmative Marketing Policies
- Inform persons of all racial, ethnic, and gender groups of unit availability
- Attract and solicit applications for assistance from persons not likely to apply without special outreach
- Record Keeping
- Assessment and Corrective Actions

Affirmative Marketing Techniques

Owners, builders, and developers offering properties assisted by the City of Bryan Community Development Services Department are required to comply with the City's affirmative marketing requirement on all units sold under the program. The Department of Housing and Urban Development has set fourth guidelines and to assist in meeting affirmative marketing goals.

The following is a list of activities which must be carried out by assisted property owners, builders, developers, or agencies in order to insure compliance with federal regulations:

- Correspond with various community organizations, employment agencies, churches, etc. in order to accomplish special outreach to those not likely to apply for housing in the available properties.
- Utilize the fair housing logo on all printed advertisements and prominently in the business office.
- Provide a fair housing brochure to prospective tenants in order to inform them of fair housing laws and the City's Affirmative Marketing Policy.

The City maintains a list of local agencies which will be notified in the event assisted units become available under the City's Housing Assistance Programs.

Categories of Eligible HOME Applicants and Application Processes

HOME Affordable Homeownership Limits: If the participating jurisdiction intends to use HOME funds for homebuyer assistance or for rehabilitation of owner-occupied single family housing and does not use the HOME affordable homeownership limits for the area provided by HUD, it must determine 95 percent of the median area purchase price and set forth the information in accordance with 24 CFR 92.254(a)(2)(iii).

The City of Bryan will use the HOME affordable homeownership limits as published by HUD.

Homebuyer Down-Payment Assistance (DPA) (HOME)

An open-application process available to all eligible applicants on a first-come, first-serve basis. Appropriate homebuyer assistance funding is provided as a deferred loan of \$3,500 - \$7,500 (or more for City-sponsored developments) for all potential households seeking a home within the city limits of Bryan.

Information regarding the program and application process (including applications) is available at the Community Development Services Department office, the Department's website (http://www.bryantx.gov/community-development/community-development-programs/), in periodic advertisements through local media, at Community Development Advisory Committee monthly public meetings, and at the City's library.

- 1. Participants must own their home and live there as a principal residence (Homestead) for at least the past two years.
- 2. Applicants must be current on property taxes (or legally deferred because of age or disability) income taxes, student loans and child support payments, with no previous foreclosure or bankruptcy in the past five (5) years.
- 3. Applicant's home must be a single-family detached home or condominium which meets applicable eligibility and feasibility guidelines. Applicants with sites which are infeasible to rehabilitate or reconstruct may have the option to relocate to alternative sites, if available.

Housing Development Program

An open-proposal process available to all eligible developers with the capacity to complete developments deemed feasible by the department. Available to non-profit and for-profit developers to increase housing availability and access, depending on funding availability throughout the year. Request-for-proposals are solicited when a specific type of development is warranted.

Homes are made available through the application process, and HOME Program beneficiary/affordability requirements are imposed on rental and/or owner applicants. Where the City is the owner/seller, and/or where the City's Down Payment Assistance Program (DPA) is used, all DPA Program requirements listed above apply. All applicable City development and RFP requirements also apply.

Information regarding the program, process, and available units is available at the Community Development Services Department office, the Department's website (http://www.bryantx.gov/community-development/community-development-programs/), in periodic advertisements through local media, at Community Development Advisory Committee monthly public meetings, and on the City's Purchasing website, https://brazosbid.cstx.gov/.

Community Housing Development Organization (CHDO) Program

A request-for-proposal process available every two years to all eligible non-profit developers using a request-for-proposals (RFP) method for CHDO eligible developers to increase housing availability and access, as funding allows.

Homes are made available through the application process, and HOME Program beneficiary and affordability requirements are imposed on rental and/or owner applicants. Where the City of Bryan's Down Payment Assistance Program (DPA) is used, all DPA Program requirements listed above apply. All applicable City development and RFP requirements also apply.

Information regarding the program, process, and available units is available at the Community Development Services Department office, the Department's website (http://www.bryantx.gov/community-development/community-development-programs/), in periodic advertisements through local media, at Community Development Advisory Committee monthly public meetings, and on the City's Purchasing website, https://brazosbid.cstx.gov/.

Program Monitoring

The City of Bryan maintains policies and procedures for all CDBG and HOME funded program activities. Additionally, Bryan actively encourages Historically Under-utilized Businesses (HUBs) to participate in bid submittals for grant funded projects and actively seeks out minority businesses by affirmatively soliciting HUBs. The City Monitoring Plan consists of three reviews:

Internal Review of City Programs:

Record keeping and forms used for program implementation constitute legal instruments. The City Attorney, prior to their use, approves contracts. All other forms necessary for program use are developed and approved by CDS staff. Staff is responsible for maintaining accurate and complete files as required by HUD on each program participant. In addition, staff conducts reviews to determine compliance with program requirements. Annual monitoring ensures long term compliance, including but not limited to, ensuring clients have hazard insurance and verifying that homes are owner occupied. Housing assistance activities are monitored for compliance with the Fair Housing and Equal Opportunities (FHEO) laws. Bryan consistently updates strategies to monitor efforts to affirmatively further Fair Housing. Bryan will seek technical assistance from FHEO staff in the strategy development to use in monitoring sub-recipients. Onsite inspections are done at the beginning of each housing project to ensure code compliance.

