FLOOD CERTIFICATION:

According to the provisions of the Federal Flood Insurance Program (FFIP), flood insurance is required for all structures and improvements on properties located in a floodplain unless the property has been determined to be outside of a floodplain or to be adequately protected by the flood insurance program.

The above information is based on the most current flood data available and is subject to change. For the most current floodplain information, please contact your local government or the Federal Emergency Management Agency.

Survey data herein are derived from SPC Surveying (Data Source: NAD 88 HARN-OCS, 1996 North Datum, 1983 U.S. Ellipsoid).

Site Blasts: 0.10 foot or less not on the north end of subject trail. Noted in 0/'-0" at grade.
