---

---

---

### Owner Certification:

I \_\_\_\_\_, as the owner of the property named in this application, acknowledge and affirm that:

1. The referenced site plan and supporting documents complies with the requirements of Ordinance No. 1887, and
2. It is the responsibility of the owner, themselves or through consultants, to identify all utilities on or adjacent to the site, and to notify each utility and the Engineering Services Division of the proposed work prior to submitting this application or making any significant changes in the scope or effect of the work covered by this application, and
3. The granting of a permit covering any floodway encroachment obligates the owner to supply all supporting documentation, fees and engineering studies necessary to obtain an approved Letter of Map Revision from the Federal Emergency Management Administration, and
4. For and in consideration of the approval of this application, the proposed alterations or associated development shall be in accordance with the plans and specifications as approved by the City of Bryan (hereby made a part of this application) and as delineated on the approved permit. All development approved by this permit is subject to the inspection of the Engineering Services Division of the City to verify compliance with the terms and conditions of this permit.
