

SITE PLAN NOTES

- PROTECT ALL EXISTING TREES DURING CONSTRUCTION
Proposed electrical facility to feed the new service. intent is to have burried service from the power pole to the building

Please add a note stating, "Where electric facilities are installed, BTU has the right to install, operate, relocate, construct, reconstruct, add to, maintain, inspect, patrol, enlarge, repair, remove and replace said facilities upon, over, under, and across the property included in the PUE, and the right of ingress and egress on property adjacent to the PUE to access electric facilities."

There are no plans to have cable/telephone to the building