Bryan shall meet all requirements set forth by OMB and documentation shall conform to HUD 24 CFR parts 84 and 85 as described in 24 CFR Section 570.502, the City accounting practices and applicable Federal Office of Management and Budget Circular 2 Part 200. An independent audit is conducted annually to ensure that grant funds are used in accordance with program requirements. The City monitors internal benchmarks for goals on a quarterly basis. Additional financial reconciliation is done monthly.

Sub-recipient Monitoring:

Monitoring provides a basis for assessing a program and identifying concerns. A secondary goal is to obtain data assess achievement. Evaluations summarize monitoring findings and program goals, and measure progress towards goals during program efforts. All sub-recipients are monitored at least once quarterly on-site and quarterly in-house, with a final onsite (after year-end), to ensure compliance before contract close-out. Bryan has responsibility for overall CDBG performance and Consolidated Plan compliance, including sub-recipient performance. Clear record keeping of sub-recipients is essential to grant accountability. Responsibility for maintaining many of the records is assigned to the sub-recipient, including documenting activities with special requirements. Bryan serves as the grantee and contracts with sub-recipient organizations to provide services to low-income citizens. The contract details the services provided and a concise statement of conditions, requirements, and performance criteria. The City Attorney, prior to execution, shall approve the contract.

Bryan CDAC asks for feedback on COVID-related amendments

By Kathleen Witte |

Posted: Wed 11:43 AM, May 06, 2020

BRYAN, Tex. (KBTX) - The City of Bryan is looking for feedback on pandemic-related program changes.

The Community Development Advisory Committee is hearing public comment at a 3 p.m. virtual meeting Wednesday. Residents can email comments ahead of that time to communitydevelopmentweb@bryantx.gov to be considered during the meeting.

CDAC is collecting public comment on the following "substantial amendments" per the city's website:

Revising and updating the Citizen Participation Plan to include additional language regarding current and future disasters and pandemics as defined by the U.S. Department of Housing and Urban Development (HUD); reducing the public notice and public comment periods; and providing for the use of virtual public meetings for social distancing, when appropriate. This amendment also increases the amount of funds that can be reallocated before a substantial amendment is required from 10 percent to 15 percent.

Revising the City of Bryan's 2015-2019 5-Year Consolidated Plan to include as a goal statement the creation of a disaster/pandemic response plan, including policies and procedures to address the local impact of these types of catastrophes, as allowed by HUD guidance, waivers and/or streamlined regulations.

Revising the City of Bryan's 2019 Annual Action Plan to enable the city to receive and administer \$494,864 in Community Development Block Grant Coronavirus (CDBG-CV) funding from HUD. Eligible activities could include assistant low- and moderate-income households with rental assistance for up to three months, food programs, business assistance to retain low- and moderate-income employees, and support of other COVID-19 response services.

This funding and any additional CDBG funding that may be available to the city by HUD through the CARES Act will be used for the same purposes of the initial allocations – to prevent the spread of COVID-19 and facilitate assistance to eligible businesses, agencies, households and people economically impacted by the virus.

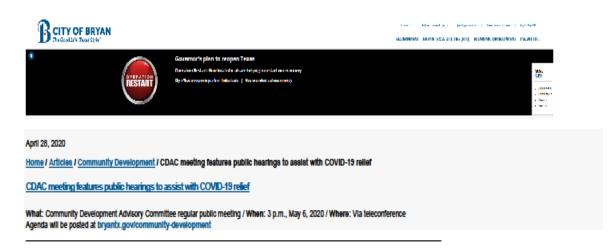

Reprogramming \$75,000 of FY 2019-2020 HOME major rehabilitation/reconstruction program funding to establish a new FY 2019-2020 tenant-based rental assistance program in response to COVID-19 and use HOME waivers for the funded program.

No votes will happen today. All of these amendments are subject to the approval of the Bryan City Council and the Dept. of Housing and Urban Development.

The CDAC will participate in the meeting via teleconference due to the COVID-19 pandemic, and in-person comments cannot be accommodated. Members of the public can submit comments in the following ways:

- Before the meeting: Submit comments regarding agenda items only in writing via email to communitydevelopmentweb@bryantx.gov. CDAC members will review these comments during the meeting.
- During or after the meeting: Submit comments for the public hearings on the substantial amendments by calling (979) 209-5175 or emailing communitydevelopmentweb@bryantx.gov through May 11.

The hearing will consist of:

- A presentation on the federal funds the Community Development Department receives, what the funds are used for, eligible activities, current programs and target populations. It will also include information on how the 5-Year Consolidated Plan is developed and implemented.
- A presentation on fair housing, why it is important, what to know if you have been
 affected by housing discrimination practices and what you can do.
- A presentation providing information on a potential substantial amendment to the current 2019 Annual Action Plan, which proposes transferring \$150,000 from the Housing Assistance program to a new special economic development program to assist businesses affected by the coronavirus in retining low and moderate income employees.

The public hearings will be broadcast on the city's Youtube and Facebook pages, but in order for public comments to be recorded, they must be made by calling 979.209.5175, emailing communitydevelopmentweb@bryantx.gov or submitting an <a href="mailto:one-mailto:noi-mailto:one-mailto:o

COLLEGE STATION, Texas (KBTX) -Bryan and College Station are looking for resident's feedback on how to allocate the second round of federal funding. Bryan has received \$603,226 and College Station has received \$822,034 under the Community Development Block Grant program through the CARES Act.

