

BRYAN PARKS & RECREATION REINDEER ON THE RUN

Help!

Santa's reindeer have escaped the North Pole and are hiding in parks and city facilities across Bryan. We need your help to find them before Christmas Eve!

Santa's elves will provide clues to help you locate each reindeer from **Dec. 1-14**. When you find a reindeer, scan the QR code to fill out the form and let us know which one you found.

When you've found and filled out the form for all nine reindeer, you'll be entered into a prize drawing.

COMET

In a house of history, warm and bright,
Where coffee's roasted to your delight.
Among the chatter, calm and sweet,
This reindeer found a tasty treat!

CUPID

Near a redbud tree in a quiet place,
This reindeer's hiding—join the chase!
Look for benches, paths, and fun,
He's resting there away from the sun.

BLITZEN

Not in the Shire, but close in sound,
Where color bursts on the playground.
At the end of a quiet street,
A tiny park where neighbors meet.

PRANCER

By the amphitheater, rocks exposed,
Where fresh air and sunshine flows.
Near courts and trails and benches too,
A reindeer waits just for you!

DANCER

Near a pond where ducks might play,
A trail for walking or jogging all day.
In a neighborhood with music's name,
A reindeer's hiding—can you spot his game?

DONNER

In a big green field where the grass is tall,
Stands one soccer goal—ready for the ball!
Kick, run, and jump, then look with cheer,
A sneaky reindeer is hiding near!
Can you spot him before he disappears?

DASHER

The newest spot where paddles fly,
Pickleball courts beneath the sky.
Bounce and swing, then look around,
A reindeer's waiting to be found!

RUDOLPH

Where pages turn and stories grow,
A Christmas tree gives off its glow.
Among the books, both tall and small,
A reindeer waits to greet you all.

VIXEN

A tangle of trails, both near and far,
Where laughter echoes where families are.
With swings and courts and splashes too,
You'll find your reindeer waiting for you!
