TRAVIS BRYAN MUNICIPAL GOLF COURSE POLICIES:

1. All play starts on hole #1 unless authorized by the staff to start on #10.
2. Good pace of play is important to the enjoyment of a round. Everyone is expected to play 18 holes in 4 hours or less.
3. Each player must have his/her own bag and set of clubs.
4. Dress code: Customary golf attire is preferred, but appropriate shoes are required. No metal spikes or other footwear that might damage the course are allowed.
5. You must be age 18 or older with a valid driver's license to drive a golf cart. Players must sign a responsibility agreement for the use of the golf cart. Only two riders per golf cart. Non-playing spectators riding in a golf cart must also pay a cart fee.
6. Golf carts must remain on the cart path within 30 yards of all tees and greens. Weather-permitting, the 90 degree rule is in effect. Do not enter any roped areas, and do not drive into any wooded areas – park outside these areas and walk in.
7. No personal coolers are allowed, and no alcoholic beverages are allowed that were not purchased from the golf course. These are TABC and City of Bryan regulations, and violation can result in confiscation of the alcohol and being expelled from the course.
8. Each player is responsible for any damage or injury he/she causes, including but not limited to the result of his/her golf shot or while operating a golf cart.
9. Safety reminder: The golf course closes every day at the official sunset time. Sunset is not dark, sunset is before dark. Our goal is to get everyone off the course safely, so sunset is the time that all carts must be in and all golfers must leave the course. Please understand that you may not finish your round, but we appreciate your cooperation with this important safety policy.
10. No pets are allowed on the golf course property.
11. Players who in any way make themselves objectionable or who don't follow these rules will be expelled from the course.
12. The management of the golf course is authorized and reserves the right to put into effect additional rules for the protection and safety of customers and the facility.