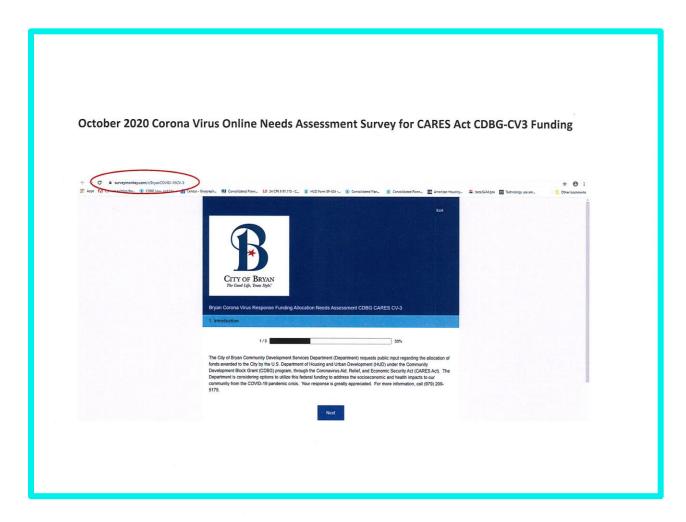

Grant money from the first round went towards things like rent, mortgage, utilities, and small business assistance. Both cities have surveys posted online that will help them decide where the next funding is needed the most.

"We need to know what's going on with your situation," said Raney Whitewell College Station Community Development Analyst. "We've addressed rental needs and small business needs in the past but is there another need that we didn't see coming that we need to address now? Our plan is to gather all the information from the citizens and then we formulate a plan and take it to council."

Bryan is asking residents to complete the survey within the next two weeks. You can take that survey by clicking here.

College Station's deadline to take the survey is October 9. You can take that survey by clicking here.

NOTICE TO IMPLEMENT REVISED FIXED FUEL FACTOR

Entergy Texas, Inc. hereby publishes NOTICE that Section 36.203 the Public Utility Regulatory Act (codified in TEX, UTIL CODE) and 16 Tex. Admin. Code § 25.235(b), it filled with the Public Utility Commission of Texas (the "Commission") on February 20, 2019 a tariff to implement a revised fixed uel factor. All at Entergy Texas' retail customers fuel factor. All of Entergy Texas' retail customers whose fuel charges are calculated under the Texas fixed fuel factor tariff - including but not limited to Residential, Small General Service, Large General Service, Large Industrial Power Service, and Street and Outdoor Lighting Service - will be affected by the Commission's approval of the revised fixed fuel factor. The revised fixed fuel factor, if approved, will affect only the fuel partian of the rates charged by Entergy Texas and will have no effect on non-fuel base rates.

Entergy Texas seeks Commission approval to revise the fixed fuel factor effective with the first billing cycle of the March 2019 billing month. Entergy Texas proposed that the fixed fuel factor be changed pursuant to a semi-annual filing to be made each February and August, with revised fuel factors to be effective with the first billing cycle of the March and September billing months, pursuant to a methodology that changes the fuel factor based upon changes in the published price of natural gas. This methodology was authorized for use in Docket No. 32915.

The revised fixed fuel factor, differentiated by voltage level, is as follows:

FACTOR BY VOLTAGE LEVEL

| Fixed Fuel Fo | ctor |
|---------------|---|
| \$0.0273317 | per kWh |
| \$0.0266328 | per kWh |
| \$0.0259704 | per kWh |
| \$0.0255348 | per kWh |
| | \$0.0273317 \$0.0266328 \$0.0259704 |

The revised fuel factor would result in a decrease in Entergy Texas' annual Texas retail fuel and purchased power revenues by approximately \$34.4 million, or 6.25%, on an annual basis. Compared to the fixed fuel factor approved by the Commission effective September 2019, a residential customer using 1000 kilowatt-hours (kWh) of electricity per month would see an approximate decrease of 6.32% annually, or \$1.80 on average per month, on his/her electric bill. The fixed fuel factor rate is designed to pass through to customers the actual fuel casts incurred by Enteray Texas to serve customers. Enterpy Texas is not allowed to make a profit on fuel costs. Amounts collected from affected customers pursuant to the revised fixed fuel factor will be subject to final review by the Commission in Entergy Texas' next applicable fuel reconciliation proceeding before the Commission. Entergy Texas expects the revised fixed fuel factor to be in effect for the billing period of March 2019 through August 2019.

ASSURANCES - CONSTRUCTION PROGRAMS

OMB Number: 4040-0009 Expiration Date: 02/28/2022

Public reporting burden for this collection of information is estimated to average 15 minutes per response, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding the burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the Office of Management and Budget, Paperwork Reduction Project (0348-0042), Washington, DC 20503.

PLEASE DO NOT RETURN YOUR COMPLETED FORM TO THE OFFICE OF MANAGEMENT AND BUDGET. SEND IT TO THE ADDRESS PROVIDED BY THE SPONSORING AGENCY.

NOTE: Certain of these assurances may not be applicable to your project or program. If you have questions, please contact the Awarding Agency. Further, certain Federal assistance awarding agencies may require applicants to certify to additional assurances. If such is the case, you will be notified.

