

Clinics with a simple motto: have fun! It's all about learning something new, networking with other ladies and playing a difficult game in a relaxed atmosphere.

It's ladies' night and this laid back, casual atmosphere will help erase any stress you might have about picking up the game of golf. During each session, we will go over all the key parts of golf – putting, pitching, full swings, and etiquette – and of course, the rules. Once the group is comfortable, we will get out on the course and play a few holes!

Wine, cheese, golf? We can't think of a better way to spend a Friday Night.

COST: \$25 each session will pay for light hors d'oeuvres, wine, rental clubs, a half hour clinic, and on-course lessons.

TIME AND DATE: 6 PM on the last Friday of every month

CLINIC DATES: May 26 / June 30 / July 28 / August 25 / September 29
