Elementary Age Playground. This playground will be removed in April 2022.

Toddler Playground

Fence will be iron welded, similar to existing fence.
Height will be ~67". We will have at least 2 locked gates for entrance.

Canopy covered

Gaga Pits

Potentially Canopy covered

LIMITLESS PLAY WITH NU-EDGE® GSX

Stay Active with Endless Climbing Challenges

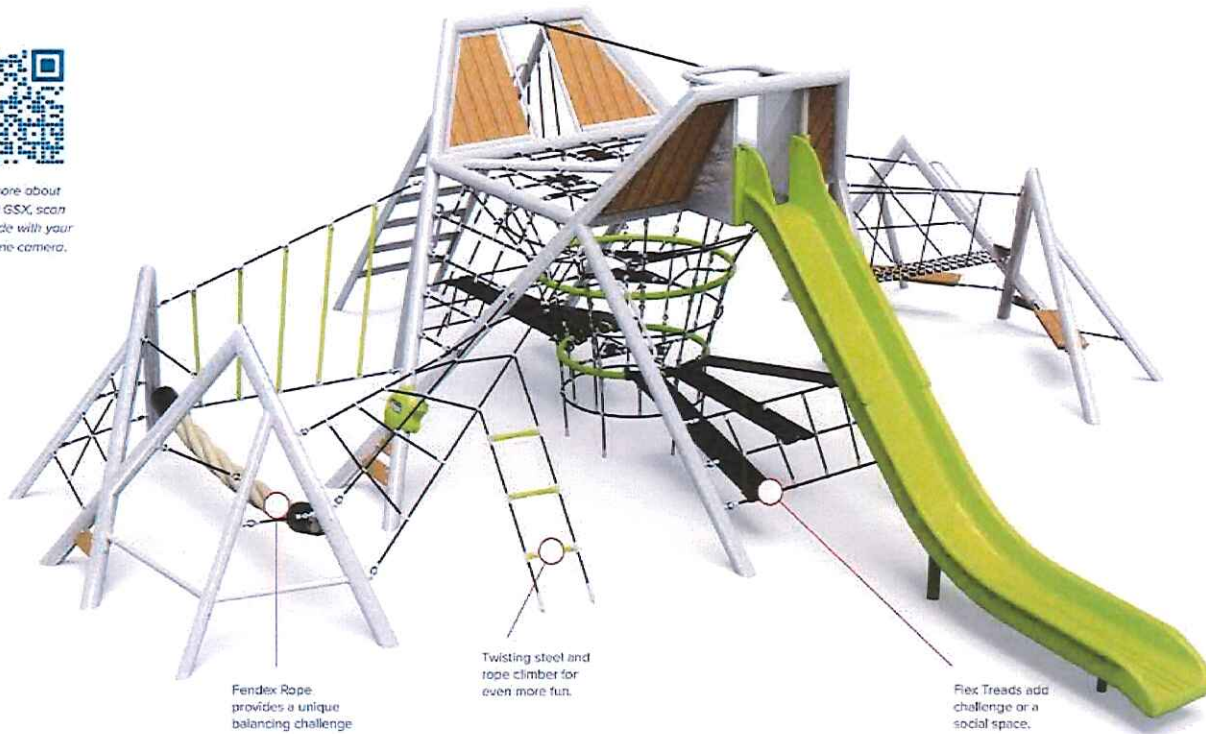

With its small footprint and modern design, the NU-Edge® GSX packs big fun in small spaces. This structure uses crisscrossing rope elements and the thrill of height for endless climbing opportunities. Kids can imagine themselves climbing Mount Everest or sliding down a waterfall with this innovative structure. Complete with a slide, ladders, and an interior net, kids can climb under, over, or through this structure.

The NU-Edge® GSX connects to a traditional post and platform structure for even more play value.

To learn more about NU-Edge® GSX, scan the QR code with your smart phone camera.

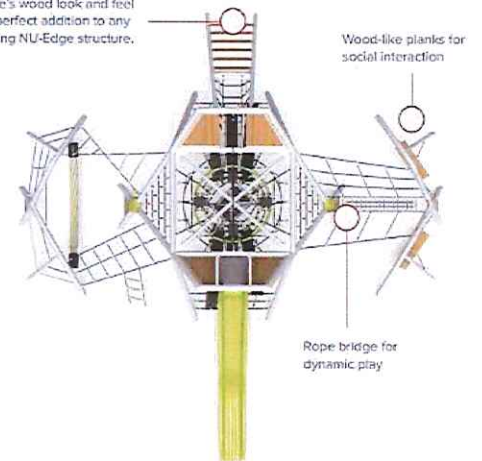

Fendex Rope provides a unique balancing challenge

Twisting steel and rope climber for even more fun.

Flex Treads add challenge or a social space.

This structure's wood look and feel make it the perfect addition to any new or existing NU-Edge structure.

Wood-like planks for social interaction

Rope bridge for dynamic play