As the duly authorized representative of the applicant:, I certify that the applicant:

- Has the legal authority to apply for Federal assistance, and the institutional, managerial and financial capability (including funds sufficient to pay the non-Federal share of project costs) to ensure proper planning, management and completion of project described in this application.
- Will give the awarding agency, the Comptroller General of the United States and, if appropriate, the State, the right to examine all records, books, papers, or documents related to the assistance; and will establish a proper accounting system in accordance with generally accepted accounting standards or agency directives.
- 3. Will not dispose of, modify the use of, or change the terms of the real property title or other interest in the site and facilities without permission and instructions from the awarding agency. Will record the Federal awarding agency directives and will include a covenant in the title of real property acquired in whole or in part with Federal assistance funds to assure non-discrimination during the useful life of the project.
- Will comply with the requirements of the assistance awarding agency with regard to the drafting, review and approval of construction plans and specifications.
- 5. Will provide and maintain competent and adequate engineering supervision at the construction site to ensure that the complete work conforms with the approved plans and specifications and will furnish progressive reports and such other information as may be required by the assistance awarding agency or State.
- Will initiate and complete the work within the applicable time frame after receipt of approval of the awarding agency.
- Will establish safeguards to prohibit employees from using their positions for a purpose that constitutes or presents the appearance of personal or organizational conflict of interest, or personal gain.

- Will comply with the Intergovernmental Personnel Act of 1970 (42 U.S.C. §§4728-4763) relating to prescribed standards of merit systems for programs funded under one of the 19 statutes or regulations specified in Appendix A of OPM's Standards for a Merit System of Personnel Administration (5 C.F.R. 900, Subpart F).
- Will comply with the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. §§4801 et seq.) which prohibits the use of lead-based paint in construction or rehabilitation of residence structures.
- Will comply with all Federal statutes relating to nondiscrimination. These include but are not limited to: (a) Title VI of the Civil Rights Act of 1964 (P.L. 88-352) which prohibits discrimination on the basis of race, color or national origin; (b) Title IX of the Education Amendments of 1972, as amended (20 U.S.C. §§1681 1683, and 1685-1686), which prohibits discrimination on the basis of sex; (c) Section 504 of the Rehabilitation Act of 1973, as amended (29) U.S.C. §794), which prohibits discrimination on the basis of handicaps; (d) the Age Discrimination Act of 1975, as amended (42 U.S.C. §§6101-6107), which prohibits discrimination on the basis of age; (e) the Drug Abuse Office and Treatment Act of 1972 (P.L. 92-255), as amended relating to nondiscrimination on the basis of drug abuse; (f) the Comprehensive Alcohol Abuse and Alcoholism Prevention, Treatment and Rehabilitation Act of 1970 (P.L. 91-616), as amended, relating to nondiscrimination on the basis of alcohol abuse or alcoholism; (g) §§523 and 527 of the Public Health Service Act of 1912 (42 U.S.C. §§290 dd-3 and 290 ee 3), as amended, relating to confidentiality of alcohol and drug abuse patient records; (h) Title VIII of the Civil Rights Act of 1968 (42 U.S.C. §§3601 et seq.), as amended, relating to nondiscrimination in the sale, rental or financing of housing; (i) any other nondiscrimination provisions in the specific statue(s) under which application for Federal assistance is being made; and (j) the requirements of any other nondiscrimination statue(s) which may apply to the application.

CERTIFICATIONS

In accordance with the applicable statutes and the regulations governing the consolidated plan regulations, the jurisdiction certifies that:

Affirmatively Further Fair Housing -- The jurisdiction will affirmatively further fair housing.

Uniform Relocation Act and Anti-displacement and Relocation Plan -- It will comply with the acquisition and relocation requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended, (42 U.S.C. 4601-4655) and implementing regulations at 49 CFR Part 24. It has in effect and is following a residential anti-displacement and relocation assistance plan required under 24 CFR Part 42 in connection with any activity assisted with funding under the Community Development Block Grant or HOME programs.

Anti-Lobbying -- To the best of the jurisdiction's knowledge and belief:

- 1. No Federal appropriated funds have been paid or will be paid, by or on behalf of it, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement;
- 2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, it will complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions; and
- 3. It will require that the language of paragraph 1 and 2 of this anti-lobbying certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

Authority of Jurisdiction -- The consolidated plan is authorized under State and local law (as applicable) and the jurisdiction possesses the legal authority to carry out the programs for which it is seeking funding, in accordance with applicable HUD regulations.

Consistency with plan -- The housing activities to be undertaken with Community Development Block Grant, HOME, Emergency Solutions Grant, and Housing Opportunities for Persons With AIDS funds are consistent with the strategic plan in the jurisdiction's consolidated plan.

Section 3 -- It will comply with section 3 of the Housing and Urban Development Act of 1968 (12 U.S.C. 1701u) and implementing regulations at 24 CFR Part 135.

Specific Community Development Block Grant Certifications

The Entitlement Community certifies that:

Citizen Participation -- It is in full compliance and following a detailed citizen participation plan that satisfies the requirements of 24 CFR 91.105.

Community Development Plan -- Its consolidated plan identifies community development and housing needs and specifies both short-term and long-term community development objectives that that have been developed in accordance with the primary objective of the CDBG program (i.e., the development of viable urban communities, by providing decent housing and expanding economic opportunities, primarily for persons of low and moderate income) and requirements of 24 CFR Parts 91 and 570.

Following a Plan -- It is following a current consolidated plan that has been approved by HUD.

