**Down Payment Assistance:** A minimum of \$3,500, up to \$14,000, or slightly more, if appropriate, depending upon the final negotiated price of the home and the financial circumstances of the buyer, provided at closing on any home (other than manufactured homes) for sale in the City of Bryan from the City’s HOME Investment Partnerships Program grant from the U.S. Department of Housing and Urban Development. The loan is deferred, non-interest bearing, requires owner-occupancy for a minimum of five years, and is secured by a note and deed of trust. Once the property is sold or no longer owner-occupied the assistance amount must then be repaid, to the extent net proceeds are available from any sale.

Down Payment Assistance shall not subsidize the Front End Ratio to less than 20% of the Buyer’s gross monthly income. The maximum allowable monthly house payment (PITI) plus the total of monthly consumer debt payments shall not exceed 43% of gross monthly income (Back End Ratio). Lenders may have more stringent requirements. Significant Recurring Monthly Expenses which are larger than .05% of monthly income for longer than 6 months will be considered part of the back-end-ratio.

Applicants are strongly urged to complete the Down Payment Assistance application and approval process prior to making an offer to purchase. Applications expire six months after submission. Approval for assistance is on a first come, first served basis of those meeting all eligibility requirements and is contingent upon availability of funds.