Use of Funds -- It has complied with the following criteria:

- 1. Maximum Feasible Priority. With respect to activities expected to be assisted with CDBG funds, it has developed its Action Plan so as to give maximum feasible priority to activities which benefit low- and moderate-income families or aid in the prevention or elimination of slums or blight. The Action Plan may also include CDBG-assisted activities which the grantee certifies are designed to meet other community development needs having particular urgency because existing conditions pose a serious and immediate threat to the health or welfare of the community, and other financial resources are not available (see Optional CDBG Certification).
- 2. Overall Benefit. The aggregate use of CDBG funds, including Section 108 guaranteed loans, during program year(s) 2019 12 months [a period specified by the grantee of one, two, or three specific consecutive program years], shall principally benefit persons of low and moderate income in a manner that ensures that at least 70 percent of the amount is expended for activities that benefit such persons during the designated period.
- 3. Special Assessments. It will not attempt to recover any capital costs of public improvements assisted with CDBG funds, including Section 108 loan guaranteed funds, by assessing any amount against properties owned and occupied by persons of low and moderate income, including any fee charged or assessment made as a condition of obtaining access to such public improvements.

However, if CDBG funds are used to pay the proportion of a fee or assessment that relates to the capital costs of public improvements (assisted in part with CDBG funds) financed from other revenue sources, an assessment or charge may be made against the property with respect to the public improvements financed by a source other than CDBG funds.

In addition, in the case of properties owned and occupied by moderate-income (not low-income) families, an assessment or charge may be made against the property for public improvements financed by a source other than CDBG funds if the jurisdiction certifies that it lacks CDBG funds to cover the assessment.

Excessive Force -- It has adopted and is enforcing:

- 1. A policy prohibiting the use of excessive force by law enforcement agencies within its jurisdiction against any individuals engaged in non-violent civil rights demonstrations; and
- 2. A policy of enforcing applicable State and local laws against physically barring entrance to or exit from a facility or location which is the subject of such non-violent civil rights demonstrations within its jurisdiction.

Compliance with Anti-discrimination laws -- The grant will be conducted and administered in conformity with title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d) and the Fair Housing Act (42 U.S.C. 3601-3619) and implementing regulations.

Lead-Based Paint -- Its activities concerning lead-based paint will comply with the requirements of 24 CFR Part 35, Subparts A, B, J, K and R.

Compliance with Laws -- It will comply with applicable laws.

APPENDIX TO CERTIFICATIONS

INSTRUCTIONS CONCERNING LOBBYING CERTIFICATION:

Lobbying Certification

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

Drug Free Workplace Certifications

The Entitlement Community will or will continue to provide a drug-free workplace by:

- Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition;
- 2. Establishing an ongoing drug-free awareness program to inform employees about
 - a) The dangers of drug abuse in the workplace;
 - b) The grantee's policy of maintaining a drug-free workplace;
 - c) Any available drug counseling, rehabilitation, and employee assistance programs; and
 - The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;
- 3. Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph 1;
- 4. Notifying the employees in the statement required by paragraph 1 that, as a condition of employment under the grant, the employee will
 - a) Abide by the terms of the statement; and
 - Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;
- 5. Notifying the agency in writing, within ten calendar days after receiving notice under subparagraph 4(b) from an employee or otherwise receiving actual notice of each conviction. Employers of convicted employees must provide notice, including position title, to every grant officer or other designee on whose grant activity the convicted employee was working, unless the Federal agency has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;
- 6. Taking one of the following actions, within 30 calendar days of receiving notice under subparagraph 4(b), with respect to any employee who is so convicted
 - Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or
 - Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency;
- 7. Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs 1, 2, 3, 4, 5 and 6.

ASSURANCES - CONSTRUCTION PROGRAMS

Expiration Date: 02/28/2022 including time for reviewing

OMB Number: 4040-0009

Public reporting burden for this collection of information is estimated to average 15 minutes per response, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding the burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the Office of Management and Budget, Paperwork Reduction Project (0348-0042), Washington, DC 20503.

PLEASE DO NOT RETURN YOUR COMPLETED FORM TO THE OFFICE OF MANAGEMENT AND BUDGET, SEND IT TO THE ADDRESS PROVIDED BY THE SPONSORING AGENCY.

NOTE: Certain of these assurances may not be applicable to your project or program. If you have questions, please contact the Awarding Agency. Further, certain Federal assistance awarding agencies may require applicants to certify to additional assurances. If such is the case, you will be notified.

As the duly authorized representative of the applicant:, I certify that the applicant:

- Has the legal authority to apply for Federal assistance, and the institutional, managerial and financial capability (including funds sufficient to pay the non-Federal share of project costs) to ensure proper planning, management and completion of project described in this application.
- 2. Will give the awarding agency, the Comptroller General of the United States and, if appropriate, the State, the right to examine all records, books, papers, or documents related to the assistance; and will establish a proper accounting system in accordance with generally accepted accounting standards or agency directives.
- 3. Will not dispose of, modify the use of, or change the terms of the real property title or other interest in the site and facilities without permission and instructions from the awarding agency. Will record the Federal awarding agency directives and will include a covenant in the title of real property acquired in whole or in part with Federal assistance funds to assure non-discrimination during the useful life of the project.
- Will comply with the requirements of the assistance awarding agency with regard to the drafting, review and approval of construction plans and specifications.
- 5. Will provide and maintain competent and adequate engineering supervision at the construction site to ensure that the complete work conforms with the approved plans and specifications and will furnish progressive reports and such other information as may be required by the assistance awarding agency or State.
- Will initiate and complete the work within the applicable time frame after receipt of approval of the awarding agency.
- Will establish safeguards to prohibit employees from using their positions for a purpose that constitutes or presents the appearance of personal or organizational conflict of interest, or personal gain.

- Will comply with the Intergovernmental Personnel Act of 1970 (42 U.S.C. §§4728-4763) relating to prescribed standards of merit systems for programs funded under one of the 19 statutes or regulations specified in Appendix A of OPM's Standards for a Merit System of Personnel Administration (5 C.F.R. 900, Subpart F).
- Will comply with the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. §§4801 et seq.) which prohibits the use of lead-based paint in construction or rehabilitation of residence structures.
- Will comply with all Federal statutes relating to nondiscrimination. These include but are not limited to: (a) Title VI of the Civil Rights Act of 1964 (P.L. 88-352) which prohibits discrimination on the basis of race, color or national origin; (b) Title IX of the Education Amendments of 1972, as amended (20 U.S.C. §§1681 1683, and 1685-1686), which prohibits discrimination on the basis of sex; (c) Section 504 of the Rehabilitation Act of 1973, as amended (29) U.S.C. §794), which prohibits discrimination on the basis of handicaps; (d) the Age Discrimination Act of 1975, as amended (42 U.S.C. §§6101-6107), which prohibits discrimination on the basis of age; (e) the Drug Abuse Office and Treatment Act of 1972 (P.L. 92-255), as amended relating to nondiscrimination on the basis of drug abuse; (f) the Comprehensive Alcohol Abuse and Alcoholism Prevention, Treatment and Rehabilitation Act of 1970 (P.L. 91-616), as amended, relating to nondiscrimination on the basis of alcohol abuse or alcoholism; (g) §§523 and 527 of the Public Health Service Act of 1912 (42 U.S.C. §§290 dd-3 and 290 ee 3), as amended, relating to confidentiality of alcohol and drug abuse patient records; (h) Title VIII of the Civil Rights Act of 1968 (42 U.S.C. §§3601 et seq.), as amended, relating to nondiscrimination in the sale, rental or financing of housing; (i) any other nondiscrimination provisions in the specific statue(s) under which application for Federal assistance is being made; and (j) the requirements of any other nondiscrimination statue(s) which may apply to the application

CERTIFICATIONS

In accordance with the applicable statutes and the regulations governing the consolidated plan regulations, the jurisdiction certifies that:

Affirmatively Further Fair Housing -- The jurisdiction will affirmatively further fair housing.

Uniform Relocation Act and Anti-displacement and Relocation Plan -- It will comply with the acquisition and relocation requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended, (42 U.S.C. 4601-4655) and implementing regulations at 49 CFR Part 24. It has in effect and is following a residential anti-displacement and relocation assistance plan required under 24 CFR Part 42 in connection with any activity assisted with funding under the Community Development Block Grant or HOME programs.

Anti-Lobbying -- To the best of the jurisdiction's knowledge and belief:

- 1. No Federal appropriated funds have been paid or will be paid, by or on behalf of it, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement;
- 2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, it will complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions; and
- 3. It will require that the language of paragraph 1 and 2 of this anti-lobbying certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

Authority of Jurisdiction --The consolidated plan is authorized under State and local law (as applicable) and the jurisdiction possesses the legal authority to carry out the programs for which it is seeking funding, in accordance with applicable HUD regulations.

Consistency with plan --The housing activities to be undertaken with Community Development Block Grant, HOME, Emergency Solutions Grant, and Housing Opportunities for Persons With AIDS funds are consistent with the strategic plan in the jurisdiction's consolidated plan.

Section 3 -- It will comply with section 3 of the Housing and Urban Development Act of 1968 (12 U.S.C. 1701u) and implementing regulations at 24 CFR Part 135.

Specific Community Development Block Grant Certifications

The Entitlement Community certifies that:

Citizen Participation -- It is in full compliance and following a detailed citizen participation plan that satisfies the requirements of 24 CFR 91.105.

Community Development Plan -- Its consolidated plan identifies community development and housing needs and specifies both short-term and long-term community development objectives that that have been developed in accordance with the primary objective of the CDBG program (i.e., the development of viable urban communities, by providing decent housing and expanding economic opportunities, primarily for persons of low and moderate income) and requirements of 24 CFR Parts 91 and 570.

Following a Plan -- It is following a current consolidated plan that has been approved by HUD.

Use of Funds -- It has complied with the following criteria:

- 1. <u>Maximum Feasible Priority</u>. With respect to activities expected to be assisted with CDBG funds, it has developed its Action Plan so as to give maximum feasible priority to activities which benefit low- and moderate-income families or aid in the prevention or elimination of slums or blight. The Action Plan may also include CDBG-assisted activities which the grantee certifies are designed to meet other community development needs having particular urgency because existing conditions pose a serious and immediate threat to the health or welfare of the community, and other financial resources are not available (see Optional CDBG Certification).
- 2. Overall Benefit. The aggregate use of CDBG funds, including Section 108 guaranteed loans, during program year(s) PY2019 12 Months [a period specified by the grantee of one, two, or three specific consecutive program years], shall principally benefit persons of low and moderate income in a manner that ensures that at least 70 percent of the amount is expended for activities that benefit such persons during the designated period.
- 3. Special Assessments. It will not attempt to recover any capital costs of public improvements assisted with CDBG funds, including Section 108 loan guaranteed funds, by assessing any amount against properties owned and occupied by persons of low and moderate income, including any fee charged or assessment made as a condition of obtaining access to such public improvements.

However, if CDBG funds are used to pay the proportion of a fee or assessment that relates to the capital costs of public improvements (assisted in part with CDBG funds) financed from other revenue sources, an assessment or charge may be made against the property with respect to the public improvements financed by a source other than CDBG funds.

In addition, in the case of properties owned and occupied by moderate-income (not low-income) families, an assessment or charge may be made against the property for public improvements financed by a source other than CDBG funds if the jurisdiction certifies that it lacks CDBG funds to cover the assessment.

Excessive Force -- It has adopted and is enforcing:

- 1. A policy prohibiting the use of excessive force by law enforcement agencies within its jurisdiction against any individuals engaged in non-violent civil rights demonstrations; and
- 2. A policy of enforcing applicable State and local laws against physically barring entrance to or exit from a facility or location which is the subject of such non-violent civil rights demonstrations within its jurisdiction.

Compliance with Anti-discrimination laws -- The grant will be conducted and administered in conformity with title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d) and the Fair Housing Act (42 U.S.C. 3601-3619) and implementing regulations.

 $\textbf{Lead-Based Paint} -- Its \ activities \ concerning \ lead-based \ paint \ will \ comply \ with \ the \ requirements \ of 24 \ CFR \ Part \ 35, \ Subparts \ A, \ B, \ J, \ K \ and \ R.$

Date | 2020

Compliance with Laws -- It will comply with applicable laws.

ASSURANCES - CONSTRUCTION PROGRAMS

OMB Number: 4040-0009 Expiration Date: 02/28/2022

Public reporting burden for this collection of information is estimated to average 15 minutes per response, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding the burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the Office of Management and Budget, Paperwork Reduction Project (0348-0042), Washington, DC 20503.

PLEASE DO NOT RETURN YOUR COMPLETED FORM TO THE OFFICE OF MANAGEMENT AND BUDGET. SEND IT TO THE ADDRESS PROVIDED BY THE SPONSORING AGENCY.

NOTE: Certain of these assurances may not be applicable to your project or program. If you have questions, please contact the Awarding Agency. Further, certain Federal assistance awarding agencies may require applicants to certify to additional assurances. If such is the case, you will be notified.

As the duly authorized representative of the applicant:, I certify that the applicant:

- Has the legal authority to apply for Federal assistance, and the institutional, managerial and financial capability (including funds sufficient to pay the non-Federal share of project costs) to ensure proper planning, management and completion of project described in this application.
- Will give the awarding agency, the Comptroller General
 of the United States and, if appropriate, the State,
 the right to examine all records, books, papers, or
 documents related to the assistance; and will establish
 a proper accounting system in accordance with
 generally accepted accounting standards or agency
 directives.
- 3. Will not dispose of, modify the use of, or change the terms of the real property title or other interest in the site and facilities without permission and instructions from the awarding agency. Will record the Federal awarding agency directives and will include a covenant in the title of real property acquired in whole or in part with Federal assistance funds to assure nondiscrimination during the useful life of the project.
- Will comply with the requirements of the assistance awarding agency with regard to the drafting, review and approval of construction plans and specifications.
- 5. Will provide and maintain competent and adequate engineering supervision at the construction site to ensure that the complete work conforms with the approved plans and specifications and will furnish progressive reports and such other information as may be required by the assistance awarding agency or State.
- Will initiate and complete the work within the applicable time frame after receipt of approval of the awarding agency.
- Will establish safeguards to prohibit employees from using their positions for a purpose that constitutes or presents the appearance of personal or organizational conflict of interest, or personal gain.

- Will comply with the Intergovernmental Personnel Act of 1970 (42 U.S.C. §§4728-4763) relating to prescribed standards of merit systems for programs funded under one of the 19 statutes or regulations specified in Appendix A of OPM's Standards for a Merit System of Personnel Administration (5 C.F.R. 900, Subpart F).
- Will comply with the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. §§4801 et seq.) which prohibits the use of lead-based paint in construction or rehabilitation of residence structures.
- 10. Will comply with all Federal statutes relating to nondiscrimination. These include but are not limited to: (a) Title VI of the Civil Rights Act of 1964 (P.L. 88-352) which prohibits discrimination on the basis of race. color or national origin; (b) Title IX of the Education Amendments of 1972, as amended (20 U.S.C. §§1681 1683, and 1685-1686), which prohibits discrimination on the basis of sex; (c) Section 504 of the Rehabilitation Act of 1973, as amended (29) U.S.C. §794), which prohibits discrimination on the basis of handicaps; (d) the Age Discrimination Act of 1975, as amended (42 U.S.C. §§6101-6107), which prohibits discrimination on the basis of age; (e) the Drug Abuse Office and Treatment Act of 1972 (P.L. 92-255), as amended relating to nondiscrimination on the basis of drug abuse; (f) the Comprehensive Alcohol Abuse and Alcoholism Prevention, Treatment and Rehabilitation Act of 1970 (P.L. 91-616), as amended, relating to nondiscrimination on the basis of alcohol abuse or alcoholism; (g) §§523 and 527 of the Public Health Service Act of 1912 (42 U.S.C. §§290 dd-3 and 290 ee 3), as amended, relating to confidentiality of alcohol and drug abuse patient records; (h) Title VIII of the Civil Rights Act of 1968 (42 U.S.C. §§3601 et seq.), as amended, relating to nondiscrimination in the sale, rental or financing of housing; (i) any other nondiscrimination provisions in the specific statue(s) under which application for Federal assistance is being made: and (i) the requirements of any other nondiscrimination statue(s) which may apply to the application.

HOME SF-424D (Rev. 7-97) Back

CERTIFICATIONS

In accordance with the applicable statutes and the regulations governing the consolidated plan regulations, the jurisdiction certifies that:

Affirmatively Further Fair Housing -- The jurisdiction will affirmatively further fair housing.

Uniform Relocation Act and Anti-displacement and Relocation Plan -- It will comply with the acquisition and relocation requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended, (42 U.S.C. 4601-4655) and implementing regulations at 49 CFR Part 24. It has in effect and is following a residential anti-displacement and relocation assistance plan required under 24 CFR Part 42 in connection with any activity assisted with funding under the Community Development Block Grant or HOME programs.

Anti-Lobbying -- To the best of the jurisdiction's knowledge and belief:

- 1. No Federal appropriated funds have been paid or will be paid, by or on behalf of it, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement;
- 2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, it will complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions; and
- 3. It will require that the language of paragraph 1 and 2 of this anti-lobbying certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

Authority of Jurisdiction --The consolidated plan is authorized under State and local law (as applicable) and the jurisdiction possesses the legal authority to carry out the programs for which it is seeking funding, in accordance with applicable HUD regulations.

Consistency with plan --The housing activities to be undertaken with Community Development Block Grant, HOME, Emergency Solutions Grant, and Housing Opportunities for Persons With AIDS funds are consistent with the strategic plan in the jurisdiction's consolidated plan.

Section 3 -- It will comply with section 3 of the Housing and Urban Development Act of 1968 (12 U.S.C. 1701u) and implementing regulations at 24 CFR Part 135.

Signature of Authorized Official

Specific Community Development Block Grant Certifications

The Entitlement Community certifies that:

Citizen Participation -- It is in full compliance and following a detailed citizen participation plan that satisfies the requirements of 24 CFR 91.105.

Community Development Plan -- Its consolidated plan identifies community development and housing needs and specifies both short-term and long-term community development objectives that that have been developed in accordance with the primary objective of the CDBG program (i.e., the development of viable urban communities, by providing decent housing and expanding economic opportunities, primarily for persons of low and moderate income) and requirements of 24 CFR Parts 91 and 570.

Following a Plan -- It is following a current consolidated plan that has been approved by HUD.

Use of Funds -- It has complied with the following criteria:

- 1. Maximum Feasible Priority. With respect to activities expected to be assisted with CDBG funds, it has developed its Action Plan so as to give maximum feasible priority to activities which benefit low- and moderate-income families or aid in the prevention or elimination of slums or blight. The Action Plan may also include CDBG-assisted activities which the grantee certifies are designed to meet other community development needs having particular urgency because existing conditions pose a serious and immediate threat to the health or welfare of the community, and other financial resources are not available (see Optional CDBG Certification).
- 2. Overall Benefit. The aggregate use of CDBG funds, including Section 108 guaranteed loans, during program year(s) 2019 12 MoNTHS [a period specified by the grantee of one, two, or three specific consecutive program years], shall principally benefit persons of low and moderate income in a manner that ensures that at least 70 percent of the amount is expended for activities that benefit such persons during the designated period.
- 3. Special Assessments. It will not attempt to recover any capital costs of public improvements assisted with CDBG funds, including Section 108 loan guaranteed funds, by assessing any amount against properties owned and occupied by persons of low and moderate income, including any fee charged or assessment made as a condition of obtaining access to such public improvements.

However, if CDBG funds are used to pay the proportion of a fee or assessment that relates to the capital costs of public improvements (assisted in part with CDBG funds) financed from other revenue sources, an assessment or charge may be made against the property with respect to the public improvements financed by a source other than CDBG funds.

In addition, in the case of properties owned and occupied by moderate-income (not low-income) families, an assessment or charge may be made against the property for public improvements financed by a source other than CDBG funds if the jurisdiction certifies that it lacks CDBG funds to cover the assessment.

Excessive Force -- It has adopted and is enforcing:

- 1. A policy prohibiting the use of excessive force by law enforcement agencies within its jurisdiction against any individuals engaged in non-violent civil rights demonstrations; and
- 2. A policy of enforcing applicable State and local laws against physically barring entrance to or exit from a facility or location which is the subject of such non-violent civil rights demonstrations within its jurisdiction.

Compliance with Anti-discrimination laws -- The grant will be conducted and administered in conformity with title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d) and the Fair Housing Act (42 U.S.C. 3601-3619) and implementing regulations.

Lead-Based Paint -- Its activities concerning lead-based paint will comply with the requirements of 24 CFR Part 35, Subparts A, B, J, K and R.

Compliance with Laws -- It will comply with applicable laws.

APPENDIX TO CERTIFICATIONS

INSTRUCTIONS CONCERNING LOBBYING CERTIFICATION:

Lobbying Certification

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

Drug Free Workplace Certifications

The Entitlement Community will or will continue to provide a drug-free workplace by:

- Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition;
- 2. Establishing an ongoing drug-free awareness program to inform employees about
 - a) The dangers of drug abuse in the workplace;
 - b) The grantee's policy of maintaining a drug-free workplace;
 - c) Any available drug counseling, rehabilitation, and employee assistance programs; and
 - d) The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;
- 3. Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph 1;
- 4. Notifying the employees in the statement required by paragraph 1 that, as a condition of employment under the grant, the employee will
 - a) Abide by the terms of the statement; and
 - b) Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;
- 5. Notifying the agency in writing, within ten calendar days after receiving notice under subparagraph 4(b) from an employee or otherwise receiving actual notice of each conviction. Employers of convicted employees must provide notice, including position title, to every grant officer or other designee on whose grant activity the convicted employee was working, unless the Federal agency has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;
- 6. Taking one of the following actions, within 30 calendar days of receiving notice under subparagraph 4(b), with respect to any employee who is so convicted
 - Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or
 - Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency;

7. Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs 1, 2, 3, 4, 5 and 6.
